- i. The school would check with the high school to confirm the validity of the student's diploma by collecting documentation from the high school that confirms the validity of the high school diploma, including transcripts or other written descriptions of course requirements, or written and signed statements by principals or executive officers at the high school attesting to the rigor and quality of the coursework at the high school;

NOTICE CONCERNING TRANSFERABILITY OF CREDITS AND CREDENTIALS EARNED AT OUR INSTITUTION

The transferability of credits you earn at Paul Mitchell The School Costa Mesa is at the complete discretion of the institution to which you may seek to transfer. Acceptance of the certificate you earn in cosmetology, barbering and/or esthetics is also at the complete discretion of the institution to which you may seek to transfer. If the certificate that you earn at this institution is not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason, you should make certain that your attendance at Paul Mitchell The School Costa Mesa will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending Paul Mitchell The School Costa Mesa to determine if your certificate will transfer.

Paul Mitchell The School Costa Mesa is a clock hour school, which means that in order to receive credit for each hour earned you must be in attendance engaged in an educational activity. If you decide to transfer to another cosmetology school, the likelihood is that some or most of your hours will be transferrable based on the transfer school's published policy. However, if you transfer to a credit hour school, such as a community college, or traditional college or university, for a degree granting program, the likelihood is that most, if not all hours earned will not be transferrable because of the subject matter taught and the type of degree granting program you are enrolling in. Paul Mitchell The School Costa Mesa does not give clock hour credit for service in the armed forces, paid or unpaid employment, or other demonstrated competency or learning because of the nature of the program offered and state regulatory requirements.

NOTICE OF TRANSFERABILITY OF CREDITS AND CREDENTIALS EARNED FROM ANOTHER INSTITUTION

The transferability of credits or certificate you earn at another institution, is at the sole discretion of Paul Mitchell The School Costa Mesa. You may be required to repeat some or all of your coursework, if Paul Mitchell The School Cost Mesa does not accept some or all of your credits. This determination will be based on an evaluation of the student's comprehension of the course material. The school does not allow a student to appeal the number of hours accepted when transferring from another location. After the student completes the evaluation, the student will meet with the Education Leader to determine the number of hours accepted and where the student will be placed in the program. At this time, it will also be determined if previous completed coursework needs to be repeated. For this reason, you should speak to Paul Mitchell The School Costa Mesa's admissions leader to determine if your credits or certificate will transfer. Transfer students are responsible to pay the hourly fee based on the number of hours needed to complete the program of study, which is noted under the Transfer Student section of this catalog. Transfer students are responsible to pay the \$75.00 application fee as part of the Admissions Procedure. The transfers student's technical kit will be evaluated, and if necessary, the student will be responsible to purchase the technical and digital kit, as well as the textbooks and any sales tax involved.

STATE LICENSING DISCLAIMER

The state may refuse to grant a license if a student has been convicted of a crime; committed any act involving dishonesty, fraud, or deceit; or committed any act that, if committed by a licentiate of the business or profession in question, would be grounds for the Board of Barbering and Cosmetology to deny licensure. The Board of Barbering and Cosmetology denies licensure on the grounds that the applicant knowingly made a false statement of fact required to be revealed in the application for such license. Students who are not U.S. citizens or who do not have documented authority to work in the United States will not be eligible to apply to take the state licensure examination. Paul Mitchell The School Costa Mesa is not responsible for students denied licensure.

DISCLOSURE FOR PROGRAMS LEADING TO LICENSURE

The following programs offered at Paul Mitchell The School Costa Mesa lead to licensure in the state of California: Cosmetology, Barbering, Hairstylist, Esthetician, and Nail Technician. We have compiled a list of all states that require licensure for the program you are interested in enrolling. We have identified whether the institution's program curriculum meets, does not meet, or a determination has not been made yet, for other state's individual state educational requirements for professional licensure. This information can be located on the school's paulmitchell.edu website, as well as you will receive a copy in the school's admissions packet, prior to touring the school.

Please note that the school you are planning on attending has only had their curriculum evaluated by the state that you are attending school in, which meets the state's requirements for licensure and practice. In determining whether your program of study is acceptable in another state, each state board reviews the number of clock hours you attended in your home state, the subject areas and practical experiences you completed, as a part of the process of determining what, if any, additional requirements you may have to meet in order to be licensed in their state. We encourage all graduates who are considering becoming licensed in another state to first take the licensure exam in their home state, which will make it easier to transfer into another state. If you are not licensed by your home state, the state you are considering getting licensed in may require you to take additional training to meet their state minimum hour requirements and/or take their state licensure exam. State boards do not evaluate the curriculum of schools located in other states, but do, in most cases, recognize training from other states in order to transfer their license.

If, at any time, the program you are enrolled in, ceases to meet the educational requirements for licensure in the state where the student is located, the school will provide written notice directly to the student in writing within 14 calendar days of making that determination.

FUTURE PROFESSIONAL INFORMATION

CONSTITUTION DAY

Constitution Day was established by Congress in an effort to increase knowledge about the United States Constitution. The amendment, proposed by Senator Robert C. Byrd, was passed in December 2004, and requires all educational institutions to commemorate Constitution Day by offering education and programs each year on September 17 (or in the preceding or following week if the date falls on a Saturday, Sunday, or holiday).

Constitution Day commemorates September 17, 1787, the signing of the United States Constitution. The Constitution established America's national government and fundamental laws and guaranteed certain basic rights for its citizens.

Constitution Day also serves as a reminder to participate in the political process by exercising our right to vote.

The school celebrates Constitution Day with an event and promotes awareness of the U.S. Constitution and voter registration information to all present.

This year's Constitution Day will be celebrated Tuesday, September 17, 2024.

DISTANCE EDUCATION AND HYBRID PROGRAM REQUIREMENTS

Paul Mitchell The School Costa Mesa provides each Future Professional the opportunity to enroll in a hybrid program of study that provides for both on-campus education, as well as distance learning. Future Professionals also have the opportunity to select a program of study that encompasses only on-campus education. Both delivery methods offer the same educational quality, it is up to the individual learner to determine which delivery method best works for their particular educational needs.

Upon completion of all curriculum requirements, Future Professionals who are enrolled in a hybrid program must demonstrate competency by taking and passing written comprehensive Academic exams and Practical assessments, which are administered on-site. All school transcripts will specifically outline those course hours completed via distance education. Please note, that in accordance with the school's accrediting agency, practical experiences on a live model or service guest can only occur on-campus. Student lessons, projects, or dissertations are due by midnight end of the day for day school. And night school is due by noon the next day.

As a part of distance education, the school will ensure the content is delivered in a manner that meets the school's mission statement and educational objectives by assessing each Future Professional's competence. Participation will be documented in a log of all student activity. The Future Professional's qualitative academic performance for the distance education (modules) will be evaluated through testing and educational assignments. Future Professional surveys (Core, Adaptive, Creative and upon graduation), Learning Leader evaluations during distance learning, and a comparison of outcome rates for those who were enrolled in the hybrid program versus on-campus learning only, will be compared to validate the quality of the distance learning.

ENFORCEMENT OF PUBLIC HEALTH REGULATIONS

The state of California has the reasonable expectation that all trained and licensed cosmetology professionals will be knowledgeable of all public health regulations applicable to the profession and that licensed cosmetology professionals will practice and enforce these standards.

The school has the reasonable expectation that all students will dutifully and earnestly apply themselves to learning the health regulations of the state and on a daily basis will practice and demonstrate their knowledge of these rules and accept their professional vanguards and enforcers of public health regulations.

Employees are expected to demonstrate and apply these standards and regulations at all times.

Students and employees are required to adhere to the safety precautions caused by COVID-19. Students and employees must abide by the safety and sanitation procedures as outlined by the Centers for Disease Control and Prevention (CDC).

STUDENT TUITION RECOVERY FUND (STRF)

“The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.”

“It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 N. Market Blvd., Suite 225 Sacramento, CA 95834, (916) 574-8900 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.

- You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of non collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.”

Classes will be held at Paul Mitchell The School Costa Mesa located at 3309 Hyland Avenue, Suite J, Costa Mesa, CA 92626.

TUITION INSTALLMENT PLAN

The Tuition Installment Plan allows students and families to pay the out-of-pocket amount for the academic year in equal monthly payments. Students are responsible for any out-of-pocket payment if the financial aid is insufficient to cover the amount due on the first day of school.

Our Tuition Installment Plans carry a \$10 application fee and depending on the length of payment plan carry an interest charge and may require a credit check. If a credit check is required, students would incur a \$25 credit check fee.

Things to know:

- The length of the payment plan offered may vary depending on the length of your academic year. Payment Plan applications must be submitted for every academic year.
- The plan amount is restricted to cover just the direct cost, such as tuition and fees listed on the tuition fee schedule.
- Your Financial Services advisor will provide a link to the application if requested.
- Read the contract and all disclosures carefully and consult any advisor before you elect to use the Tuition Installment Plan.

The table below provides the tuition payment plan option and the Annual Percentage Rate or APR associated with the plan. Annual percentage rate (APR) refers to the yearly interest generated by a sum charged to borrowers. APR is expressed as a percentage representing the actual yearly cost of funds over a loan term. This includes any fees or additional costs associated with the transaction but does not take compounding into account.

PROGRAM	PROGRAM LENGTH	INTEREST RATE (APR)	APPLICATION FEE
PM Payment Plan B	6 Months	3.75%	\$10.00
PM Payment Plan C	12 Months	4.00%	\$10.00

If they have a larger balance the interest rates can go up to 4.75% depending on their credit.

Note: Installment plans over \$5000 require a credit check and an additional \$10 credit check fee.

Please Note:

Students who are delinquent on payments for over 90 days, will have their installment note cancelled and be sent to collections. If no payment is made to collections within 45 days of the note being cancelled, any monies due will be due to the school immediately. Students will have 15 calendar days to make suitable arrangements with the school or be terminated.

A zero interest or no fees, tuition installment plan is available to students who have provided adequate verifiable documentation that an official third party is covering the students school charges (Bank, Employer, VA other than Chapter 33) and paying that education fee reimbursement directly to the student.

STUDENT PROFESSIONAL DEVELOPMENT GUIDELINES

All students must commit to and follow the Student Professional Development Guidelines during their enrollment at Paul Mitchell The School Costa Mesa. These guidelines were established to assist in creating a safe, focused, and enjoyable learning experience.

ATTENDANCE AND DOCUMENTATION OF TIME

1. The school records attendance in clock hours and gives appropriate attendance credit for all hours attended. The school does not add or deduct attendance hours as a penalty. Attendance is calculated using a computerized time clock and does not round hours. In order to ensure proper clock hours are credited, full-time students are required to clock in/out four times a day: when they arrive to school, when they leave for lunch, when they return from lunch, and when they leave at the end of the day. Part-time students are required to clock in/out two times a day: when they arrive to school and when they leave at the end of the day. If a student fails to clock in or out for their schedule on the student time clock, the student will not receive hours. If the student wishes to dispute any hours they feel earned, the student must provide documentation to verify attendance on the missing time form.
2. The school is open from 9:00 AM to 4:30 PM for 5-day students and 5:00 PM to 10:00 PM for night students.
3. All courses require continuous attendance.
4. The prescribed attendance schedule must be maintained each week. Alternate schedules are available to those students who qualify.
5. Night students may not miss Mondays; day students may not miss Saturdays.
6. Students must be on time, as tardiness inhibits the learning process. Students who are late for theory, a specialty class or a guest artist class may attend the class, but must be accompanied into the classroom by a learning leader. Students are never excused from mandatory theory class to work in the clinic classroom.
7. During the Enrollment Agreement period, student must maintain a 80% attendance average each month in order to complete the program within the scheduled program length. If a student's maximum amount of time under the contracted scheduled end date has expired and the student has not completed the required program clock hours, the student will be withdrawn from the program. At that time the student can re-enroll in the program for the remaining clock hours under a new enrollment agreement and additional costs. The student may use the allowed absent hours of his or her scheduled hours for vacation, doctor appointments, illness, etc.

*****Refer to the school enrollment agreement for the Enrollment Agreement Period definition.***

Please note that if a student misses more than 14 consecutive calendar days, the student may be terminated from the program.

8. Students attend the Core at the beginning of their education. The clock hours for Core vary based on the program. During this time the student must maintain a cumulative attendance of 80%. If at the conclusion of the Core phase, the student's attendance percentage is not 80% and the student has not passed their academic exams with a 70% or higher, the student may be dropped from the program and asked to re-enroll in the next class start date.

9. Students who are late or cannot attend school must contact the school and talk to the school service desk team immediately. Day students must call in by 8:00 AM; night students must call in by 1:30 PM.
10. Students must request time off from school from the Future Professional Advisor.
11. Students are required to be in attendance a minimum of seven (7) hours per day, 35 hours per week for the full-time schedule; 20 hours per week for part-time students. Holidays such as Thanksgiving, Christmas, and New Year's Day will be set according to the calendar each year. Students cannot bank hours and attend over 35 hours per week to make up for missing hours. Refer to the make up hour policy.
12. Lunches and breaks are scheduled for all students. Day students will take 30 minutes for lunch between 12:00 PM and 2:00 PM, if possible, according to their booking. Students should communicate with their instructor if they have not had lunch by 1:30 PM.

Observe the appropriate breaks for your school schedule. Breaks are as follows:

Student Schedule	Breaks	Lunch
10 hr/day	10 minutes in the morning and 10 minutes in the afternoon	30 minutes
8 or 7 1/2 hr/day	10 minutes in the morning and 10 minutes in the afternoon	30 minutes
6 hr/day	10 minutes in the morning and 10 minutes in the afternoon	n/a
5 hr/day	15 minutes at midpoint of schedule	n/a
4 hr/day	15 minutes at midpoint of schedule	n/a

13. Documentation of time: Students may not leave the school premises during regular hours without an instructor's permission.
 - a. Students who leave the school premises for more than 10 minutes or those who leave early must document their time by clocking out on the time clock, signing the sign-out sheet, and having an instructor book them out.
 - b. Students who leave the school premises for less than 10 minutes must sign the sign-out sheet.
 - c. Day students must clock out on the time clock for lunch for 30 minutes every day. Students will not receive credit for the hour if they fail to clock in/out for lunch.
14. Students may not clock in or out for another student.
15. Students must keep a record of all services each day on the service tracking sheet, which must be completed daily and turned in every month.

The goal of entrance counseling is to help you understand what it means to take out a federal student loan. During entrance counseling, you will learn about the following:
 - i. What a Direct Loan is and how the loan process works
 - ii. Managing your education expenses
 - iii. Other financial resources to consider helping pay for your education
 - iv. Your rights and responsibilities as a borrower
 - Complete an Annual Loan Acknowledgment If this is your first time accepting a federal student loan, you are acknowledging that you understand your responsibility to repay your loan.
 - v. If you have existing federal student loans, you are acknowledging that you understand how much you owe and how much more you can borrow.

- Complete Master Promissory Notes (MPN)
The MPN is a legally binding agreement between you and us and contains the terms and conditions of your loans.

E. Review your Financial Aid Notification

The notification will provide a snapshot of what financial aid you are eligible to receive for the current academic year

F. Accept your Estimated Financial Aid Offer

VERIFICATION

The U. S. Department of Education may select your FAFSA for a process called verification. If your FAFSA is selected for verification, The School will need to collect additional documentation from you to verify some of the information you provided on your FAFSA. For example, The School may ask for additional information about your income, the number of people in your household, the number of people attending college in your household and identification document, or other information. You may be required to complete verification worksheets and submit tax documents for yourself and your parent(s) or spouse. The School will use the information you provide through the verification process to make any necessary corrections to the information you reported on the FAFSA.

Verification Deadline and Failure to Submit: The Financial Aid Office will not award or disburse federal financial aid until the verification process is complete. Failure to complete the verification process by the deadline may result in a student not being eligible for federal financial aid, in which case the student will need to make other arrangements to pay their educational costs.

FINANCIAL AID DISBURSEMENTS

The federal financial aid for which a student qualifies is applied to your student account. This process is referred to as financial aid disbursement. Expected disbursement schedule can be found in individual Financial Aid offer letters.

Financial Aid disbursements are evaluated and paid at the end of every payment period, based on the student's satisfactory academic progress.

- i. The first payment period is the period in which the student successfully completes half the clock hours AND half the weeks of instructional time in the academic year.
- ii. The second payment period is the period in which the student completes the academic year and weeks of instructional time in the academic year.

For any remaining portion of the program that is more than the academic year, but less than a full academic year:

- i. The first payment period is the period in which the student successfully completes half of the clock hours AND half of the weeks of instructional time in the remaining portion of the program; and
- ii. The second payment period is the period of time in which the student successfully completes the remainder of the program.

CREDIT BALANCE

If your financial aid award exceeds your direct costs at the school (tuition, room and board, etc.), you will receive a Credit Balance refund.

- i. Refunds begin to be issued within 14 days after the disbursement date .
- ii. All funds issued to you by Paul Mitchell The School Costa Mesa through a federal financial aid refund must be used toward educational expenses only and using these funds in any other manner is in violation of and punishable by federal law.

IMPACT OF WITHDRAWAL OR LEAVE OF ABSENCE

Students taking a leave of absence or withdrawing from classes who are recipients of Federal Financial Aid should contact the Financial Aid office to determine the implications of that leave/withdrawal for their financial aid program. Once you withdraw, drop below half-time enrollment, or leave school, your federal student loan goes into repayment. In most cases, however, you have a six-month grace period before you are required to start making regular payments.

EXIT COUNSELING

Students who graduate, withdraw or drop below half-time enrollment must complete exit counseling. The purpose of exit counseling is to ensure that student understand their loan obligations and are prepared for repayment.

OVERPAYMENT

Any amount of unearned grant funds that you must return is called an overpayment. The maximum amount of a grant overpayment that you must repay is any grant overpayment in excess of half of the grant funds you received or were scheduled to receive. You do not have to repay a grant overpayment if the original amount of the overpayment is \$50 or less. You must make arrangements with the school or the Department of Education to return the unearned grant funds. The requirements for Title IV program funds when you withdraw are separate from the school's refund policy. Therefore, you may still owe funds to the school to cover unpaid institutional charges. Your school will also charge you for any Title IV program funds that the school was required to return. The school's tuition refund policy is available in the college catalog. If you have questions regarding the Return of Title IV calculation or the school's refund policy, the Financial Services Office can assist.

