The program includes extensive instruction and practical experience in men's cutting, color, texture, men's grooming, customer service, personal appearance and hygiene, personal motivation and development, retail (Take Home) skills, guest record-keeping, and business ethics, sanitation, state laws and regulations, salon-type administration, and job interviewing.

Graduates are prepared to become entry-level barbers.

This course is taught in English. Textbooks and course materials are only offered in the English Language.

BARBERING COURSE OVERVIEW

Course Hours: 1000 clock hours

The course is divided into pre-clinical classroom instruction and clinical service learning experiences.

- **Pre-clinical Classroom Instruction:** The first hours are devoted to classroom workshops where students learn design principles, technical information, and professional practices.
- **Clinic Classroom Learning Experience:** The remaining hours are spent in the clinic floor area where practical experience is gained.

BARBERING COURSE OUTLINE

Your time at Paul Mitchell The School Costa Mesa for the barbering program will be divided into six designations:

- **Core Curriculum**: The Core program instills the basic fundamentals. Students are graded and evaluated using written, oral, and practical testing methods. Students must successfully complete the Core curriculum prior to attending regularly scheduled daily classes in cutting, color, permanent waving, and chemical texture services.
- **Protégé Learning Experience:** Your experience as a Protégé produces a smooth transition from Core student to Adaptive student. You spend time as a Protégé preparing for the clinic classroom.
- **Clinic Classroom Learning Experience**: Your clinic classroom time will be guided with individual attention and group learning experiences using mini-classes, monthly worksheets, and periodic evaluations developed specifically for this monitoring progress. This is when you begin experiencing your clinic classroom education on paying clients in the clinic classroom area.
- **Classroom Learning Experience**: Your classroom time is divided into cutting, coloring, texture, shaving, and hairstyling. Each area has an instructor who conducts the different specialty classes each week. Classroom Learning Experiences may also include retail, motivation, self improvement, professional development, and attendance education which may be conducted by an instructor, non-licensed staff member or guest artist.
- **Adaptive Curriculum**: As an Adaptive student you will enter a new phase of specialty classroom workshops coupled with challenging practical services designed to continue building your skills as a future beauty industry professional.
- **Creative Curriculum**: You will spend your last hours in Paul Mitchell The School Costa Mesa in "high gear" by dressing, acting, and working like a true beauty industry professional. You will use your own artistic and creative abilities, coupled with the assistance of the Learning Leaders, to prepare yourself for your future beauty

industry career.
