

FUTURE PROFESSIONAL ADVISORY POLICY

As future beauty industry professionals, it is essential that students learn and model the behavioral standards of the industry. Paul Mitchell The School Costa Mesa expects students to maintain acceptable standards of behavior on campus and satisfactory educational progress in their coursework. To support students' personal and professional development, Paul Mitchell The School Costa Mesa has identified five overarching principles for student conduct:

1. **Attendance and Documentation of Time Guidelines:** Attendance, promptness, and documentation of work are cornerstones of successful work practices.
2. **Professional Image Standards:** Professional image standards were created to provide guidance and direction to Future Professionals as they develop their professional image and persona.
3. **Sanitation and Personal Service Procedures:** Sanitation and personal service procedures have been established to comply with state laws and to provide a safe and clean service environment.
4. **Communication Guidelines and Professional Conduct:** It is the school's responsibility to provide a learning environment that is professional, positive, and conducive to learning. Staff and all contribute to a mutually respectful learning environment that fosters effective communication and professional conduct.
5. **Learning Participation Guidelines:** The learning participation guidelines have been established to provide a creative, fun, interactive, and collaborative learning environment that empowers students to act as professionals and committed learners. Positive behavior is required to create a mutually beneficial learning environment for all students.

To ensure that the school's culture embodies these principles, students will be coached for non-compliance with any of the items listed below. These coaching opportunities will be documented on the Future Professional Advisory form.

If a student receives five (5) coaching sessions, they may receive a suspension of 5 scheduled school days. On the student's fifth coaching session, the Future Professional Advisor will create a plan of action to be followed. After a student has received a five-school-day suspension, the student may only receive two (2) more coaching sessions. On the seventh coaching session, the student may be terminated from the school. If a behavior is sufficiently severe or repeated, a student may be terminated without notice.