ADDITIONAL INFORMATION AND DETAILS MAY BE FOUND IN THE FINANCIAL AID GUIDE PUBLISHED BY THE SCHOOL.

WITHDRAWING FROM SCHOOL

Official Withdrawal Process: If a student wishes to withdraw from school the student must notify the school either in writing or verbally. A written notification can be delivered by regular mail sent directly to the school or via e mail sent to the Financial Services Leader at the School at the following e mail address

financialaid@costamesa.paulmitchell.edu. The date that the school is notified is the date of determination of the withdrawal and is based on the postmark date on the mailed notification, the date of the email notification or the date the student calls or notifies the school in person. A student on an approved leave of absence must notify the school as soon as possible if they will not be returning from the leave of absence. If the student fails to return or contact the School Financial Services Leader on the documented return date, then the student will be withdrawn from school with the date of determination being the documented return date.

If the Student fails to return from a leave of Absence (LOA) on the documented return date, the student will be terminated from school as of the date the student began the LOA. If the Student fails to contact the School in regards to not returning from a LOA or extending the LOA, the student will be terminated from school as of the date the student began the LOA. A Student may not take an unapproved LOA.

Official cancellation occurs when a Student is not accepted by the School, or when a Student or legal guardian cancels the Enrollment Agreement. The School also may initiate an official withdrawal for reasons which include but are not limited to the expulsion of the Student or the termination of the Student for failure to meet the applicable requirements of the School's satisfactory academic progress policy or the failure to pay tuition and other charges by the applicable deadlines.

Unofficial Withdrawal Process: An unofficial withdrawal may occur for a variety of reasons including but not limited to expulsion, failure to meet Program attendance requirements, failure to attend class in the Student's Program at the School for 14 consecutive calendar days, failure to meet applicable requirements in the school's satisfactory academic progress policies, or failure to pay tuition and other charges by the applicable deadlines.

Withdrawal Date: In both cases the Withdrawal Date (which is sometimes referred to as the last day of attendance) will be used in the Institutional Refund calculation and, if applicable, in the Federal Return of Title IV calculation.

FEDERAL RETURN OF TITLE IV FUNDS POLICY

The School participates in the Title IV federal financial aid Programs (Title IV). The Return of Title IV (R2T4) policy and formula are used by the School to determine the amount of Title IV funds that must be returned if the Student withdraws from the School. The R2T4 formula is applicable when the Student withdraws at any point during a payment period. Because the school is required to take attendance, the student's withdrawal date is their last date of attendance at an academically related activity as determined from the schools attendance records for both official and unofficial withdrawals.

The requirements for returning Title IV funds under the R2T4 formula is different from a School's institutional refund policy. The R2T4 formula determines the amount of unearned Title IV funds that must be returned when a Student withdraws. In contrast, the institutional refund policy determines how much tuition a Student owes after a Student withdraws.

So, it is possible that the R2T4 policy might result in a return of Title IV funds that previously paid for tuition and other charges at the School. In turn, the institutional refund policy might result in a Student owing funds to the School to cover unpaid institutional charges even though the Student withdrew from the School without completing the Program. The R2T4 policy is discussed below. The institutional refund policy is discussed in the previous section of the Enrollment Agreement.

R2T4 Calculation: The R2T4 formula applies if the Student received or could have received federal Title IV financial assistance during the payment period in which the Student withdrew based on applicable eligibility criteria (e.g., Pell Grants, FSEOG, Direct Subsidized Loans, Direct Unsubsidized Loans, or Direct PLUS Loans). The percentage of Title IV aid earned is equal to the percentage of the payment period that was completed as of the Student's withdrawal date. For clock-hour Programs, a Student earns the percentage of scheduled clock hours up to the date of withdrawal divided by the number of scheduled clock hours in the payment period.

For example, if a Student completes 30% of the scheduled clock hours, the Student will earn 30% of the assistance the Student originally received or was eligible to receive. Once the Student completes over 60% of the scheduled clock hours in the payment period of enrollment, a Student has earned 100% of the FSA funds the Student received and was scheduled to receive during the period.

The amount to be returned as unearned is calculated by subtracting the amount of Title IV assistance earned from the amount of Title IV aid that was or could have been disbursed as of the withdrawal date.

If a Student does not start or begin attendance at the School or start or begin attendance in a payment period at the School, the R2T4 formula does not apply but the School must return any Title IV funds disbursed on the Student's account ledger for the applicable payment period.

Title IV Funds Returned by the School: If a Student receives (or the School or parent receive on the Student's behalf) excess Title IV funds that must be returned, the School must return all or a portion of the excess funds equal to the lesser of:

1. The institutional charges multiplied by the unearned percentage of the Student's Title IV funds:

or

2. The entire amount of excess Title IV funds.

The School must return its share in the following order:

1. Unsubsidized Direct Loan
2. Subsidized Direct Loan
3. Direct PLUS Loan (Parent)
4. Federal Pell Grant
5. Federal SEOG

Returns must be made no later than 45 days after the date of determination of the Student's withdrawal.

Title IV Funds Returned by the Student: If the School is not required to return all of the excess Title IV funds, the Student may be required to return the remaining amount. This is determined by subtracting the amount returned by the School from the total amount of unearned Title IV funds to be returned.

For any Direct loan funds, a Student must return, the Student (or the parent in the case of PLUS Loans) will repay the Direct Loan funds in accordance with the terms and conditions of the Master Promissory Note (MPN). That is, a Student will not be required to repay any Direct Loan funds immediately, but instead, the Student will make scheduled payments to the Department of Education over a period of time.

Any amount of unearned Pell Grant funds that a Student must return is called an overpayment. The maximum amount of Pell Grant overpayment that a Student must repay is any amount of the overpayment that is greater than one-half of the Pell Grant funds the Student received or was scheduled to receive. A Student does not have to repay a Pell Grant overpayment if the original amount of the overpayment is \$50 or less. The Student must make arrangements with the School or the Department of Education to return the unearned Pell Grant funds or lose eligibility for the Title IV funds.

Within 30 days of the date of the School's determination that the Student withdrew, the School will send a notice to the Student advising the Student that they owe a Title IV overpayment as a result of the Student's withdrawal. If the Student is not able to pay the overpayment within 45 days of the date of the notice, the Student may enter into a repayment arrangement with the Department of Education. If the Student does not pay the overpayment or make a repayment arrangement, the Student will be ineligible for any further Title IV funds.

Credit Balances: If a credit balance still exists on the Student's account after the Return of Title IV calculation is completed, the credit balance will be used to pay any grant overpayment that exists based on the current withdrawal or any remaining institutional charges. Any remaining credit balance will be paid to the Student within 14 days from the date that the Return of Title IV calculation was performed.

Post Withdrawal Disbursements: If a Student did not receive all of the Title IV funds earned, a Student may be due a post-withdrawal disbursement. If the post withdrawal disbursement includes grants, the school must disburse the grant funds as soon as possible but no later than 45 days after the date of the school's determination that the student withdrew (no confirmation from the student is required). If the post withdrawal disbursement includes Direct Loan funds, the School must offer the loan funds to the student or parent (in the case of PLUS Loans) within 30 days of the date the school determined the student withdrew, allowing the student or parent at least 14 days to respond and accept or decline the funds. The school must obtain the Student's or parent's (in the case of PLUS Loans) permission before it can disburse the Direct Loan funds. A Student or parent may choose to decline some or all of the Direct Loan funds, so the Student or parent do not incur additional debt.

The School may automatically use all or a portion of a post-withdrawal disbursement of grant funds for institutional charges. The School needs to obtain permission from the Student to apply Title IV funds for other educationally related expenses. Post-withdrawal disbursements will be made from Pell Grant funds first if the Student is eligible. If there are current educational costs still due the School at the time of withdrawal, a Pell Grant post-withdrawal disbursement will be created to the Student's account. Any remaining Pell funds will be released to the Student without the Student having to take any action.

"STUDENT'S RIGHT TO CANCEL" - INSTITUTIONAL REFUND POLICY

This is a state mandated policy following the Bureau for Private Postsecondary Education Code of Regulation 71750. This policy applies to all Students and programs.

1. Any monies due the Student shall be refunded within 30 days of official cancellation or withdrawal. Official cancellation or withdrawal shall occur on the earlier of the dates that:
 - a. A Student is not accepted by the School. This Student shall be entitled to a refund of all monies paid to the School except a non-refundable application fee of \$25.00.
 - b. A Student (or in the case of a Student under legal age, his/her parent or guardian) cancels his/her enrollment agreement and demands his/her money back in writing, through attendance of the first day of class or the seventh (7) calendar day of signing the enrollment agreement, whichever is later. In this case all monies collected by the School shall be refunded except a non-refundable application fee. This policy applies regardless of whether or not the Student has actually started training.
 - c. A Student who cancels his/her enrollment agreement through attendance of the first day of class or the seventh (7) calendar day of signing the enrollment agreement is entitled to a refund of all monies paid to the School less an application fee of \$25.00.
 - d. A Student notifies the institution of his/her official withdrawal in writing.
 - e. A Student is expelled by the institution.
 - f. For official cancellations as defined in paragraphs b, c, d, or e, the cancellation date will be determined by the postmark on written notification at the following address: Paul Mitchell The School Costa Mesa, 3309 Hyland Avenue, Suite J, Costa Mesa, CA 92626, or by the date said information is delivered to the School administrator/owner in person. Written cancellations need not take any particular form.
 - g. Monies paid for Student kits are non-refundable after the cancellation period.
 - h. A Student on a leave of absence date of withdrawal determination shall be the earlier of the scheduled date of return from the leave of absence or the date the Student notifies the School that the Student will not be returning.
2. You have the right to cancel your enrollment agreement and obtain a refund of charges paid through attendance of the first day of class or the seventh (7) calendar day of signing the enrollment agreement, whichever is later. YOU MUST CANCEL IN WRITING. Students do not have the right to cancel by telephoning the School or by not coming to class.
Date which the Student can cancel the enrollment contract: _____
3. Any monies due a Student who unofficially withdraws from the institution shall be refunded within 45 days of a determination by the institution that the Student has withdrawn without notifying the institution. Unofficial withdrawals are monitored every 15 days and a determination is made to withdraw a Student who has been absent from School for 14 or more consecutive calendar days; the withdrawal date that will be used in this calculation is the Student's actual last date of attendance.
4. When situations of mitigating circumstances are in evidence, such as serious illness, a disabling accident, or death in the immediate family, the School may make a settlement that is reasonable and fair to both parties.
5. All extra costs, such as books, equipment, graduation fees, application fee, rentals, and other such charges, are not considered in the tuition adjustment computation if the charges are itemized separately in the enrollment agreement.
6. Monies paid for supplies and equipment are non-refundable after the cancellation period.
7. If a course and/or program is cancelled subsequent to a Student's enrollment, and before instruction in the course and/or program has begun, the School shall either provide a full refund of all monies paid or provide completion of the course and/or program.

8. If a course and/or program is cancelled and ceases to offer instruction after the Student has enrolled and instruction has begun, the School shall either provide a full refund of all monies paid or provide completion of the course and/or program.
9. A Student's account may be sent to collections for nonpayment.
10. If an institution closes or discontinues a program prior to the completion of the contracted services, the institution shall provide a pro-rata refund only if the Bureau determines the school made provisions for Students enrolled at the time of default to complete a comparable educational program at another institution at no additional charge to the student beyond the amount of the total charges in the original enrollment agreement. If the institution does not make that provision, the institution shall provide Students a full refund of all institutional charges.
11. A Student is entitled to a refund of monies not paid from federal student aid program funds.

Students are responsible for the amount owed. If a Student obtains a student loan, he/she is responsible for repaying the loan amount, plus interest, less the amount of any refund. The institution shall also provide a pro rata refund of non-federal Student financial aid program monies paid for institutional charges to Students who have completed 60 percent or less of the period of attendance.

If you are eligible for a loan guaranteed by the federal or state government and you default on the loan, both of the following may occur:

1. The federal or state government or a loan guarantee agency may take action against the Student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.
2. You may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

SPECIAL PROVISIONS FOR BOOKS AND SUPPLIES

In order to academically succeed in a program, a Federal Pell Grant student must have the ability to purchase books and supplies at the beginning of the academic period. By the seventh day of a payment period, the school will provide a way for a student who is eligible for a Federal Pell Grant to obtain or purchase the books and supplies required for the payment period.

The school will consider all the FSA funds a student is eligible to receive at the time it makes the determination, but the school need not consider aid from non-FSA sources.

The amount the school must provide is the lesser of the presumed credit balance or the amount determined by the school that the student needs to obtain the books and supplies. In determining the required amount, the school may use the actual costs of books and supplies or the allowance for those materials used in estimating the student’s cost of attendance for the period. A student may decline to participate in this process to obtain or purchase books and supplies, if they so choose.

PREFERRED LENDER LIST AND PRIVATE EDUCATION LOAN DISCLOSURES

Our school does not have a list of preferred lenders and we do not offer private education loans. Students are encouraged to explore federal student aid options before considering private education loans.

ELIGIBILITY OF FINANCIAL AID AFTER A DRUG CONVICTION

A student no longer faces penalties or suspension of Title IV aid due to a drug conviction that occurred while the student was enrolled and receiving Title IV aid; and while information of such conviction must still be provided, the loss of federal student aid for drug convictions no longer applies.

MAJORS, DEGREES, SECOND DEGREE, OR SUMMER TERMS

Majors, degrees, second degrees, or summer terms does not apply to Paul Mitchell The School Costa Mesa.

SATISFACTORY ACADEMIC PROGRESS POLICY

VETERANS' BENEFITS SATISFACTORY PROGRESS POLICY

When the grade average of a veteran or eligible person falls below 80%, the student will be placed on academic probation for one month. If at the end of the probation period, the student's grades are still below 80%, veterans' benefits will be terminated. Once minimum academic progress standards are met, benefits can be reinstated. When a student's attendance falls below 80%, the student will be placed on attendance probation for one month. If at the end of the probation period, the student's attendance is still below 80%, veterans' benefits will be terminated. Once minimum attendance standards are met, benefits can be reinstated.

SATISFACTORY ACADEMIC PROGRESS POLICY

The Satisfactory Academic Progress Policy applies to all students regardless of whether or not they are eligible and/or apply for Title IV funding programs. Every student enrolled in a program approved by NACCAS must meet formal standards that measure their satisfactory progress toward graduation. The Satisfactory Academic Progress Policy is provided to all students prior to enrollment. The policy is consistently applied to all students, regardless if they are part time, full time or the program enrolled in. SAP evaluations are maintained in the student file. The school will develop an academic and/or attendance plan to address the specific needs of those students who fail to meet the academic and/or attendance requirements at specific SAP evaluation points. A leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence.

In order to comply with USDE requirements the terminology financial aid warning or financial aid probation will be used for Title IV, non-Title IV, and other federal funding students.

QUANTITATIVE AND QUALITATIVE FACTORS

Factors for measuring the student's progress toward satisfactory completion of the program include maintaining:

1. A minimum cumulative theory grade level of 70% or higher.
2. A minimum cumulative academic level of 70% or higher on practical skill assessments.*
3. To determine whether a student meets the academic requirements for satisfactory progress, theory and practical grades are averaged together to give a cumulative academic grade of 70% or higher.
4. A minimum cumulative attendance of 80% of their scheduled hours.**

**To meet the state practical requirements for graduation, students must complete all assigned practical skill assessments. See LEARNING PARTICIPATION GUIDELINES.*

***To determine your rate of attendance, divide the cumulative number of hours completed by the scheduled hours to date.*

A student who has not achieved the minimum cumulative GPA of 70% and/or who has not successfully completed at least a cumulative rate of attendance of 80% is not eligible for Title IV assistance, if applicable, unless the student is on warning or has prevailed upon appeal of the determination that has resulted in the status of probation.

MAXIMUM TIME FRAME

Students must complete the educational program within the maximum time frame, which is based on attending at least 80% of the scheduled hours.

COURSE	LENGTH	MAXIMUM TIME FRAME
Cosmetology (5-Day) - Full Time (35 hour schedule)	29 Weeks	36 Weeks
Cosmetology (4-Day) - Part Time	50 Weeks	63 Weeks
Barbering (5-Day) - Full Time	29 Weeks	36 Weeks
Barbering (4-Day) - Part Time	50 Weeks	63 Weeks
Esthetics (5-day) - Full Time	17 Weeks	21 Weeks
Esthetics (4-Day) - Part Time	30 Weeks	38 Weeks

The maximum time frame allowed for transfer students who need less than full course requirements or part-time students will be determined based on 80% of the scheduled contracted hours. If any student enrolled fails to complete the program within the maximum time frame they will lose their eligibility for Title IV programs and will be terminated from the program. Students who exceed the maximum time frame will be permitted to re-enroll, and be charged tuition fees accordingly, on a cash-pay basis. Whether a student pays out of pocket or receives Title IV Financial aid all hours attempted and completes are considered part of the Satisfactory Academic Progress calculation.

IN-COMPLETES, WITHDRAWAL, OR REPETITIONS

If the student needs to take off more time than allotted in the enrollment agreement or more than 14 consecutive calendar days, the student must take a leave of absence or withdraw and reenroll when ready to return. If a student needs more than 14 consecutive calendar days of time off then the student should take a leave of absence. Students who withdraw prior to completing the course of study and who wish to reenter will reenter at the same progress status as applicable at the time of withdrawal.

IN-COMPLETES, REPETITIONS, AND NON-CREDIT

Course incompletes, repetitions, and noncredit remedial courses do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

LEAVE OF ABSENCE POLICY

A Leave of Absence (LOA) is a temporary interruption in a student's program of study. LOA refers to the specific time period during an ongoing program when a student is not in academic attendance.

LOA will be granted for:

1. In accordance with Title IX (including for pregnancy and related conditions or other Title IX covered reasons)
2. If a student is called into active duty for the military.
3. On a case-by-case basis, the school will also consider a LOA for a student who has experienced a personal medical emergency.
4. For personal reasons.

These are the only times leave of absences are granted.

In order to be placed on LOA, the student must:

1. Complete and sign the school's Leave of Absence Request Form
2. Must state the reason for the (LOA)
3. Students who receive military orders must provide a copy of their military orders.
4. Be approved by the School's Future Professional Advisor and Financial Services Leader.

- Leaves must be a minimum of 14 days and must not exceed a total of 180 calendar days in a 12 month period. In the case of a student receiving military orders that are less than 14 days, the LOA will be granted for the shorter period of time. This timeframe must be reflected on the student's military orders.

A student on a LOA date of withdrawal determination shall be the earlier of the scheduled date of return from the leave of absence or the date the student notifies the school that the student will not be returning. A leave of absence will extend the student's contract period and maximum time frame by the same number of calendar days taken in the leave of absence.

Changes to the contract period on the enrollment agreement due to an approved LOA must be initialed by all parties or an addendum must be signed and dated by all parties to reflect the new contract end date.

There will be no additional charges for a LOA. If the Student fails to return from a leave of Absence (LOA) on the documented return date, the student will be terminated from school as of the date the student began the LOA. If the Student fails to contact the School Financial Services Leader in regards to not returning from a LOA or extending the LOA, the student will be terminated from school as of the date the student began the LOA. The termination date for the purpose of calculating a refund is always the student's last date of attendance. A Student may not take an unapproved LOA.

For federal aid recipients, the student's payment period is suspended during the LOA and no federal financial aid will be disbursed to student while on a LOA. Upon the student's return, the student will resume the same payment period and coursework and will not be eligible for additional federal student aid until the payment period has been completed. If the student is a federal student loan recipient, they will be informed of the effects that the failure to return from a leave may have on the student's loan repayment terms, including the exhaustion of the student's grace period. An enrollment agreement addendum will be completed upon return from the LOA to extend the contract end date by the applicable number of calendar days.

Due to unforeseen circumstances, the school may grant a LOA to a student in the case of an emergency, where the student is unable to complete the LOA request, such as a car accident or other medical issue (i.e,coma) that would prevent the student from requesting the LOA prior to the incident occurring. In these cases, the school will collect the request from the students as soon as possible and document the reason for the granting of the leave after the incident has occurred. The beginning date of the LOA will be based on the first date it has been determined that the student cannot come to class due to the accident or medical situation.

In order to grant a Leave of Absence there must be the expectation that the student will be returning to school.

A student who is granted a LOA that meets these criteria is not considered to have withdrawn and no R2T4 refund calculation is required at that time.

If a student does not return from a LOA, the grace period for the Direct Loans may have elapsed in part or in whole. If the student uses 180 days of a LOA, the student will have used 100% of his/her grace period and be in immediate repayment of his/her Direct Loan.

EVALUATION PROCEDURES AND REQUIRED LEVEL OF ACHIEVEMENT

The following programs receive Satisfactory Progress Evaluations in both attendance and academics.

Cosmetology 1000 clock hours

Barbering 1000 clock hours

Esthetics 600 clock hours

The Satisfactory Progress Evaluation will occur when students reach the following actual hours and academic weeks:

Program Name	1st SAP Evaluation Period Ends	2nd SAP Evaluation Period Ends	3rd SAP Evaluation Period Ends
Cosmetology (20 hour schedule)	450 actual hours and 23 weeks	900 actual hours and 45 weeks	N/A

Program Name	1st SAP Evaluation Period Ends	2nd SAP Evaluation Period Ends	3rd SAP Evaluation Period Ends
Cosmetology (35 hour schedule)	450 actual hours and 13 weeks	900 actual hours and 26 weeks	N/A
Barbering (20 hour schedule)	450 actual hours and 23 weeks	900 actual hours and 45 weeks	N/A
Barbering (35 hour schedule)	450 actual hours and 13 weeks	900 actual hours and 26 weeks	N/A
Esthetics (20 hour schedule)	300 actual hours and 15 weeks	N/A	N/A
Esthetics (35 hour schedule)	300 actual hours and 9 weeks	N/A	N/A

The first evaluation will occur no later than the midpoint of the academic year. The SAP evaluations are completed within seven (7) school business days of the student reaching the evaluation points.

At the end of each evaluation period, the school will determine if the student has maintained at least 80% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum 125% time frame allowed.

The student's attendance will be evaluated at Institutional Attendance checkpoints at the completion of each calendar month. A student who is not maintaining at least a cumulative of 80% attendance will be placed on Institutional Attendance Warning status until the next Institutional Attendance checkpoint.

The student will be advised in writing on the actions required to attain Institutional Attendance by the next evaluation. Students are allowed to make up hours to meet attendance. Refer to the Make Up Hour Policy. If at the end of the Institutional Attendance warning period, the student has still not met attendance requirements, he/she may be dropped from the program with the right to appeal.

The following grading system is used to evaluate a student's academic ability:

1. Examinations are given in all subjects.
2. If a student receives an UnSatisfactory Academic Progress Evaluation, the Future Professional Advisor will meet in person with the student, the evaluation will be reviewed and signed by the student acknowledging their unsatisfactory status. The evaluation is maintained in the student's financial file. The Satisfactory Academic Progress Evaluation will reflect if the student's evaluation will impact the students eligibility for Financial Aid. The student may request to review their Satisfactory Academic Progress Evaluation from the Financial Services Leader or Future Professional Advisor.

The following grading scale is used for theory progress:

A = 90 – 100% B = 80 – 89% C = 70 – 79% Failing = Below 70%

Practical skills are graded by instructor approval in CourseKey Skills Tracker or guest ticket. A signature from an instructor represents a passing grade, which means all elements of the practical grading criteria were met. No signature indicates a failing score, which means one or more of the practical grading criteria elements were not met and the student has not met minimum satisfactory standards on the practical application. Students are required to continue and/or repeat the practical application until they receive a signature from an instructor.

****The school uses a 900-hour academic year/ 26 academic weeks for Title IV purposes.***

TRANSFER HOURS

Transfer hours accepted by the school are applied to the total number of hours necessary to complete the program and are considered both attempted and completed hours for the purpose of determining when the allowable maximum time frame has been exhausted. Satisfactory Academic Progress evaluation periods are based on scheduled contracted hours at the institution. For transfer students attending less than a full academic year, an evaluation will be done at the midpoint of the actual hours.

DETERMINATION OF PROGRESS STATUS

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory progress until the next scheduled evaluation.

WARNING

Students failing to meet minimum requirements for attendance and/or academic progress will be placed on Financial Aid Warning and will be considered to be making satisfactory academic progress during the warning period until the next evaluation period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. During the Financial Aid Warning period, students are eligible, if applicable, to receive financial aid funds. If at the end of the warning period, the student has still not met both academic and/or attendance requirements, the student may be placed on probation and, if applicable, the student may be deemed ineligible to receive Title IV funds, if applicable.

RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS

FOR THOSE WHO QUALIFY

Students may re-establish satisfactory academic progress and Title IV funding, as applicable, by meeting the minimum attendance and academic requirements by the end of the warning or probationary period.

REINSTATEMENT OF FINANCIAL AID (FOR THOSE WHO QUALIFY)

Students may re-establish satisfactory academic progress and Title IV funding, as applicable, by meeting the minimum attendance and academic requirements by the end of the warning or probationary period.

PROBATION

Students who fail to meet the minimum requirements for satisfactory academic progress in attendance and academic progress after the Warning period, the student will be placed on probation, if the student appeals the decision, prior to being placed on probation and prevails upon appeal, the student will be considered to be making satisfactory academic progress during the probationary period.

Additionally, only students who have the ability to meet satisfactory academic progress policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period or the institution develops an academic plan for the student that, if followed, will ensure that the student is able to meet the institution's satisfactory academic progress requirements by a specific point within the maximum time frame established for the individual student. Students who are progressing according to their specific academic plan will be considered making satisfactory academic progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation.

If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or set forth by the academic plan, the student will be determined as NOT making satisfactory academic progress, and if applicable, the student will not be deemed eligible to receive Title IV funds.

APPEAL PROCEDURE

A student may appeal the Financial Aid ineligible decision if the student has a reason for not making satisfactory progress and if the student can document that the circumstances that caused the unsatisfactory academic progress determination have in some way changed and that satisfactory academic progress standard can be met by the end of the next evaluation period. A student has ten (10) school days from the date of notification that they are not meeting the second consecutive satisfactory progress determination to appeal the unsatisfactory academic progress determination. The student must submit a written appeal to the school's financial aid office on the designated schools Appeal Form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve satisfactory academic progress by the next evaluation point.

The reasons for which a student may appeal a negative progress determination include death of a relative, an injury or illness of the student, a student's disability, or any other allowable special or mitigating circumstances.

The Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student's file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable.

If the appeal is granted the student will be placed on Financial Aid Probation for one evaluation period. If the student has not met academic and/or attendance requirements for two (2) consecutive evaluation periods, for example 450 to 900 actual hours evaluations; and does not prevail on appeal, the student will be determined as not making satisfactory progress and may be terminated.

STUDENT CONSUMER INFORMATION

STUDENT RIGHT OF ACCESS AND RECORD RETENTION POLICY

The Family Educational Rights and Privacy Act (FERPA) sets a limit on the disclosure of personally identifiable information from school records and defines the rights of students to review and request changes to the records. FERPA generally gives postsecondary students the rights to:

1. Review their education records,
2. Seek to amend inaccurate information in their records, and
3. Provide consent for the disclosure of their records.

Students (or parents or guardians, if the student is a dependent minor) are guaranteed access to their school records, with a staff member present, within 30 days from the date of the request.

GENERAL RELEASE OF INFORMATION

Except under the special conditions described in this policy, a student must provide written consent before the school may disclose personally identifiable information from the student's education records. The written consent must:

1. State the purpose of the disclosure,
2. Specify the records that may be disclosed,
3. Identify the party or class of parties to whom the disclosure may be made, and
4. Be signed and dated.

FERPA DISCLOSURES TO PARENTS

While the rights under FERPA have transferred from a student's parents to the student when the student attends a postsecondary institution, FERPA does permit a school to disclose a student's education records to his or her parents if the student is a dependent student under IRS rules.

Note that the IRS definition of a dependent is quite different from that of a dependent student for Federal Student Aid (FSA) purposes. For IRS purposes, students are dependent if they are listed as dependents on their parent's income tax returns. (If the student is a dependent as defined by the IRS, disclosure may be made to either parent, regardless of which parent claims the student as a dependent.)

A school may disclose information from a student's education records to parents in the case of a health or safety emergency that involves the student without needing the student's consent.

A school may inform parents of students under age 21 when the student has violated any law or policy concerning the use or possession of alcohol or a controlled substance.

A school official may share with parents information that is based on that official's personal knowledge or observation and that is not based on information contained in an education record.

RELEASE OF INFORMATION TO REGULATORY AGENCIES

Disclosures may be made to authorized representatives of the U.S. Department of Education for audit, evaluation, and enforcement purposes. "Authorized representatives" include employees of the Department of Education, such as employees of the Office of Federal Student Aid, the Office of Postsecondary Education, the Office for Civil Rights, and the National Center for Education Statistics, as well as firms under contract to the Department of Education to perform certain administrative functions or studies.

In addition, disclosure may be made if it is in connection with financial aid that the student has received or applied for. Such a disclosure may only be made if the student's information is needed to determine the amount of the aid, the conditions for the aid, or the student's eligibility for the aid, or to enforce the terms or conditions of the aid.

Paul Mitchell The School Costa Mesa provides and permits access to student and other school records as required for any accreditation process initiated by the school or by the National Accrediting Commission of Career Arts and Sciences (NACCAS), or in response to a directive of said Commission.

DISCLOSURES IN RESPONSE TO SUBPOENAS OR COURT ORDERS

FERPA permits schools to disclose education records, without the student's consent, to comply with a lawfully issued subpoena or court order.

In most cases, the school must make a reasonable effort to notify the student who is the subject of the subpoena or court order before complying, so the student may seek protective action. However, the school does not have to notify the student if the court or issuing agency has prohibited such disclosure.

The school may also disclose information from education records, without the consent or knowledge of the student, to representatives of the U.S. Department of Justice in response to an ex parte order issued in connection with the investigation of crimes of terrorism.

DISCLOSURES FOR OTHER REASONS

There are two FERPA provisions concerning the release of records relating to a crime of violence. One concerns the release to the victim of any outcome involving an alleged crime of violence (34 CFR 34 CFR 99.31[a][13]). A separate provision permits a school to disclose to anyone the final results of any disciplinary hearing against an alleged perpetrator of a crime of violence in which that student was found in violation of the school's rules or policies with respect to such crime or offense (34 CFR 99.31[a][14]).

DIRECTORY INFORMATION

Paul Mitchell The School Costa Mesa does not publish "directory information" on any student.

RECORD MAINTENANCE

All requests for releases of information are maintained in the student's file as long as the educational records are kept. Student records are maintained for a minimum of six (6) years for withdrawal students; transcripts of graduates are kept indefinitely. *The student may contact the schools Financial Services Leader or School Director for copies of his or her educational and financial records.*

AMENDMENT TO STUDENT RECORDS

Students have the right to seek an amendment to their school records. To seek an amendment, students must meet with the School Director and bring any supporting documentation to show that the record is incorrect.

A parent or eligible student may file a written complaint with the Family Policy Compliance Office regarding an alleged violation under the Family Educational Rights and Privacy Act. The Office's address is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW., Washington, DC 20202.

PERFORMANCE STATISTICS

Paul Mitchell The School Costa Mesa is a main campus accredited by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and recognized by the U.S. Department of Education. Each agency requires schools to provide important information regarding outcome rates in the areas of graduation, placement, and licensure; however,

each agency requires that we provide outcome rates differently. NACCAS requires schools to list the outcome rates for the main campus and all additional campuses as a whole. In this case, Paul Mitchell The School Costa Mesa is a main campus and the outcome rates provided are for all schools under this structure. NACCAS requires schools to list the outcome rates also by a related program. The U.S. Department of Education requires outcome rates be provided based upon this individual location which is listed below. Paul Mitchell The School Costa Mesa must prepare the graduation rate of its certificate- or degree-seeking, first-time, full-time undergraduate students each year. The annual rates are based on the 12-month period that ended August 31

of the prior year. The rates will track the outcomes for students for whom 150 percent of the normal time for completion or graduation has elapsed. Normal time is the amount of time necessary for a student to complete all requirements for a degree or certificate according to the institution's catalog. These rates are generated from the school student record management system and are combined rates.

SCHOOL STANDARDS & POLICIES

POLICY AND PROCEDURES FOR FUTURE PROFESSIONALS WITH DISABILITIES

1. Policy Statement

Paul Mitchell The School Costa Mesa (“The School”) is committed to complying with Section 504 of the Rehabilitation Act and the Americans with Disabilities Act – Federal laws that prohibit discrimination on the basis of disability. The School does not discriminate against future professionals with disabilities in regard to application, acceptance, grading, advancement, training, discipline, graduation, or any other aspect related to a future professional’s participation in a program of The School. This policy applies to all future professionals and applicants for admission to The School. The School will provide reasonable accommodations to future professionals with disabilities.

2. Definitions

Accommodation means a modification or adjustment to the education environment that will enable a qualified applicant or future professional with a disability to participate in The School’s education program. Accommodation also includes adjustments to assure that a future professional with a disability has rights and privileges in education equal to those of future professionals without disabilities.

ADA/504 Compliance Coordinator means the official of The School responsible for determining and coordinating reasonable accommodation, modification, and/or auxiliary aids and services for prospective, admitted, or enrolled future professionals.

Auxiliary Aids and Services means accommodations that enable effective communication in the educational setting. Auxiliary aids and services may include interpreters, notetakers, ergonomic aids, or enlarged text and real-time closed captioning.

Future Professional means any individual who has accepted an offer of admission, or who is registered or enrolled in coursework, and who maintains an ongoing educational relationship with The School.

Individual with a Disability means a person with a physical or mental impairment that substantially limits a major life activity; has a record of such impairment; or is regarded as having such an impairment. The determination of whether a future professional has a physical or mental impairment that substantially limits a major life activity will be made on a case-by-case basis.

Qualified Future Professional with a Disability means a future professional with a disability who meets the academic and technical standards required for admission and participation in educational program(s) and activities and who has been approved by The School for reasonable accommodations.

3. Procedures and Responsibilities

The School will provide reasonable academic adjustments, auxiliary aids and services, and accommodations to applicants for admission and qualified future professionals with disabilities to ensure applicants and future professionals are not denied the benefits of, or excluded from participation in, The School’s educational program. The School will make necessary modifications to academic requirements to ensure that academic requirements do not discriminate against qualified future professionals with disabilities. The School will also ensure that future professionals with disabilities have physical access to The School and use of service animals.

The School employee responsible for implementing these procedures is:

Ashley Dubrock
ADA/504 Compliance Coordinator
3309 Hyland Avenue, Suite J,

Costa Mesa, CA 92626
(714) 546-8786
adubrock@costamesa.paulmitchell.edu

When a future professional informs a staff member that the future professional has a disability, or needs accommodations or assistance due to a disability, the staff member will refer the future professional to The School's ADA/504 Compliance Coordinator. Learning Leaders should not honor requests for accommodations that have not been approved by the ADA/504 Compliance Coordinator ("the Coordinator").

FUTURE PROFESSIONAL ELIGIBILITY FOR ACCOMMODATION

Applicants for admission and qualified future professionals with disabilities who wish to request reasonable accommodations (including campus tours, orientation, academic adjustments, auxiliary aids and services, or modifications) must contact the Coordinator and complete the Disability Verification Form. Future professionals must provide documentation of their disability from an appropriate professional, which depends on the nature of the disability. For example, a future professional with a psychological disability should provide documentation from a psychologist, psychiatrist, or social worker. The documentation submitted must reflect a date within the past twelve months; if the documentation is older than twelve months, the future professional must provide current documentation to continue their request for accommodations.

The Coordinator has the discretion to determine the type of documentation necessary to establish the present level of the future professional's disability and its impact on the future professional's needs in the education setting. Any costs related to the initial documentation will be the responsibility of the future professional.

All documentation related to an accommodation request, including medical documentation, is treated as confidential, and maintained by the Coordinator in accordance with the Records Retention Policy. Access to these files will be limited to those individuals who need to be informed regarding necessary accommodations or other services.

INTERACTIVE PROCESS TO REQUEST ACCOMMODATIONS

Future professionals who plan to request accommodations should contact the Coordinator promptly to ensure adequate time for the Coordinator to review the future professional's documentation before the future professional begins the class or program for which the accommodation is requested. The Coordinator will keep a record of the dates and contacts with the future professional, including a record of the accommodation(s) requested by the future professional. Future professionals who have questions about the type of documentation they need to provide should contact the Coordinator to discuss acceptable documentation.

The Coordinator will schedule a meeting with the future professional to discuss their request for accommodation(s). The future professional and the Coordinator will discuss how the future professional's disability impacts them, how the future professional expects the disability to impact them in The School's program, the type of accommodation(s) the future professional has previously received (if any), and the accommodation(s) being requested. The Coordinator and the future professional will discuss which accommodations are needed during all phases of their educational program (Core, Adaptive, and Creative), and for classroom instruction, skills-based instruction, and skills practice.

To qualify, the documentation must show the nature of the future professional's disability and how it limits a major life activity. The accommodation(s) requested by the future professional should be related to these limitations. There are no pre-set accommodations for specific disabilities. Instead, the Coordinator and the future professional will discuss and determine what the future professional's limitations are, and how they can be accommodated.

EXAMPLES OF ACCOMMODATIONS

- A future professional with an orthopedic disability may need a cushioned floor mat, scheduled time to sit, or a particular type of chair.

- A future professional with a learning disability may need extended time to take tests in a location that has reduced distractions, like an office instead of a classroom.
- A future professional with a learning or psychological disability may need a note taker, a copy of the Learning Leader's notes or presentation, or use of a recording device during instruction.
- A future professional with a hearing impairment may need Learning Leaders to use voice amplification systems or may need The School to provide a sign language interpreter.

DETERMINATION AND NOTIFICATION REGARDING ELIGIBILITY

The Coordinator will determine the accommodation(s) to be provided to the future professional. The Coordinator will consider past accommodations that have been effective for the future professional and will give primary consideration to the type of accommodation requested by the future professional. Alternate accommodations may be provided if they are equally effective for the future professional.

The Coordinator will determine appropriate accommodations typically no later than ten (10) business days after the future professional submits their request for accommodations and relevant documentation. If the future professional does not submit appropriate documentation at the time the future professional requests an accommodation, the Coordinator will determine appropriate accommodations no later than ten (10) business days after the future professional provides appropriate documentation.

The Coordinator will provide the future professional with written notice regarding the determination and any approved accommodation(s) and/or auxiliary aids/services. The Coordinator will communicate the future professional's accommodation(s) to the appropriate Learning Leader(s) and staff. Notification to Learning Leaders and staff will specify which accommodation(s) they are responsible for providing, to whom they will be provided, how to provide the accommodation(s), and when to provide the accommodation(s).

The Coordinator will maintain written records of the interactive process and notifications of eligibility. The Coordinator will verify and ensure that all approved accommodation(s) are implemented. If the future professional informs the Coordinator that an accommodation is not being fully implemented, the Coordinator will immediately intervene to ensure the accommodation is provided to the future professional.

Future professionals with approved accommodations will have a follow-up meeting with the Coordinator if the future professional's program is expected to change. The purpose of the meeting is to determine whether the future professional's accommodation(s) should be altered when the future professional's program phase changes, or the type of instruction changes.

LIMITATIONS

- The School is not required to make adjustments or provide aids or services that would result in an undue burden on The School. In this case, the Coordinator will promptly search for an equally effective alternate accommodation for the future professional that would not unduly burden the program. The Coordinator will offer the alternate accommodation to the future professional.
- The School is not required to alter or modify a course or academic program to the extent that it changes the fundamental nature of the course or program. When the Coordinator determines that a requested accommodation might fundamentally alter or modify a course or academic program, the Coordinator will promptly search for an equally effective alternate accommodation for the future professional and offer the alternate accommodation to the future professional.
- Decisions regarding accommodation or auxiliary aids and services may require consultation with The School's Learning Leaders and/or staff to consider the fundamental nature of a course or academic program or whether the accommodation would impose an undue burden on The School.
- Accommodations are not retroactive.

4. Training and Policy Dissemination

The Coordinator will deliver training sessions for all School staff members at least once each calendar year. In these training sessions, the Coordinator will explain the basic requirements of Section 504 of the Rehabilitation Act and the Americans with Disabilities Act (as amended) as they apply to The School. The Coordinator will provide information regarding:

- The School's responsibility to provide accommodations to future professionals with disabilities and to not penalize future professionals for using approved accommodations.
- How to appropriately interact with future professionals with disabilities.
- How to implement approved accommodations.
- How to support qualified future professionals with disabilities in The School's programs.

The Coordinator will maintain record of each training session. The Coordinator may also provide training for future professionals who wish to learn about The School's process for requesting accommodations or The School's grievance procedures.

The Coordinator will publish this policy and procedures on its website and in each handbook or catalog provided to applicants for admission, future professionals, and employees.

5. Grievance Procedure

The School is committed to working with future professionals with disabilities to resolve disagreements regarding the need for and/or implementation of accommodations. A future professional requesting an accommodation and/or use of auxiliary aids and/or services may file a complaint in accordance with the procedures detailed below.

- **Informal Resolution:** The Coordinator will assist future professionals with disabilities who have concerns about implementation of their accommodations or their treatment by School staff members or other future professionals. At the request of a future professional, the Coordinator will informally mediate or attempt to resolve issues related to the future professional's disability. If this informal process does not resolve the future professional's concerns, the future professional may request a formal resolution or a file a formal complaint.
- **Formal Resolution:** A future professional may request a formal resolution with the Director of The School.
 - To dispute the Coordinator's decision to deny a request for accommodation.
 - To dispute the Coordinator's decision to provide an alternate accommodation rather than the specific accommodation requested.
 - To dispute the Coordinator's determination that the future professional has not presented sufficient documentation to support the requested accommodation.
 - To resolve concerns that the Coordinator failed to effectively address concerns that a School staff member failed to provide an approved accommodation.

The Director will review all materials submitted by the Coordinator and will interview, as necessary under the circumstances, the future professional, the Coordinator, involved School staff, and other individuals who are relevant to the issue. The Director will render a decision in writing to the future professional.

- **Formal Complaint:** if a future professional is not satisfied with the decision reached through formal or informal resolution, a formal complaint may be filed with the Title IX Coordinator. A future professional is not required to exhaust informal and formal resolution methods before filing a formal complaint. For more information see the Protected Class Non-Discrimination Policy and Procedures.

6. Ineligibility

The ADA applies to qualified future professionals with a disability as defined in section 2. Future professionals who do not meet the qualification criteria are not entitled to reasonable accommodation(s). The Coordinator will not issue any communications or directives to Learning Leaders or School staff for future professionals who have not completed the interactive process and been approved for accommodations.

Future professionals who are not eligible for accommodations but still have an issue affecting their academic performance (including temporary illness) may seek assistance from the Future Professional Advisor who will respond to requests in accordance with established School policies.

Learning Leaders are not to provide accommodations to future professionals without the prior approval of the Coordinator.

This policy and procedures are effective June 9, 2022.

STUDENT BIOMETRIC INFORMATION PRIVACY POLICY

Paul Mitchell The School Costa Mesa records attendance in clock hours. To ensure proper clock hours are credited, students are required to clock in and out utilizing a biometric scanner in accordance with the Course Key policy. Biometric scanners are computer-based systems that scan a student's finger or facial identifier for purposes of identification. The biometric data shall be permanently removed from the records of the School's vendors and licensors in accordance with the retention schedule set forth herein.

DISCLOSURE AND AUTHORIZATION

Each student will be required to sign the Release and Consent to Use of Biometric Data as a condition of his/her enrollment with the School. The School and its time clock vendors will not sell, lease, trade, or otherwise profit from students' biometric data; provided, however, that the School's time clock vendor will be paid for products or services used by the School that utilize such biometric data. The School will not disclose or disseminate any biometric data to anyone other than its time clock vendors without first obtaining student's written consent to such disclosure or dissemination unless disclosure or redisclosure is required by state or federal law or municipal ordinance or required pursuant to a valid warrant or subpoena issued by a court of competent jurisdiction.

RETENTION SCHEDULE

The School shall retain a student's biometric data only until, and shall require that its time clock vendors permanently destroy such data when, the first of the following occurs:

or
2. Within 3 years of the student's last interaction with the School.

DATA STORAGE

The School and its time clock vendors shall use a reasonable standard of care to store, transmit and protect from disclosure any paper or electronic biometric data collected. Such storage, transmission, and protection from disclosure shall be performed in a manner that is the same as or more protective than the way the School or its time clock vendors transmit and protect from disclosure other confidential and sensitive information, including personal information that can be used to uniquely identify an individual or an individual's account or property, such as driver's license numbers and social security numbers.

ANTI-BULLYING POLICY

1. Purpose: Paul Mitchell The School Costa Mesa ("School") is committed to maintaining a working and learning environment that provides for a safe and inclusive environment that is free from bullying, harassment, and intimidation.
2. Scope: This policy applies to anyone who engages in bullying, harassment, and intimidation on School property, at School activities, or through electronic communication (via cell phones, computers, or other electronic devices) using School resources, including School-provided internet or online learning platforms. As described below in Item 8, conduct that is prohibited by federal law is addressed by the School's Anti-Discrimination, Harassment, and Retaliation Policy.
3. Definitions:
 - a. Bullying, Harassment, and Intimidation: Any severe or pervasive physical, written, or verbal act or conduct (including electronic communications) by one individual or a group of individuals that has or can reasonably be predicted to have the effect of one or more of the following:
 - i. Causing a reasonable person to feel scared or fear harm to themselves or their property;
 - ii. Causing a reasonable person to experience a detrimental effect on their physical or mental health;
 - iii. Causing a reasonable person to experience interference with their academic performance; or
 - iv. Causing a reasonable person to experience interference with their ability to participate in or benefit from the services, activities, or privileges provided by the School.

- b. Retaliation: An adverse action taken by threatening, intimidating, coercing, harassing, or discriminating against any individual for the purpose of interfering with any right or privilege secured by law or policy or because the individual has made a report, complaint, testified, assisted, participated, or refused to participate in a manner in an investigation, proceeding, or hearing under this policy.
4. Prohibited Conduct:
 - a. Students and staff may not engage in behavior that constitutes bullying, harassment, and intimidation as defined in this policy. Such behavior includes, but is not limited, to direct physical contact like hitting or shoving, damaging or destroying a person's work product or personal property, verbal or written attacks like name calling or teasing, social isolation or manipulation, and cyberbullying.
 - b. Students and staff may not engage in retaliation against an individual for reporting behavior that may violate this policy or participating in an investigation pursuant to this policy.
 5. Investigation: Allegations of any policy violation will be investigated and handled appropriately based upon the findings. The Director or a designee will review the reported behavior and speak to the necessary individuals and collect the necessary information to determine if it is more likely than not (greater than a 50% chance) that the prohibited behavior occurred. In certain circumstances, it will be possible to address the behavior informally. An informal response may include coaching, mediation, or other informal resolution options. Administration will take prompt, equitable, and remedial action (including but not limited to requiring sensitivity training, probation, suspension, expulsion, or termination) on all reports and complaints that come to the attention of School personnel, either formally or informally. The School may also provide supportive measures to the reporting party to address the effects of the bullying, harassment, and intimidation.
 6. Sanctioning: If an individual or group of individuals has been determined based on a preponderance of the evidence standard to have engaged in behavior that violates this policy, the responsible individual(s) may be subject to disciplinary action up to and including termination. It is important to note that termination may not result from every report or finding of behavior that violates this policy. An individual may also have their access to School property restricted. The School will also determine if it is appropriate to provide supportive measures to the reporting party. In certain circumstances the School may not have the ability to sanction the responsible party (i.e., third-parties, former students and staff), but could still provide supportive measures to the reporting party. If warranted, the School will report any criminal activity to the appropriate law enforcement agency.
 7. Reporting: The School expects students and/or staff to immediately report incidents of bullying, harassment, and intimidation to the Director. Staff who witness or become aware of such acts should take immediate steps to intervene when it is safe to do so. Each report of bullying will be promptly investigated. Employees who fail to take prompt action to report allegations or violation(s) of this policy may be subject to disciplinary action up to and including termination.
 8. Related Policies: Any conduct that is based on a protected class status (race, color, national origin, sex, disability, etc.) is covered by the Protected Class Non-Discrimination Policy and Procedures. However, to the extent that the conduct does not rise to the level of conduct covered by the Protected Class Non-Discrimination Policy and Procedures, this policy will apply.
 9. Privacy: The School will respect the privacy of the reporting party and the individual(s) against whom the complaint is filed to the extent possible, consistent with the School's legal obligations, state laws and policies, and the necessity to investigate the allegations and take disciplinary and/or restorative action to resolve the problem. The School will also respect, to the extent possible, requests for confidentiality made by the reporting party.

COPYRIGHT INFRINGEMENT POLICY

This policy applies to those who use Paul Mitchell The School Costa Mesa's network or equipment to share files, including, the school's faculty, staff, students, guests, external individuals, and organizations accessing network services via the school's networking or computer facilities.

This copyright policy also includes the use of streaming services within the school network such as Netflix, Hulu, YouTube, Spotify, Pandora, or any other similar services.

Copyright is legal protection of intellectual property, in whatever medium, that is provided for by the laws of the United States to the owners of copyright. Types of works that are covered by copyright law include, but are not limited, to literary, dramatic, musical, artistic, pictorial, graphic, film, and multi-media works. This protection extends to software, digital works, and unpublished works and it covers all forms of a work, including its digital transmission and subsequent use.

This is in accord with the Digital Millennium Copyright Act (DMCA), which provides educational institutions with some protections if individual members of the community violate the law. For the school to maintain this protection, it must expeditiously take down or otherwise block access to infringing material whenever it is brought to the attention of the organization. If the school receives an allegation of copyright infringement based on your use of the school's networking or computers, the matter will be referred to the school director for further investigation.

The following are some examples of copyright infringement that may be found in a school setting:

- Streaming personal TV/Movies from streaming platforms such as Netflix, Hulu, YouTube TV, Disney Plus or similar platform is a violation of Copyright Law, as the agreement made is not between the Streaming Service and the School, but the Streaming Service and the individual.
- Sharing, taking a picture of, digitally posting, downloading, or distributing the proprietary curriculum, educational systems, and supporting digital or printed assets and tools (apps and printed materials such as books or guides) created and owned by Paul Mitchell Advanced Education.

- A physical or electronic signature of the copyright owner or the person authorized to act on its behalf.
- A description of the copyrighted work claimed to have been infringed.
- A description of the infringing material and information reasonably sufficient to permit us to locate the material.
- Your contact information, including your address, telephone number, and email.
- A statement by you that you have a good faith belief that use of the material in the manner complained of is not authorized by the copyright owner, its agent, or the law; and
- A statement that the information in the notification is accurate, and, under the pains and penalties of perjury, that you are authorized to act on behalf of the copyright owner.

Please note, the School may not be able to act on your complaint promptly or at all if you do not provide this information.

Upon notification or due to detection, the School will take all necessary actions, including, but not limited to, temporary disconnection from internet access, to stop illegal sharing of copyrighted material on its network or computing devices by identified users.

Corrective actions can range from a written reprimand to termination from the School in the case of a student, or termination from employment in the case of an employee, depending on the nature and severity of the charges.

The consequences of copyright infringement also extend outside of the school. Summary of Civil and Criminal Penalties for Violation of Federal Copyright Laws Copyright infringement is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the Copyright Act (Title 17 of the United States Code). These rights include the right to reproduce or distribute a copyrighted work. In the file sharing context, downloading, or uploading substantial parts of a copyrighted work without authority constitutes an infringement. Penalties for copyright infringement include civil and criminal penalties.

In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or “statutory” damages affixed at not less than \$750 and not more than \$30,000 per work infringed. For “willful” infringement, a court may award up to \$150,000 per work infringed. A court can, in its discretion, also assess costs and attorneys’ fees. For details, see Title 17, United States Code, Sections 504, 505. Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to \$250,000 per offense.

GRIEVANCE PROCEDURE

This Grievance Procedure will be used to process a written grievance or complaint concerning any other grievance, not covered by the above Protected Class Non-Discrimination Policy and Procedures and Anti-Bullying Policies that a Future Professional feels have been left unresolved against a Future Professional, employee, or third-party. The grievance or complaint will be referred to the School Director and/or School Owner. The following grievance procedures shall be used to address a grievance filed by Future Professionals for complaints filed on their behalf against employees, other Future Professionals, or third parties. A copy of the Grievance form may be obtained from the School’s Director.

In order to facilitate the investigation, the complaint must include details of the incident or incidents, dates and times, names of the individuals involved, and names of any witnesses. A complaint should be filed within two (2) business days from the date of the alleged incident to allow the school to take timely and appropriate action. The complaint

once received will be maintained in the Director's office, which has limited staff access. The school Director has the responsibility of investigating the complaint allegations; however, if it is in the best interest of the parties involved the school may choose to designate another individual to follow this process.

The time necessary to conduct an investigation will vary based on complexity of the allegation(s) but will generally be completed within fourteen (14) days of receipt of the complaint. If a Grieving Party requests confidentiality, the school will take all reasonable steps to investigate and respond to the Grievance consistent with the request. If a complainant insists that his or her name or other identifiable information not be disclosed to the party alleged to have engaged in the behavior, the school will inform the Grieving Party that its ability to respond may be limited.

The Director will begin the process outlined in this policy below.

Handling of Allegations

The school will investigate all complaints received. The school's grievance procedures are designed to ensure that the complaint process is free from conflicts of interest.

1. The individual completes the Future Professional Grievance Form and returns it to the School Director.
2. The Director or designee will determine if the Grievance has merit and is appropriately filed under this policy. If another policy is implicated, the Director or designee may transfer the Grievance to the appropriate resolution process. The Director or designee may also transfer matters filed under other procedures to this Grievance Procedure if appropriate.
3. Upon determination that the Grievance has merit and is appropriately filed, the Director or designee will conduct an initial inquiry into the facts surrounding the Grievance. After that initial inquiry, the Grievance may be dismissed for lack of merit, resolved through an Amicable Conclusion, or through an Investigation as outlined below. The Director or designee will consult with the person(s) filing the Grievance and consider their wishes in choosing the mechanism(s) for handling the Grievance. The decision for addressing a Grievance (informal or investigation) is at the discretion of the Director and is not appealable.
4. Amicable Conclusion: the Director or designee will work to identify a resolution acceptable to the School, any other involved party, and Grieving Party. If the Grieving Party accepts the resolution, the Director will work to implement the solution. If the Grieving Party does not accept the resolution identified, they may request an Investigation. If the information found in the initial inquiry does not support further investigation, and the reported issue can be addressed through action by the School, the Director may decline to take an investigation. If a matter is resolved via Amicable Resolution, it will not be investigated or reopened, unless there is substantial new behavior or information.
5. Investigation: the Director or designee will take the necessary steps to gather relevant information. They will then identify the outcome of the Grievance Investigation briefly in writing, and identify the actions (if any) determined necessary to address the reported behavior for the file. The Grieving Party, Witnesses, and/or any accused parties will be notified of the general outcome of the investigation, but may not be able to have details about the actions taken due to Future Professional (student) privacy laws, employment laws, and/or other relevant laws or policies.
6. Future Professionals will not be subject to retaliation for filing a complaint. If a Future Professional feels that they have been retaliated against for reporting a matter covered by this Grievance Procedure, they may submit a written grievance under this policy.
7. There is not an appeal of any decision made under this policy, unless a Future Professional is terminated based upon the investigation. In that instance, any appeal allowed under the Code of Conduct would apply.

Students should follow the above process; however, the student may, at any time, file a complaint with the school's accrediting agency, the state licensing agency or the U.S. Department of Education.

V. **Protected Class Discrimination Mandated Reporting**

Mandated Reporters

All School employees (including employees who are also students) are Mandated Reporters[1] and are expected to promptly report all disclosed details or actual or suspected protected class discrimination, harassment and/or retaliation to the Title IX Coordinator. The School does not have any confidential employees, therefore all employees are obligated to follow their Mandated Reporter obligations. There are some limited exceptions.

Certain types of privilege – such as attorney-client or spousal privilege - may exist between employees, though such instances are relatively limited. In the event that a legally recognized privilege exists, the Mandated Reporter does not need to report the information consistent with the Mandated Reporter policy, however the employee will provide the Complainant with the Title IX Coordinators contact information and offer options and resources without any obligation to inform an outside agency (except as required by state or federal law, e.g.: child abuse).

When a disclosure occurs at public awareness events, such as “Take Back the Night” marches or speak-outs, or through a School sponsored online platform (such as a College social media page), Mandated Reporters are required to share these disclosures with the Title IX Coordinator. Upon receipt, the Title IX Coordinator is not required to act in response to those disclosures unless the disclosure indicates an imminent and serious threat to the health or safety of a complainant, student, employee, or other person. Regardless, the Title IX Coordinator will collect information related to any such disclosures to help inform the College's efforts to prevent sex-based harassment.

Supportive measures may be offered as a result of the mandated report, and do not always trigger an investigation or process being taken by the School.

Information shared with the Title IX Coordinator

Individuals may want to carefully consider whether to share personally identifiable details with Mandated Reporters, as those details must be shared with the Title IX Coordinator.

If a Complainant expects the School to initiate a process under this Policy and Procedure, we strongly recommend reporting directly to the Title IX Coordinator, however, reporting to any Mandated Reporter will also result in the information being reported to the Title IX Coordinator. The Title IX Coordinator can connect the Complainant with resources to report alleged crimes and/or Policy violations. There are times when the police may also be notified, if desired by the Complainant, based on the circumstances of the situation or if required by law.

Confidential Resources External to the School

Complainants may speak with individuals unaffiliated with the School without concern that Policy will require them to disclose information to the institution without permission: Licensed professional counselors and other medical providers, Local rape crisis counselors, Domestic violence resources, Local or state assistance agencies, Clergy/Chaplains, and Attorneys.

These external parties are not required to report actual or suspected discrimination, harassment, or retaliation back to the School.

[1] This includes any employee who has the authority to take action to redress sexual harassment unless otherwise exempted. CA Educ. Code § 66281.8.

VI. Pregnancy

Please see the Pregnancy Policy in the Student Catalog.

VII. Disability Discrimination and Accommodation Policy

A. Overview

The School is committed to full compliance with the Americans with Disabilities Act of 1990 (ADA), as amended, and Section 504 of The Rehabilitation Act of 1973, which prohibit discrimination against qualified persons with disabilities, as well as other federal, state, and local laws and regulations pertaining to individuals with disabilities.

The ADA (Americans with Disabilities Act of 1990, as amended)

Under the ADA and its amendments, a person has a disability that may qualify them for reasonable accommodation if they have a physical or mental impairment that substantially limits a major life activity.

The ADA also protects individuals who have a record of a substantially limiting impairment or who are regarded as disabled by the School, regardless of whether they currently have a disability. A substantial impairment is one that significantly limits or restricts a major life activity such as seeing, hearing, speaking, breathing, performing manual tasks, walking, or caring for oneself.

The School has a publicly available Policy and Procedures for Future Professionals with Disabilities that outlines the way for a Future Professional to request accommodations. Most of the time, for individuals with hidden disabilities, such as learning disabilities, mental disorders, or chronic health conditions, it is reasonable and appropriate for the School to request current documentation that allows the School to establish the validity of the request for accommodations and identify what accommodations are reasonable through the interactive process.

Section 504 of the Rehabilitation Act of 1973

Section 504 is not part of the ADA; however, it protects similar rights for disabled people. Section 504 prohibits discrimination against people with disabilities and programs and activities funded by federal agencies this includes private post-secondary schools like this one.

B. ADA and 504 Coordinator Contact Information

The School has designated the following individuals who are responsible for the oversight of efforts to comply with these disability laws, including responding to grievances and conducting investigations of any allegation of noncompliance or discrimination based on disability.

The ADA/504 Coordinator (responsible for reasonable accommodations) is:

Ashley Dubrock
3309 Hyland Avenue, Suite J, Costa Mesa, CA 92626
(714) 546-8786
adubrock@costamesa.paulmitchell.edu

Grievances related to disability status and/or accommodations will be addressed using the school's policies and procedures for students with disabilities.

For details relating to disability accommodations in the school's grievance procedures please see the ADA Disability Policy in the Catalog and on the School's Website.

Future Professionals with Disabilities Generally

The School is committed to providing qualified Future Professionals with disabilities with reasonable accommodations and support needed to ensure equal access to the School's academic programs, facilities, and activities. Please understand that the School's obligation and ability to provide accommodations may be different than what was provided in their K-12 schooling. For information related to these differences, please see this resource from the Department of Education. <https://www2.ed.gov/about/offices/list/ocr/transition.html>

Future Professionals with disabilities who wish to request reasonable accommodation (including academic adjustments, auxiliary aids, or modifications) must contact the school's ADA Coordinator. Future Professionals are required to provide documentation of their disability from a professional who has diagnosed and or treated their disability. The documentation submitted must be current.

Reasonable accommodations are made on an individualized basis. The School's Title IX Coordinator will review the documentation provided by the Future Professional and, in consultation with the Future Professional, will determine within ten (10) days which accommodations are reasonable and appropriate for the Future Professional, based on their need within the academic

Disability Accommodations in the Nondiscrimination Process

The School is committed to providing reasonable accommodations and support to qualified future professionals, employees, and others with disabilities to ensure access to the schools non-discrimination process.

IX. Where and When Does This Policy Apply

A. Scope

As related to Title IX, and allegations on the basis of sex discrimination or sexual harassment, this Policy only applies for alleged incidents that occur after August 1, 2024. For alleged incidents of sexual harassment occurring Before August 1, 2024, the policy and procedures in place at the time of the alleged incident apply. Applicable versions of those policies and procedures are available from the Title IX Coordinator of the School Director.

This Policy applies to all employees, students, and other individuals participating in or attempting to participate in the School's program or activities including education and employment.

This Policy prohibits all forms of discrimination that is based on the protected characteristics listed in the Notice of Nondiscrimination. The Nondiscrimination Procedures may be applied to incidents and/or, patterns at the School, all of which may be addressed in accordance with this Policy. The School's primary concern is student and employee safety, and the core purpose of this policy is the prohibition of all forms of discrimination.[2]

B. Jurisdiction

This Policy applies to:

- The School's education programs and activities (this is defined as including locations, events or circumstances where the School exercises substantial control over both the Respondent and the context where the conduct occurred);
- When the School has disciplinary authority; and
- Misconduct that occurs within a building owned or controlled by a School recognized student organization.

1. *Off Campus Applicability*

This policy may also apply to the on-campus impacts of off-campus misconduct that limit or deny a person's access to the School's education program or activities. The School may also extend jurisdiction to off-campus and/or to online conduct when the conduct impacts a substantial School Interest. A substantial School interest includes, but is not limited to:

- a. Any action that would be a criminal offense as defined by law. This includes but is not limited to single or repeat violation of any local state or federal law.
- b. Any situation in which it is determined that the Respondent poses an immediate threat to the physical health or safety of any student, employee, or other individual.
- c. Any situation that significantly impinges upon the rights or property of others, significantly breaches the peace, and/or causes social disorder.
- d. Any Situation that substantially interferes with School's educational interests or mission.

- e. Any complaint alleging sexual harassment that could contribute to a hostile educational environment or interfere with a student's access to education.[3]

2. *When Disciplinary Action is Possible*

For disciplinary action to be issued under this Policy, the Respondent must be a School employee or Future Professional at the time of the alleged incident.

If the Respondent is unknown or is not School community member, the Title IX Coordinator will offer to assist the Complainant in identifying appropriate institutional and local resources and support options, and will implement appropriate supportive measures and/or remedial actions (like removing an unaffiliated individual from campus). The School can also assist in contacting local law enforcement if filing a police report about criminal conduct is desired.

3. *Applicability to Vendors*

All vendors serving the School through third-party contracts are subject to the policies and procedures of their employer.

4. *Respondent's at Another School or Institution*

When a Respondent is enrolled in or employed at another School or Institution, the Title IX Coordinator can assist the Complainant in contacting the appropriate individual at that location, as it may be possible to pursue action under that institution's policies.

5. *Situations Outside of School Settings*

The School is not responsible for behaviors experienced in spaces not owned or controlled by the institution. However, if a Complainant experiences discrimination in an environment outside the School where the sexual harassment or nondiscrimination procedures or that organization may give the complainant recourse, the Title IX Coordinator may be able to assist the Complainant in contacting the correct individuals. If there are effects of the external conduct that impact a student or employee's work or educational environment, the Title IX Coordinator may be able to address the impossible impacts if brought to their attention.

6. *Online Harassment and Misconduct*

The School's policies are written and interpreted broadly to include behaviors that occur in or have an effect on the School's education program and activities or when they involve the use of the School's networks, technology, or equipment—including online manifestations of any of the prohibited behaviors. While the School does not control social media or other outside environments where harassing communications can occur, when reported to the School, if the harassment is found to have an on-campus impact or occurred using School resources, the school may use supportive measures and other means to address and mitigate the effects. If the on-campus impact rises to the level of constituting discrimination under this Policy, the Title IX Coordinator may investigate the alleged discrimination or harassment pursuant to the Resolution Process described below.

Please note that in certain situations, such as off-campus harassing speech by employees either online or in person, the School's response may be limited due to lack of jurisdiction, free speech protections, or other limitations.

X. **Reports or Complaints of Protected Class Discrimination, Harassment, and/or Retaliation**

A. What is a Report?

A Report provides notice to the School of an allegation or concern about protected class discrimination, harassment, or retaliation and provides an opportunity for the Title IX Coordinator to provide information, resources, and supportive measures to the Complainant.

B. What is a Complaint?

A Complaint provides notice to the School that the Complainant would like to initiate an appropriate resolution procedures, which may include an investigation. A Complainant or individual may initially make a Report and may decide at a later time to make a Complaint.

C. How do I make a Report or Complaint?

Reports or Complaints of protected class discrimination, harassment, and/or retaliation under this Policy may be made using any of the following options:

1. Provide a written document or give verbal Notice directly to the Title IX Coordinator. Such a Report or Complaint may be made at any time (including during non-business hours) by using the telephone number, email address, or by mail to the office of the Title IX Coordinator listed in this Policy.
2. Anonymous Notice is accepted, but the Notice may give rise to a need to try to determine the Parties' identities. Anonymous Notice typically limits the School's ability to investigate, respond, and provide remedies, depending on what information is shared. Measures intended to protect the community or redress or mitigate harm may be enacted. It also may not be possible to provide supportive measures to Complainants who are the subject of anonymous Notice.
3. Mandated Reporting: in addition, if you disclose to a mandated reporter, they will share information as needed with the Title IX Coordinator.

D. What happens if I make a report?

Reporting carries no obligation to initiate a Complaint, and in most situations, the School is able to respect a Complainant's request to not initiate a resolution process. However, there may be circumstances, such as pattern behavior, allegations of severe misconduct, or a compelling threat to health and/or safety, where the School may need to initiate a resolution process. If a Complainant does not wish to file a Complaint, the School will maintain the privacy of information to the extent possible. The Complainant should not fear a loss of privacy by giving Notice that allows the School to discuss and/or provide supportive measures, in most circumstances.

E. Amnesty for Other Policy Violations (including drugs and alcohol)

1. What is Amnesty?

To encourage reporting and participation in the process, School maintains a Policy of offering Parties and witnesses amnesty from minor policy violations, such as underage alcohol consumption or the use of illicit drugs, related to the incident. Granting amnesty is a discretionary decision made by the School, and amnesty does not apply to more serious allegations, such as physical abuse of another or illicit drug distribution.

2. Why does the School offer Amnesty in some situations?

The School community encourages the reporting of misconduct and crimes by Complainants and witnesses. Sometimes, Complainants or witnesses are hesitant to give Notice to School officials or participate in resolution processes because they fear that they themselves may be in violation of certain policies, such as underage drinking or use of illicit drugs at the time of the incident. Respondents may hesitate to be forthcoming during the process for the same reasons.

It is in the best interests of the School community that Complainants choose to give Notice of misconduct to School officials, that witnesses come forward to share what they know, and that all Parties be forthcoming during the process.

3. Who qualifies for amnesty?

Students and Employees may qualify. Amnesty may be granted to Parties and Witnesses on a case by case basis.

Students are hesitant to assist others for the fear that they may get in trouble themselves (for example an underage student who has been drinking may hesitate to take an individual who has experienced sexual assault to the School).

Because of this, the School maintains a policy of amnesty for Students who offer help to others in need. While policy violations cannot be overlooked, the school may provide purely educational options with no official disciplinary finding rather than sanctions under the Advisory policy, to those who offer their assistance to others in need.

For employees, they may be hesitant to report protected class discrimination, harassment, and retaliation they have experienced for fear that they may get in trouble. For example, an employee who has violated the unethical relationship policy and is then assaulted in that relationship may hesitate to report that incident to School officials. Again, policy violations cannot be overlooked, but the school may provide educational options and documentation with no official disciplinary action.

In instances where the violation is severe or wide reaching, like physical abuse or illegal drug distribution, the amnesty policy will not apply.

F. Time Limits on Reporting

There is no time limit to when you can provide a Notice or Complaint to the School. However, if the Respondent is no longer subject to the School's disciplinary authority and/or significant time has passed, the ability to investigate, respond, and/or provide remedies may be more limited or impossible.

Acting on Notice or Complaints significantly impacted by the passage of time (including, but not limited to, the rescission or revision of Policy) is at the Title IX Coordinator's discretion; the Title IX Coordinator may document allegations for future reference, offer supportive measures and/or remedies, and/or engage in informal resolution or the Administrative Resolution Process as appropriate.

XI. Prevention and Outreach Programs

The School has implemented comprehensive prevention and outreach programs to address issues of sexual harassment, sexual violence, domestic violence, dating violence, and stalking. These programs include, but are not limited to, information about the School's policies and procedures, rights and responsibilities, the practical implications of an affirmative consent standard, empowerment programming, awareness raising campaigns, primary prevention, bystander intervention, and risk reduction programs. Prevention and outreach programs are included as part of incoming student programming and new employee orientation. In addition, all employees must complete ongoing prevention and intervention training and education.

XII. Supportive Measures

What are Supportive Measures?

Supportive Measures are non-disciplinary, non-punitive individualized services offered as appropriate and reasonably available. They are offered without fee or charge to the Parties, to restore or preserve access to the School's Education Program or Activity. This includes measures designed to protect the safety of all Parties; the School's educational environment; and/or to deter protected characteristic discrimination, harassment, or retaliation. They may not unreasonably burden either party.

When will the School offer Supportive Measures?

The School, through the Title IX Coordinator, will offer and implement appropriate and reasonable Supportive Measures to the Parties upon Notice of alleged protected characteristic discrimination, harassment, and/or retaliation. Complainants do not have to pursue a resolution process for Supportive Measures to be offered or provided. Once a complaint has been made, all Parties will be offered appropriate supportive measures. CA Educ. Code § 66281.8 requires institutions to consider and respond to requests for accommodations relating to prior incidents of sexual harassment that could contribute to a hostile educational environment or otherwise interfere with a student's access to education where both individuals are, at the time of the request, subject to the institution's policies. Any Party can request changes or additional supportive measures, as needed, throughout the resolution process. Depending on the supportive measure, continuing need, and other reasons, supportive measures may continue or stop after a resolution process is complete, at the discretion of the Title IX Coordinator.[4]

When requested by a Complainant or otherwise determined to be appropriate, the School will issue an interim no-contact directive prohibiting the Respondent from contacting the Complainant during the pendency of the investigation. The University will not issue an interim mutual no-contact directive automatically, but instead will consider the specific circumstances of each situation to determine whether a mutual no-contact directive is necessary or justifiable to protect the non-complaining party's safety or well-being, or to respond to interference with an investigation. A no-contact directive issued as a remedy after a decision of responsibility has been made will be unilateral and only apply against the party found responsible. Upon the issuance of a mutual no-contact directive, the School will provide the parties with a written justification for the directive and an explanation of the terms of the directive. CA. Educ. Code, § 66281.8

How do I access Supportive Measures?

The Title IX Coordinator promptly makes supportive measures available to the Complainant upon receiving Notice/Knowledge or a Complaint.

What are some examples of Supportive Measures offered?[5]

Supportive Measures may include, but are not limited to:

- Referral to community-based counseling, medical, and/or other healthcare services
- Referral to community-based service providers
- Student financial aid counseling
- Education to the institutional community or community subgroup(s)
- Altering work arrangements for employees or student-employees
- Safety planning
- Providing campus safety escorts

- Implementing contact limitations (no contact orders) between the Parties^[6]
- Academic support, extensions of deadlines, or other course/program-related adjustments*
- Timely warnings or Emergency Notifications
- Class schedule modifications, withdrawals, or leaves of absence*
- Increased security and monitoring of certain areas of the campus
- Any other actions deemed appropriate by the Title IX Coordinator

*Due to the clock-hour program regulations, we are limited to providing the listed accredited schedules in the School Catalog. These may change at any time. Failure to attend scheduled hours may result in Satisfactory Academic Progress impacts. If those impacts are documented as related to an experience covered under this policy, the Title IX Coordinator—in coordination with the Student—will provide documentation for a SAP appeal.[7]

Who will know about the Supportive Measures?

The School will maintain the confidentiality of the supportive measures, provided that confidentiality does not impair the School's ability to provide those supportive measures. Sometimes the nature of a supportive measure and deviation from established systems will identify to others that a change has been made, however, the person receiving supportive measures is not required to discuss or talk about the supportive measures or why they have changes to their educational environment. The School may also disclose information about Supportive Measures if it is necessary to preserve a party's access to the education program or activity or there is an exception as outlined in applicable regulations.

What if I disagree with the Supportive Measures?

The Parties are provided with a timely opportunity to seek modification or reversal of the School's decision to provide, deny, modify, or terminate supportive measures applicable to them. Any request to modify or reverse the Supportive

Measures must be made in writing to the Title IX Coordinator within three days of the supportive measure decision. In the event that circumstances have substantially changed from the original decision on supportive measures, the Party may also make a request at that time provided that they include the change in circumstance in their request.

The Supportive Measure Review Form is available from the Title IX Coordinator, and should be returned to the Title IX Coordinator.

An impartial reviewer (an employee or other than the person who implemented the supportive measures, who has authority to modify or reverse the decision, will determine whether to provide, deny, modify, or terminate the supportive measures if they are inconsistent with the definition of supportive measures in § 106.2 of the federal Title IX Regulations.

The School, through the impartial reviewer typically renders decisions on the review of supportive measures within seven (7) business days of receiving a request and provides a written determination to the impacted party(ies) and the Title IX Coordinator.

What if I want changes to the Supportive Measures because the circumstances have changed?

The School will also provide the Parties with the opportunity to seek additional modification or termination of supportive measures applicable to them if circumstances change materially. If you believe that this is the case for you, please request the change in writing to the Title IX Coordinator using the Supportive Measure Review Form, and the circumstances that have changed. The request will follow the process above for modification or reversal of the supportive measures. If you would like to request a modification that only impacts you, you may make that request to the Title IX Coordinator outside of this supportive measures appeal process in writing. If the Title IX Coordinator does not agree to the change, you may follow the formalized process above.

[4] CA Educ. Code § 66281.8 requires institutions to consider and respond to requests for accommodations relating to prior incidents of sexual harassment that could contribute to a hostile educational environment or otherwise interfere with a student's access to education where both individuals are, at the time of the request, subject to the institution's policies.

[5] CA Educ. Code § 66281.8 requires institutions to consider and respond to requests for supportive measures relating to prior incidents of sexual harassment that could contribute to a hostile educational environment or otherwise interfere with a student's access to education where both individuals are, at the time of the request, subject to the institution's policies.

[6] Violations of no contact orders or other restrictions may be referred to appropriate process (Future Professional Advisory or for enforcement or added as collateral misconduct allegations to an ongoing Complaint under this Policy).

[7] CA Educ. Code, § 66281.8 requires institutions to outline the possible interim measures that may be in place during the pendency of an investigation, the supportive measures that may be provided in the absence of an investigation, and the disciplinary outcomes, remedial measures, and systemic remedies that may follow a final finding of responsibility. For the remedial, systemic, and disciplinary descriptions, please see the below sections.

XIII. Inclusion Related to Gender Identity/Expression

The School strives to ensure that all individuals are safe, included, and respected in their working and learning environments, regardless of their gender identity or expression, including intersex, transgender, agender, and gender diverse Future Professionals and employees.

Discrimination on the basis of gender identity or expression is not tolerated by the School. If a member of the School community feels they have been subjected to discrimination under this Policy, they should follow the appropriate reporting/Formal Complaint process described above.

In upholding the principles of equity and inclusion, the School supports the full integration and healthy development of those who are transgender, transitioning, or gender diverse, and seeks to eliminate any stigma related to gender identity and expression.

The School is committed to fostering a climate where all identities are valued and create a more vibrant and diverse community. The purpose of this Policy is to have the School administratively address issues some Future Professionals and employees, including those identifying as intersex, transgender, agender, and gender diverse, may confront as they navigate systems originally designed around the assumption that gender is binary. As our society's understanding of gender evolves, so do the School's processes and policies.

Concepts like misgendering and deadnaming may not be familiar to all but understanding them is essential to the School's goal of being as welcoming and inclusive a community as possible.

Misgendering is the intentional or unintentional use of pronouns or identifiers that are different from those used by an individual. Unintentional misgendering is usually resolved with a simple apology if someone clarifies their pronouns for you. Intentional misgendering is inconsistent with the type of community we hold ourselves out to be. We all get to determine our own gender identity and expression, but we do not get to choose or negate someone else's.

Deadnaming, along with misgendering, can be very traumatic to a person who is transgender, transitioning, or gender diverse. Deadnaming means using someone's birth-assigned (cisgender) name, rather than the name they have chosen.

To a person who is transgender, transitioning, or gender diverse, their cisgender identity may be something that is in their past, dead, buried, and behind them. To then revive their deadname could trigger issues, traumas, and experiences of the past that the individual has moved past, or is moving past, and can interfere with their health and well-being.

Again, unintentional deadnaming can be addressed by a simple apology and an effort to use the person's chosen name. Intentional deadnaming could be a form of bullying, outing, or otherwise harassing an individual, and thus should be avoided.

This Policy should be interpreted consistent with the goals of maximizing the inclusion of intersex, transgender, transitioning, agender, and gender diverse Future Professionals and employees, including:

- Maintaining the privacy of all individuals consistent with law
- Ensuring all Future Professionals equal access to educational programming, activities, and facilities, including restrooms
- Ensuring all employees equal access to employment opportunities
- Providing professional development for employees and education for Future Professionals on topics related to gender inclusion
- Encouraging all future employees and employees to respect the pronoun usage and identities of all members of the School's community.

The School has set forth its specific processes for implementing this Policy through the accompanying Title IX-related procedures.

XIV. **Prohibited Conduct**

A. Generally

Students and employees (staff, administrators, educators) are entitled to an employment and educational environment that does not have protected class discrimination, harassment, and retaliation. This Policy and related procedures are not meant to impact educational content or discussions that include relevant but controversial or sensitive subject matters protected by academic freedom.

The sections below describe the specific types of legally prohibited protected class discrimination, harassment, and retaliation that are also prohibited under the School's Policy. When speech or conduct is protected by academic freedom, it will not be considered a violation of the School's Policy, although supportive measures may be offered to those impacted.

B. Attempts

All prohibited conduct definitions below include actual and/or attempted offenses.

C. Combination or Pattern

Any of the below types of prohibited conduct can be noticed or combined as pattern offenses. In the event that a pattern of conduct is being investigated the Notice of Investigation and Allegations (NOIA) will clearly indicate both the individual incidents and the pattern of conduct being investigated. Where a pattern is found, it may enhance sanctioning.

Violation of any other School policies may constitute protected class discrimination or harassment when motivated by actual or perceived protected characteristic(s), and the result is a limitation or denial of employment or educational access, benefit, or opportunity.

D. Climate or Culture

The School reserves the right to address conduct that does not rise to the level of the below definitions of Prohibited Conduct to meet or that is of a generic nature and not based on a protected characteristic in line with other School policies and procedures, including the Advisory Policy. At the discretion of the School, the conduct may be addressed through the disciplinary process, respectful conversation, remedial action, education, or other resolution mechanisms.

- Engaging in sex trafficking;

- Knowingly creating, possessing, or disseminating child sexual abuse images or recordings; or
- Creating or disseminating synthetic media, including images, videos, or audio representations of individuals doing or saying sexually-related things that never happened, or placing identifiable real people in fictitious pornographic or nude situations without their consent (i.e., Deepfakes).

b. Retaliation

- Adverse action, including intimidation, threats, coercion, or discrimination,
- Against any person,
- By the School, a student, employee, or a person authorized by the School to provide aid, benefit, or service under the School's education program or activity,
- For the purpose of interfering with any right or privilege secured by law or Policy, or
- Because the person has engaged in protected activity, including reporting information, making a Complaint, testifying, assisting, or participating or refusing to participate in any manner in an investigation or Resolution Process under the Nondiscrimination Policy and Procedures, including an Informal Resolution process, or in any other appropriate steps taken by the School to promptly and effectively end any protected class discrimination, harassment, or retaliation (including those actions designated as sex discrimination or sex-based harassment) in its education program or activity, prevent its recurrence, and remedy its effects.

The exercise of rights protected under the First Amendment does not constitute retaliation. It is also not retaliation for the School to pursue Policy violations against those who make materially false statements in bad faith in the course of a resolution under the Nondiscrimination Policy. However, the determination of responsibility, by itself, is not sufficient to conclude that any party has made a materially false statement in bad faith.

c. Unauthorized Disclosure^[19]

- Distributing or otherwise publicizing materials created or produced during an investigation or Resolution Process except as required by law or as expressly permitted by the School;^[20] or
- Publicly disclosing a Party's personally identifiable information obtained during an investigation or Resolution Process under this Policy and procedure without authorization or consent.

d. Failure to Comply or Process Interference

- Intentional failure to comply with the reasonable directives of the Title IX Coordinator or other School administrator in the performance of their official duties, including with the terms of a no contact order issued in relation to the Nondiscrimination Policy;
- Intentional failure to comply with emergency removal or interim suspension terms;
- Intentional failure to comply with sanctions;
- Intentional failure to adhere to the terms of an agreement achieved through informal resolution;
- Intentional failure to comply with mandated reporting duties as defined in this Policy;
- Intentional interference with the Title IX resolution process, including but not limited to:
 - Destruction of or concealing of evidence
 - Actual or attempted solicitation of knowingly false testimony or providing false testimony or evidence
 - Intimidating or bribing a witness or party

e. Sanctions for Other Prohibited Conduct Related to Protected Class

Sanctions for the Civil Rights Offenses in this section titled “*Other Prohibited Conduct Based on Protected Classes*” range from a warning or remedial action, through expulsion or termination.

5. *Sanction Ranges*

In the event a Final Determination concludes that conduct violated School Policy, the below chart shows the possible sanctioning ranges for certain offenses. Please note that Sanctions may be assigned outside of the listed range below based on aggravating or mitigating circumstances, or the cumulative conduct record. For a complete list of sanctions, please see Section XXI (6)(a) below.

For more information about Sanctions, please see the Procedures section for this Policy below.

6. *Definitions of Consent, Force, and Incapacitation*^[21]

As used in this Nondiscrimination Policy, the following definitions and understandings apply:

a. Affirmative Consent^[22]

The state definition of consent is “positive cooperation in act or attitude pursuant to the exercise of free will. The person must act freely and voluntarily and have knowledge of the nature of the act and the transaction involved.” A current or previous dating or marital relationship shall not be sufficient to constitute consent where consent is an issue. This definition of consent is applicable to criminal prosecutions for sex offenses in California but may differ from the definition used on campus to address policy violations.

Affirmative Consent is defined as:

- Knowing, and

- Voluntary, and
- Clear permission
- By words or actions
- To engage in sexual activity.^[23]

How is consent evaluated? Proof of consent or non-consent is not a burden placed on either party involved in a Complaint. Instead, the burden remains on the School to determine whether its Policy has been violated. The existence of consent is based on the totality of the circumstances evaluated from the perspective of a reasonable person in the same or similar circumstances, including the context in which the alleged misconduct occurred and any similar and previous patterns that may be evidenced.

Are there limits to consent? Going beyond the boundaries of consent is prohibited. Thus, unless a sexual partner has consented to a specific act, including physical roughness, during otherwise consensual sex, those acts may constitute dating violence or sexual assault.^[24]

Who has the responsibility to obtain consent? Individuals may perceive and experience the same interaction in different ways. Therefore, it is the responsibility of each party to determine that the other has consented before engaging in the activity. If consent is not clearly provided prior to engaging in the activity, consent may be given by word or action at some point during the interaction or thereafter, but clear communication from the outset is strongly encouraged.

Silence or the absence of resistance alone should not be interpreted as consent. Consent is not demonstrated by the absence of resistance. While resistance is not required or necessary, it is a clear demonstration of non-consent.

When is consent valid? For consent to be valid, there must be a clear expression in words or actions that the other individual consented to that specific sexual conduct. Consent is evaluated from the perspective of what a reasonable person would conclude are mutually understandable words or actions. Reasonable reciprocation can establish consent. For example, if someone kisses you, you can kiss them back (if you want to) without the need to explicitly obtain *their* consent to be kissed back.

Consent to some sexual contact (such as kissing or fondling) cannot be assumed to be consent for other sexual activity (such as intercourse). A current or previous intimate relationship is not sufficient to constitute consent. If an individual expresses conditions on their willingness to consent (e.g., use of a condom) or limitations on the scope of their consent, those conditions and limitations must be respected. If a sexual partner shares the clear expectation for the use of a condom, or to avoid internal ejaculation, and those expectations are not honored, the failure to use a condom, removing a condom, or internal ejaculation can be considered acts of sexual assault.

Can consent be withdrawn or taken back? Consent can also be withdrawn once given, as long as the withdrawal is reasonably and clearly communicated. If consent is withdrawn, sexual activity should cease within a reasonably immediate time.

b. Force

Force is the use of physical violence and/or physical imposition to gain sexual access. Sexual activity that is forced is, by definition, non-consensual, but non-consensual sexual activity is not necessarily forced. Force is conduct that, if sufficiently severe, can negate consent.

Force also includes threats, intimidation (implied threats), and coercion that is intended to overcome resistance or produce consent (e.g., “Have sex with me or I’ll hit you,” which elicits the response, “Okay, don’t hit me. I’ll do what you want.”).

c. Coercion

Coercion is unreasonable pressure for sexual activity. Coercive conduct, if sufficiently severe, can render a person’s consent ineffective, because the consent is not voluntary. When someone makes clear that they do not want to engage in sexual activity, that they want to stop, or that they do not want to go past a certain point of sexual interaction, continued pressure beyond that point can be coercive. Coercion is evaluated based on the frequency, intensity, isolation, and duration of the pressure involved.

d. Incapacitation

Incapacitation is a state where a person is incapable of giving consent. An incapacitated person cannot make rational, reasonable decisions because they lack the capacity to give knowing/informed consent (e.g., to understand the “who, what, when, where, why, and how” of their sexual interaction). A person is incapacitated and cannot consent if they are unable to understand what is happening or are disoriented, helpless, asleep, or unconscious for any reason, including because of alcohol or other drug consumption.

This Policy also covers a person whose incapacity results from a temporary or permanent physical or mental health condition, involuntary physical restraint, and/or the consumption of incapacitating substances.

Incapacitation is determined through consideration of all relevant indicators of a person’s state and is not synonymous with intoxication, impairment, blackout, and/or being drunk.

If the Respondent neither knew nor should have known the Complainant to be physically or mentally incapacitated, the Respondent is not in violation of this Policy. “Should have known” is an objective, reasonable person standard that assumes that a reasonable person is both sober and exercising sound judgment.

^[8] Discriminatory Harassment under this policy specifically excludes harassment that would fall under Title IX or Title VII, as it is specifically included below under Sex-based Harassment.

^[9] Throughout this Policy, “on the basis of sex” means conduct that is sexual in nature, or is directed to the Complainant because of their sex.

^[10] Sexual Assault does not constitute a chargeable offense under the Policy. It is a heading encompassing the six chargeable offenses listed below it.

^[11] For purposes of this Policy, violence includes defined as intentionally or recklessly causing the Complainant physical, emotional, or psychological harm. Consensual use of violence, such as in kink relationships, would also not meet this definition, in most circumstances.

^[12] To categorize an incident as Domestic Violence, the relationship between the Respondent and the Complainant must be more than just two people living together as roommates. The people cohabitating must be current or former spouses or have an intimate relationship.

^[13] For purposes of this definition, “A ‘course of conduct’ requires that there be more than one incident and the conduct must be directed at a specific person. Stalking can occur in person or using technology, and the duration,

frequency, and intensity of the conduct should be considered. Stalking tactics can include, but are not limited to watching, following, using tracking devices, monitoring online activity, unwanted contact, property invasion or damage, hacking accounts, threats, violence, sabotage, and attacks. (Federal Register, Vol 89, No. 83, 04/29/2024, p. 33523). Merely annoying conduct, even if repeated, is a nuisance, but is not typically chargeable as stalking.

^[14] Reasonable person is an objective standard meaning a person in the Complainant's shoes (having similar characteristics/demographics to the Complainant).

^[15] In the context of stalking, a Complainant is not required to obtain medical or other professional treatment and counseling is not required to show substantial emotional distress.

^[16] CA Educ. Code § 212.5.

^[17] This offense is not classified under Title IX as "Sex-based harassment," but it is included here in this Policy as a tool to address a wider range of behaviors.

^[18] Sexual Exploitation is defined in CA Educ. Code, § 66262.5. The examples listed below include those in the non-exhaustive list in the California definition and additional acts that could meet the definition.

^[19] Nothing in this section restricts the ability of the Parties to: obtain and present evidence, including by speaking to witnesses (as long as it does not constitute retaliation under this Policy), consult with their family members, confidential resources, or Advisors; or otherwise prepare for or participate in the Resolution Process.

^[20] Both Parties and Advisors are prohibited from unauthorized disclosure of information obtained by the School through the Resolution Process.

^[21] The state definition of consent, as used in criminal prosecutions for sex offenses in this state, may differ from the definition used on campus to address policy violations.

^[22] CA Educ. Code, § 67386 establishes an affirmative consent standard in the determination of whether consent was given by parties to sexual activity.

^[23] The state definition of consent contained above in the Affirmative Consent definition which is applicable to criminal prosecutions for sex offenses in California but may differ from the definition used by the Recipient to address Policy violations.

^[24] Consent in relationships must also be considered in context. When Parties consent to BDSM (bondage, discipline, sadism, masochism) or other forms of kink, non-consent may be shown by the use of a safe word. Resistance, force, violence, or even saying "no" may be part of the kink and thus consensual.

XV. Unethical Relationships Policy

There are inherent risks in any romantic or sexual relationship between individuals in unequal positions (such as supervisor and employee or Future Professional and Employee). In reality, these relationships may be less consensual than perceived by the individual whose position confers power or authority. Similarly, the relationship also may be viewed in different ways by each of the parties, particularly in retrospect. Circumstances may change, and conduct that was once welcome may, at some point in the relationship, become unwelcome.

Even when both parties have initially consented to romantic or sexual involvement, the possibility of a later allegation of a relevant Policy violation still exists. The School does not wish to interfere with private choices regarding personal relationships when these relationships do not interfere with the goals and policies of the School. However, for the personal protection of members of this community, relationships in which power differentials are inherent (e.g., supervisor/employee) are generally discouraged.

Romantic or sexual relationships between employees and Future Professionals are prohibited.

Consensual romantic or sexual relationships in which one party maintains a direct supervisory or otherwise evaluative role over the other party are inherently problematic. Therefore, persons with direct supervisory or otherwise evaluative responsibilities who are involved in such relationships must bring these relationships to the timely attention of the Title IX Coordinator. The existence of this type of relationship will likely result in removing the supervisory or evaluative responsibilities from the employee or shifting a party from being supervised or evaluated by someone with whom they have established a consensual relationship. When an affected relationship existed prior to adoption of this Policy, the duty to notify the appropriate supervisor still pertains.

Failure to timely self-report such relationships to the Title IX Coordinator as required can result in disciplinary action for an employee. Engaging in a consensual relationship with a Future Professional can result in disciplinary action for an employee. The Title IX Coordinator will determine whether to refer violations of this provision to human resources for resolution, or to pursue resolution under this Policy, based on the circumstances of the allegation.

XVI. **Standard of Proof**

The School uses the preponderance of the evidence standard of proof when determining whether a Policy violation occurred.^[25] This means that the School will decide whether it is more likely than not, based upon the available information at the time of the decision, that the Respondent is in violation of the alleged Policy violation(s).

[25] Under state law, the required standard used in determining whether the elements of the complaint against the Respondent have been demonstrated is the preponderance of the evidence. CA Educ. Code, § 67386.

XVII. **False Allegations and Evidence**

Deliberately false and/or malicious accusations under this Policy are a serious offense and will be subject to appropriate disciplinary action. This does not include allegations that are made in good faith but are ultimately shown to be erroneous or do not result in a determination of a Policy violation.

Additionally, witnesses and Parties who knowingly provide false evidence, tamper with or destroy evidence, or deliberately mislead an official conducting an investigation or resolution process can be subject to discipline under appropriate School policies.

XVIII. **Confidentiality and Privacy**

The School will make every effort to preserve the Parties' privacy. The School will not share the identity of any individual who has made a Complaint protected class harassment, discrimination, or retaliation; any Complainant; any individual who has been reported to be the perpetrator of protected class discrimination, harassment, or retaliation; any Respondent; or any witness, except as permitted by, or to fulfill the purposes, of applicable laws and regulations (e.g., Title IX), Family Educational Rights and Privacy Act (FERPA) and its implementing regulations, or as required by law; including any investigation, or resolution proceeding arising under these policies and procedures.^{[26] [27]}

If a Party or Witness speaks about the Complaint or Report, others in the School may become aware of the report or complaint. Resolution proceedings, including interviews, are confidential. All individuals present at any time during the resolution process are expected to maintain the confidentiality of the proceedings.

For the purpose of this Policy, the terms privacy, confidentiality, and privilege have distinct meanings.

Privacy. Means that information related to a complaint will be shared with a limited number of School employees who "need to know" in order to assist in providing supportive measures or evaluating, investigating, or resolving the Complaint. All employees who are involved in the School's response to Notice under this Policy receive specific training and guidance about sharing and safeguarding private information in accordance with federal and state law.

Confidentiality. Exists in the context of laws or professional ethics that protect certain relationships (including medical providers, mental health providers, and counselors.) The School does not designate any employees as confidential employees. Non-identifiable information may be shared by School Officials for statistical tracking purposes or for emergency notifications and/or timely warnings as required by the Clery Act/Violence Against Women Act (VAWA). Other information may be shared as required by law.

Privilege. Exists in the context of laws that protect certain relationships, including attorneys, spouses, and clergy. Privilege is maintained by a provider unless a court orders release or the holder of the privilege (e.g., a client, spouse, parishioner) waives the protections of the privilege. While the School does not employ clergy or others with a Title IX privilege protection, the School treats communication between employees who have the ability to have privileged communications as Confidential Employees.

The School reserves the right to determine which School officials have a legitimate educational interest in being informed about student-related incidents that fall under this Policy, pursuant to FERPA.

The School may contact students' parents/guardians to inform them of situations in which there is a significant and articulable health and/or safety risk but will usually consult with the student prior to doing so.

^[27]
34 C.F.R. § 99

XIX. Emergency Removal, Interim Action, and/or Leave

The School can act to remove a Student Respondent accused of Sex Discrimination or Sex-based Harassment from its education program or activities, partially or entirely, on an emergency basis when an individualized safety and risk analysis has determined that an immediate threat to the physical health or safety of any student or other individual justifies removal. This risk analysis is performed by the Title IX Coordinator and may be done in conjunction with appropriate designees using its standard objective individualized safety and risk analysis assessment procedures. Employees are subject to existing procedures for interim actions and leaves.

XX. Federal Timely Warning Obligations

The School must issue timely warnings for reported incidents that pose a serious or continuing threat of bodily harm or danger to members of the School community.

The School will ensure that a Complainant's name and other identifying information is not disclosed, while still providing enough information for community members to make safety decisions in light of the potential danger.

XXI. Resolution Process and Procedures for Alleged Violations of the Protected Class Nondiscrimination Policy and Procedures ("Resolution Process")

A. Overview

The School will act on any Notice, Complaint, or Knowledge of a potential violation of the Protected Class Nondiscrimination Policy and Procedures ("Policy") that is received by the Title IX Coordinator or any other Mandated Reporter following the Resolution Process below.

The procedures below apply to all allegations of discrimination on the basis of an actual or perceived protected characteristic, harassment, retaliation, or other prohibited conduct outlined in the Policy, as involving students, staff, administrators, faculty members, or, in some situations, third parties. The same procedural protections do not typically apply to Respondents who are guests, visitors, invitees, or other non-students or non-employees and the School reserves the right to address those situations as it deems appropriate.

B. Initial Evaluation

1. Generally

The Title IX Coordinator conducts an initial evaluation typically within seven (7) business days of receiving Notice/Complaint/Knowledge of alleged misconduct.^[28] An initial evaluation will also be prompted when the University knows, or reasonably should know, about any instance of sexual harassment.^[29] The initial evaluation typically includes:

- Assessing whether the reported conduct may reasonably constitute a violation of the Policy.

- When prior instances of sexual harassment are reported that either could create a hostile environment in National’s programs and activities or are interfering with that person’s access to the School’s programs and activities, the School will consider and respond to requests for accommodation. CA Educ. Code, § 66281.8
- If the Complainant has made a Complaint, and the conduct may not reasonably constitute a violation of the Policy, the matter is typically dismissed from this Policy and related procedures, consistent with the dismissal provision in these procedures. It may then be referred to another process, if applicable.
- Determining whether School has jurisdiction over the reported conduct, as defined in the Policy.
 - If the conduct is not within School jurisdiction, the matter is typically dismissed from this process, consistent with the dismissal provision in these procedures. If applicable, the conduct will be referred to the appropriate School official for resolution.
- Offering and coordinating supportive measures for the Complainant.
- Offering and coordinating supportive measures for the Respondent, as applicable.
- Notifying the Complainant, or the person who reported the allegation(s), of the resolution processes, including a supportive and remedial response, an Informal Resolution option, or the Resolution Process described below.
- Determining whether the Complainant wishes to make a Complaint.
- Notifying the Respondent of the resolution processes, including a supportive and remedial response, an Informal Resolution option, or the Resolution Process described below, if a Complaint is made.

2. *Helping a Complainant Understand Options*

If the Complainant indicates they wish to initiate a Complaint (in a manner that can reasonably be construed as reflecting intent to make a Complaint), the Title IX Coordinator will help to facilitate the Complaint, which will include working with the Complainant to determine whether the Complainant wishes to pursue one of three resolution options:

- a. a supportive and remedial response, and/or
- b. Informal Resolution, or
- c. The Administrative Resolution Process described below.

What if the Complainant asks that no action be taken?

The Title IX Coordinator will seek to abide by the wishes of the Complainant, including the desire for no action to be taken, but the Title IX Coordinator may have to take an alternative approach depending on their analysis of the situation if it is determined that an imminent and serious threat to health or safety OR that the Title IX Coordinator could not otherwise ensure equal access.

If the Complainant indicates (either verbally or in writing) that they do not want any action taken, no Resolution Process will be initiated (unless deemed necessary by the Title IX Coordinator), though the Complainant can elect to initiate one later, if desired.

What if the Complainant requests a resolution process (investigation/Administrative Resolution Process or Informal Resolution)?

If the Complainant elects for the Resolution Process below, and the Title IX Coordinator has determined the Policy applies and that the School has jurisdiction, they will route the matter to the appropriate Resolution Process, will provide the Parties with a Notice of Investigation and Allegation(s), and will initiate an investigation consistent with these Procedures.

If any Party indicates (either verbally or in writing) that they want to pursue an Informal Resolution option, the School will assess whether the matter is suitable for Informal Resolution and refer the matter, accordingly.

3. *Title IX Coordinators Authority to Initiate a Complaint*

a. When and How would a Title IX Coordinator initiate a Complaint?

If the Complainant does not wish to file a Complaint, the Title IX Coordinator, who has ultimate discretion as to whether a Complaint is initiated, will offer supportive measures and determine whether to initiate a Complaint themselves.[30] To make this determination, the Title IX Coordinator will evaluate that request to determine if there is a serious and imminent threat to someone's safety or if the School cannot ensure equal access without initiating a Complaint. The Title IX Coordinator will consider the following non-exhaustive factors to determine whether to file a Complaint:

- The Complainant's request not to proceed with initiation of a Complaint;
- The Complainant's reasonable safety concerns regarding initiation of a Complaint;
- The risk that additional acts of discrimination would occur if a Complaint is not initiated;
- The severity of the alleged discrimination, including whether the discrimination, if established, would require the removal of a Respondent from campus or imposition of another disciplinary sanction to end the discrimination and prevent its recurrence;
- The age and relationship of the Parties, including whether the Respondent is a School employee;
- The scope of the alleged discrimination, including information suggesting a pattern, ongoing discrimination, or discrimination alleged to have impacted multiple individuals;
- The availability of evidence to assist a Decision-maker in determining whether discrimination occurred;
- Whether the School could end the alleged discrimination and prevent its recurrence without initiating its resolution process.

The Title IX Coordinator may also consider:

- Multiple or prior reports of sexual misconduct against the Respondent.
- The Respondent reportedly used a weapon, physical restraints, or engaged in battery.
- The Respondent is a faculty or staff member with oversight of students.
- There is a power imbalance between the Complainant and Respondent.
- The Complainant believes that the Complainant will be less safe if the Complainant's name is disclosed, or an investigation conducted.
- The School is able to conduct a thorough investigation and obtain relevant evidence in the absence of the Complainant's cooperation.

In instances where the Complainant's request for confidentiality or no investigation is granted, the School will provide supportive measures to the Complainant and take reasonable steps to respond to the complaint, consistent with the request, to limit the

effects of the alleged sexual harassment and prevent its recurrence without initiating formal action against the alleged Respondent or revealing the identity of the Complainant. These steps may include but are not limited to:

- Increased monitoring, supervision, or security at locations or activities where the alleged misconduct occurred;
- Providing additional training and education materials for students and employees; and/or
- Conducting climate surveys regarding sexual violence.

If deemed necessary, the Title IX Coordinator may consult with appropriate School employees, and/or conduct an individualized safety and risk analysis to aid their determination whether to initiate a Complaint.

b. Who is the named party if the Title IX Coordinator initiates a Complaint?

When the Title IX Coordinator initiates a Complaint, they do not become the Complainant. The Complainant or Complainants are the person(s) who experienced the alleged conduct that could constitute a violation of this Policy.

C. Emergency Removal/Interim Suspension

1. Emergency Removal/Interim Suspension for allegations of Sex Discrimination and/or Sex-based Harassment

a. *Student Respondents*

The School may remove on an emergency basis a student accused of Sex Discrimination or Sex-based Harassment upon receipt of Notice/Knowledge, a Complaint, or at any time during the resolution process. Prior to an emergency removal, the School will conduct an individualized safety and risk assessment and may remove the student if that assessment determines that an imminent and serious threat to the health or safety of a Complainant or any students, employees, or other persons arising from the allegations of sex discrimination justifies such action. Students accused of other forms of discrimination (not sex) are subject to interim suspension, which can be imposed for safety reasons.

When an emergency removal or interim suspension is imposed, wholly or partially, the affected student will be notified of the action, which will include a written rationale, and the option to challenge the emergency removal or interim suspension within two (2) business days of the notification. Upon receipt of a challenge, the Title IX Coordinator will meet with the student (and their Advisor, if desired) as soon as reasonably possible thereafter to allow them to show cause why the removal/action should not be implemented or should be modified.

This meeting is not a hearing on the merits of the allegation(s), but rather is an administrative process intended to determine solely whether the emergency removal or interim suspension is appropriate, should be modified, or lifted. When this meeting is not requested within two (2) business days, objections to the emergency removal or interim suspension will be deemed waived. A student can later request a meeting to show why they are no longer an imminent and serious threat because conditions related to imminence or seriousness have changed. A Complainant and their Advisor may be permitted to participate in this meeting if the Title IX Coordinator determines it is equitable to do so.

The Respondent may provide information, including expert reports, witness statements, communications, or other documentation for consideration prior to or during the meeting. When applicable, a Complainant may provide information to the Title IX Coordinator for review.

An emergency removal or interim suspension may be affirmed, modified, or lifted as a result of a requested review or as new information becomes available. The Title IX Coordinator will communicate the final decision in writing, typically within three (3) business days of the review meeting.

b. *Employee Respondents*

When the Respondent is an employee, or a student employee accused of misconduct in the course of their employment, existing provisions in the Employee Handbook for interim action are typically applicable instead of the above emergency removal process.

D. Dismissal

The School **may** dismiss a Complaint if, at any time during the investigation or Resolution Process, one or more of the following grounds are met:

1. The School is unable to identify the Respondent after taking reasonable steps to do so;
2. The School no longer enrolls or employs the Respondent;
3. A Complainant voluntarily withdraws any or all of the allegations in the Complaint, in writing, and the Title IX Coordinator declines to initiate a Complaint;
4. The Title IX Coordinator determines the conduct alleged, even if proven, in the Complaint would not constitute a violation of this Policy.

A Decision-maker can recommend dismissal to the Title IX Coordinator, if they believe the grounds are met. A Complainant who decides to withdraw a Complaint may later request to reinstate or refile it.

Upon any dismissal, the School will promptly send the Complainant written notification of the dismissal and the rationale for doing so. If the dismissal occurs after the Respondent has been made aware of the allegations, the School will simultaneously notify the Parties of the dismissal.

This dismissal decision is appealable by any party.

E. Appeal of Dismissal

The Complainant may appeal a dismissal of their Complaint.^[31] The Respondent may also appeal the dismissal of the Complaint if dismissal occurs after the Respondent has been made aware of the allegations. All dismissal appeal requests must be filed in writing within three (3) business days of the notification of the dismissal.

The Title IX Coordinator will notify the Parties of any appeal of the dismissal. If, however, the Complainant appeals, but the Respondent was not notified of the Complaint, the Title IX Coordinator must then provide the Respondent with a NOIA and will notify the Respondent of the Complainant's appeal with an opportunity to respond.

Throughout the dismissal appeal process, the School will:

- Implement dismissal appeal procedures equally for the Parties;
- Assign a trained Dismissal Appeal Officer who did not take part in an investigation of the allegations or dismissal of the Complaint;
- Provide the Parties a reasonable and equal opportunity to make a statement in support of, or challenging, the dismissal; and

- Notify the Parties of the result of the appeal and the rationale for the result.

The ground for dismissal appeals are limited to:

1. Procedural irregularity that would change the outcome;
2. New evidence that would change the outcome and that was not reasonably available when the dismissal was decided;
3. The Title IX Coordinator, Investigator, or Decision-maker had a conflict of interest or bias for or against complainants or respondents generally or the individual Complainant or Respondent that would change the outcome.

What happens in a dismissal appeal?

Upon receipt of a dismissal appeal in writing from one or more Parties, the Title IX Coordinator will share the petition with the other party and provide three (3) business days for other Parties to respond to the request. The appeal should specify at least one of the grounds above and provide any reasons or supporting evidence for why the ground is met. This appeal will be provided in writing to the other Parties, and the Title IX Coordinator, who will be invited to respond in writing. At the conclusion of the response period, the Title IX Coordinator will forward the appeal, as well as any response provided by the other Parties to the Dismissal Appeal Officer for consideration.

If the Request for Appeal does not provide information that meets the grounds in this Policy, the request will be denied by the Dismissal Appeal Officer, and the Parties, their Advisors, and the Title IX Coordinator will be notified in writing of the denial and the rationale.

If any of the asserted grounds in the appeal satisfy the grounds described in this Policy, then the Dismissal Appeal Officer will notify all Parties and their Advisors, and the Title IX Coordinator of their decision and rationale in writing. The effect will be to reinstate the Complaint.

In most cases, appeals are confined to a review of the written documentation or record of the original determination and pertinent documentation regarding the specific appeal grounds. The Dismissal Appeal Officer has seven (7) business days to review and decide on the appeal, though extensions can be granted at the discretion of the Title IX Coordinator, and the Parties will be notified of any extension.

Appeal decisions are deferential to the original determination, making changes only if there is a compelling justification to do so.

The Dismissal Appeal Officer may consult with the Title IX Coordinator and/or legal counsel on questions of procedure or rationale for clarification, if needed. The Title IX Coordinator will maintain documentation of all such consultation.

F. Counter-Complaints

The School is obligated to ensure that the resolution process is not abused for retaliatory purposes. Although the School permits the filing of Counter-Complaints, the Title IX Coordinator will use an initial evaluation, described above, to assess whether the allegations in the Counter-Complaint are made in good faith. When Counter-Complaints are not made in good faith, they will not be permitted. They will be considered potentially retaliatory and may constitute a violation of the Policy.

Counter-Complaints determined to have been reported in good faith will be processed using the Resolution Process below. At the Title IX Coordinator's discretion, investigation of such claims may take place concurrently or after resolution of the underlying initial Complaint.

G. Advisors in the Resolution Process

1. *Who can serve as an Advisor?*

The Parties may each have an Advisor (friend, mentor, family member, attorney, or any other individual a party chooses) present with them for all meetings and interviews, within the Resolution Process, including intake. The Parties may select whomever they wish to serve as their Advisor as long as the Advisor is eligible and available.^[32]

The School cannot guarantee equal Advisory rights, meaning that if one party selects an Advisor who is an attorney, but the other party does not, or cannot afford an attorney, the School is not obligated to provide an attorney to advise that party.

A party may elect to change Advisors during the process and is not obligated to use the same Advisor throughout. Parties are expected to provide the Title IX Coordinator with timely notification if they change Advisors. If a party changes Advisors, consent to share information with the previous Advisor is assumed to be terminated, and a release for the new Advisor must be submitted.

The School may permit Parties to have more than one Advisor, or an Advisor and a support person, upon special request to the Title IX Coordinator. The decision to grant this request is at the Title IX Coordinator's sole discretion and will be granted equitably to all Parties.

If a party requests that all communication be made through their attorney Advisor instead of to the party, the School will agree to copy both the party and their Advisor on all communications. It is important to note that all other School processes and procedures will continue, and may result in contact with the Student or Employee without the Advisor being copied.

2. *What is the Advisor's role in the Resolution Process?*

Advisors should help the Parties to prepare for each meeting and are expected to advise ethically, with integrity, and in good faith. Advisors may not provide testimony or speak on behalf of their advisee unless given specific permission to do so.

The Parties are expected to ask and respond to questions on their own behalf throughout the Resolution Process. Although the Advisor generally may not speak on behalf of their advisee, the Advisor may consult with their advisee, either privately as needed, or by conferring or passing notes during any Resolution Process meeting or interview. For longer or more involved discussions, the Parties and their Advisors should ask for breaks to allow for private consultation.

3. *What records are shared with an Advisor?*

Advisors are entitled to the same opportunity as their advisee to access relevant evidence, and/or the same written investigation report that accurately summarizes this evidence.

Advisors are expected to maintain the confidentiality of the records the School shares with them, the Section of the Policy addressing Confidentiality. Advisors may not disclose any School work product or evidence the School obtained solely through the Resolution Process for any purpose not explicitly authorized by School.

Accordingly, Advisors will be asked to sign Non-Disclosure Agreements (NDAs). The School may decline to share materials with any Advisor who has not executed the NDA. The School may restrict the role of any Advisor who does not respect the sensitive nature of the process or who fails to abide by the School's confidentiality expectations.

4. *What are the expectations of an Advisor?*

The School generally expects an Advisor to adjust their schedule to allow them to attend School meetings/interviews when planned, but the School may change scheduled meetings/interviews to accommodate an Advisor's inability to attend, if doing so does not cause an unreasonable delay.

The School may also make reasonable provisions to allow an Advisor who cannot be present in person to attend a meeting/interview by telephone, video conferencing, or other similar technologies.

All Advisors are subject to the same School policies and procedures. Advisors are expected to advise their advisees without disrupting proceedings.

5. *Advisor Policy Violations*

Any Advisor who oversteps their role as defined by the Policy, who shares information or evidence in a manner inconsistent with the Policy, or who refuses to comply with the School's established rules of decorum, will be warned. If the Advisor continues to disrupt or otherwise fails to respect the limits of the Advisor role, the meeting/interview may be ended, or other appropriate measures implemented, including the School requiring the party to use a different. Subsequently, the Title IX Coordinator will determine how to address the Advisor's non-compliance and future role.

H. Resolution Options

The Resolution Process has two options: an Informal Resolution or an Administrative Resolution Process. This is how the School addresses all forms of Protected Class Discrimination, Harassment, and Retaliation.[33] Any request to initiate either an Informal Resolution or an Administrative Resolution Process will be subject to an Initial Evaluation by the Title IX Coordinator who will determine whether the conduct and/or complaint falls under this Policy as described above.

1. Informal Resolution Process

An informal resolution is a process that can occur, at the agreement of the Parties, and as approved by the Title IX Coordinator. The School offers four categories of Informal Resolution options as listed below.

- a. When Informal Resolution can be requested: at any time prior to the Final Determination, a Complainant or Respondent may request an Informal Resolution in writing from the Title IX Coordinator or the Title IX Coordinator may offer the Informal Resolution to the Parties.
- b. Informal Resolutions are completely voluntary. The School, through the Title IX Coordinator, will obtain voluntary, written confirmation (this may be via email) that all Parties wish to resolve the matter through Informal Resolution before moving forward and will not pressure the Parties into participating in Informal Resolution.
- c. The individual facilitating an Informal Resolution must be trained and cannot be the Investigator, Decision-maker, or Appeal Decision-maker.
- d. Informal Resolution Types
 1. Supportive Resolution: when the Title IX Coordinator can resolve the matter informally by providing supportive measures designed to remedy the situation.
 2. Educational Conversation: When the Title IX Coordinator can resolve the matter informally by having a conversation with the Respondent to discuss the Complainant's concerns and institutional expectations or can accompany the Complainant in their desire to address the Respondent directly about the conduct.

3. **Accepted Responsibility:** When the Respondent is willing to accept responsibility for violating Policy and is willing to agree to actions that will be enforced similarly to sanctions, and the Complainant(s) and School are agreeable to the resolution terms.
 4. **Alternative Resolution:** When the Parties agree to resolve the matter through an alternative resolution mechanism (which could include, but is not limited to, mediation, shuttle negotiation, restorative practices, facilitated dialogue, etc.), as described below.^[34]
- e. **Informal Resolution Process Steps**
1. **Informal Resolution Request:** A Party requests in writing or the Title IX Coordinator offers in writing an Informal Resolution.
 2. **Informal Resolution Consent:** The Title IX Coordinator confirms with all Parties that they consent to the Informal Resolution Process. If one party does not consent, the Informal Resolution Process does not continue.
 3. **Assignment of Informal Resolution Coordinator:** The Title IX Coordinator assigns an Informal Resolution Coordinator (IRC) that may not be the Investigator, Decision-maker, or Appeal Officer.
 4. **Informal Resolution Notice:** The Title IX Coordinator and/or the IRC will provide the parties a NOIA that includes:
 - a. The Allegations;
 - b. The requirements of the Informal Resolution Process;
 - c. That prior to agreeing to the Informal Resolution, any party has the right to withdraw from the Informal Resolution Process and to initiate or resume the School's Administrative Resolution Process;
 - d. That the Parties' agreement to a resolution at the conclusion of the Informal Resolution process will preclude the Parties from initiating or resuming the resolution process arising from the same allegations;
 - e. The potential terms that may be requested or offered in an Informal Resolution agreement,
 - f. Notification that an Informal Resolution agreement is binding only on the Parties; and
 - g. What information the School will maintain, and whether and how it could disclose such information for use in its Resolution Process.
 5. **Next steps taken based Informal Resolution Option:**
 - a. **Supportive Resolution**
The Title IX Coordinator will meet with the Complainant to determine reasonable supportive measures that are designed to restore or preserve the Complainant's access to the School's education program and activity. Such measures can be modified as the Complainant's needs evolve over time or circumstances change. If the Respondent has received the NOIA, the School may also provide reasonable supportive measures for the Respondent as deemed appropriate. This option is available when the Complainant does not want to engage the other resolution options, and the School does not initiate a Complaint.
 - b. **Educational Conversation**
The Complainant(s) may request that the Title IX Coordinator address their allegations by meeting (with or without the Complainant) with the Respondent(s) to discuss concerning behavior and institutional policies and expectations. Such a conversation is non-disciplinary and non-punitive. Respondent(s) are not required to attend such

meetings, nor are they compelled to provide any information if they attend. The conversation will be documented as the Informal Resolution for the matter, if the conversation takes place. In light of this conversation, or the Respondent's decision not to attend, the Title IX Coordinator may also implement remedial actions to ensure that policies and expectations are clear and to minimize the risk of recurrence of any behaviors that may not align with Policy.

c. Accepted Responsibility[35]

The Respondent may accept responsibility for any or all of the alleged Policy violations at any point during the Resolution Process. If the Respondent indicates an intent to accept responsibility for all alleged Policy violations, the ongoing process will be paused, and the Title IX Coordinator will determine whether Informal Resolution is an option.

If Informal Resolution is available, the Title IX Coordinator will determine whether all Parties and the School are able to agree on responsibility, restrictions, sanctions, restorative measures, and/or remedies. If so, the Title IX Coordinator implements the accepted finding that the Respondent is in violation of School Policy, implements agreed-upon restrictions and remedies, and determines the appropriate responses in coordination with other appropriate administrator(s), as necessary.

This resolution is not subject to appeal once all Parties indicate their written agreement to all resolution terms. When the Parties cannot agree on all terms of resolution, the Resolution Process will either continue or resume.

When a resolution is reached, the appropriate sanction(s) or responsive actions are promptly implemented to effectively stop the harassment or discrimination, prevent its recurrence, and remedy the effects of the discriminatory conduct, both on the Complainant and the community.

d. Alternative Resolution

The institution offers a variety of Alternative Resolution mechanisms to best meet the specific needs of the Parties and the nature of the allegations. Alternative Resolution may involve agreement to pursue individual or community remedies, including targeted or broad-based educational programming or training; supported direct conversation or interaction with the Respondent(s); indirect action by the Title IX Coordinator or other appropriate School officials; and other forms of resolution that can be tailored to the needs of the Parties. Some Alternative Resolution mechanisms will result in an agreed-upon outcome, while others are resolved through dialogue. All Parties must consent to the use of an Alternative Resolution approach, and the Parties may, but are not required to, have direct or indirect contact during an Alternative Resolution process.

The Title IX Coordinator may consider the following factors to assess whether Alternative Resolution is appropriate, or which form of Alternative Resolution may be most successful for the Parties:

- The Parties' amenability to Alternative Resolution
- Likelihood of potential resolution, considering any power dynamics between the Parties

- The nature and severity of the alleged misconduct
- Parties' motivation to participate
- Civility of the Parties
- State legal restrictions or requirements
- Results of a violence risk assessment/ongoing risk analysis
- Respondent's disciplinary history
- Whether an emergency removal or other interim action is needed
- Skill of the Alternative Resolution facilitator with this type of Complaint
- Complaint complexity
- Emotional investment/capability of the Parties
- Rationality of the Parties
- Goals of the Parties
- Adequate resources to invest in Alternative Resolution (e.g., time, staff, etc.)

The Title IX Coordinator has the authority to determine whether Alternative Resolution is available, to facilitate a resolution that is acceptable to all Parties, and/or to accept or reject the Parties' proposed resolution, usually through their Advisors, often including terms of confidentiality, release, and non-disparagement.

Parties do not have the authority to stipulate restrictions or obligations for individuals or groups that are not involved in the Alternative Resolution process. The Title IX Coordinator will determine whether additional individual or community remedies are necessary to meet the institution's compliance obligations in addition to the Alternative Resolution.

The Title IX Coordinator maintains records of any resolution that is reached and will provide notification to the Parties of what information is maintained. Failure to abide by the resolution agreement may result in appropriate responsive/disciplinary actions (e.g., dissolution of the Agreement and resumption of the Resolution Process, referral to the conduct process for failure to comply, application of the enforcement terms of the Agreement, etc.). The results of Complaints resolved by Alternative Resolution are not appealable.

If an Informal Resolution option is not available or selected, the School will initiate or continue an investigation and subsequent Resolution Process to determine whether the Policy has been violated.

2. *Administrative Resolution Process*

- a. See below at Section I for the specific details regarding the Administrative Resolution Process.

3. *Resolution Timeline*

The School will make a good faith effort to complete the Resolution Process within sixty to ninety (60-90) business days, including any appeals, which can be extended as necessary for appropriate cause by the Title IX Coordinator.[36] The Parties will receive regular updates on the progress of the Resolution Process, as well as notification and a rationale for any extensions or delays, and an estimate of how much additional time will be needed to complete the process.

Investigations are completed expeditiously, normally within sixty (60) business days, though some investigations may take longer, depending on issues such as the nature, extent, and complexity of the allegations, witness availability, law enforcement involvement, and other factors.

If a party or witness chooses not to participate in the Resolution Process or becomes unresponsive, the School reserves the right to continue it without their participation to ensure a prompt resolution. Non-participatory or unresponsive Parties retain the rights outlined in this Policy and the opportunity to participate in the Resolution Process.

The School may undertake a short delay in its investigation (several days to a few weeks) if circumstances require. Such circumstances include but are not limited to: a request from law enforcement to delay the investigation temporarily, the need for language assistance, the absence of Parties and/or witnesses, and/or health conditions. The School will promptly resume its Resolution Process as soon as feasible. During such a delay, School will continue to implement and maintain supportive measures for the Parties as deemed appropriate.

School action(s) or processes are not typically altered or precluded on the grounds that civil or criminal charges involving the underlying incident(s) have been filed or that criminal charges have been dismissed or reduced.

The School will make a good faith effort to complete the Resolution Process as promptly as circumstances permit and will communicate regularly with the Parties to update them on the progress and timing of the process.

I. Administrative Resolution Process ("ARP") Steps and Description

1. *General Description of the ARP*

The ARP is used for all Complaints of discrimination on the basis of protected characteristics, harassment, retaliation, and other prohibited behaviors (as defined in the Policy) or when Informal Resolution is either not elected or is unsuccessful.

The ARP consists of an investigation conducted by one individual and the hand-off of the investigation report and all relevant evidence to the Decision-maker to make a finding and determine sanctions (if applicable).

The entire ARP (Notice to Appeal, if any, we strive to complete them in sixty to ninety (60-90) days to complete, from the time the Decision-maker's receives the Draft Investigation Report, it takes approximately thirty (30) days. The Parties will be updated regularly on the timing and any significant deviation from this typical timeline.

2. *Steps and Description of the Administrative Resolution Process.*

1. Notice is received by the School and/or a Complaint is made. [Approximately 5 days].
2. The Investigator is appointed and the Notice of Investigation and Allegations (NOIA) is provided to the Parties [Approximately 3 days from receipt of all information for NOIA]. For more information, please see below.
3. The Investigation is conducted. [Approximately 30-45 days, may vary depending on a variety of factors, including number of involved parties/witnesses and their availability] For More information, please see below.
4. The Investigator provides a copy of the Draft Investigation Report to the Title IX Coordinator.
5. Draft Investigation Report Review: The Title IX Coordinator will provide the Draft Investigation Report to the Parties and the Decision-maker for review. This includes an opportunity for the parties to inspect and review all relevant evidence obtained during the investigation, for a review and comment period of five (5) business days so that each Party may meaningfully respond to the evidence. This also allows the Decision-maker, along with the Parties, to provide the

Investigator with a list of relevant questions that they would like asked of the Parties or any witness. Parties may choose to waive all or part of the review period. The Title IX Coordinator will also provide notice to the Parties of the Decision-maker.

- a. The parties may provide a response to the Investigator about the information contained in the report.
 - b. The Title IX Coordinator will also request the Parties to provide a proposed list of questions to the Investigator to ask the other Party or Parties and witnesses.[37]
 - i. To the extent credibility is in dispute and relevant to one or more of the allegations, questions proposed by the Parties may also explore credibility.
 - ii. All party questions must be posed during this phase of the process and cannot be posed later unless authorized by the Decision-maker.
 - iii. The Investigator will share all party-proposed questions with the Decision-maker, who will finalize the list with the Investigator to ensure all questions are both relevant and permissible.
 - c. The Decision-maker Draft Report Review:
 - i. The Decision-maker may provide the Investigator with a list of relevant questions to ask the Parties and/or any witnesses.
 - a. To the extent credibility is in dispute and relevant to one or more of the allegations, the questions provided by the Decision-maker may also explore credibility.
 - b. The Decision-maker will meet with the Investigator to determine which questions from the Parties are relevant, permissible, and not duplicative.
 - ii. Once the Decision-maker receives and reviews the file, they can recommend dismissal to the Title IX Coordinator, if they believe the grounds are met.
6. Draft Investigative Report Follow-up Meetings
- a. Investigator will lead additional meetings with the parties and witnesses to ask the questions posed by the Decision-maker and the questions proposed by the Parties identified and as approved by the Decision-maker as relevant, permissible, and not duplicative.
 - i. For any question deemed not relevant, permissible, or as duplicative, the Investigator will provide a written rationale in the Final Investigative Report (as an appendix) or verbally during a recorded meeting.
 - b. The record of these meetings is provided to the Parties to review, typically within three (3) business days of the last meeting. The Parties have five (5) business days to review the record and propose follow-up questions to be asked by the Investigator.
 - c. The final proposed questions will be reviewed by the Decision-maker for relevance and permissibility.
7. Final Round of Meeting Questions: If deemed necessary, follow-up meetings will be conducted by the Investigator to ask the final proposed questions. This is the final round of questioning, unless leave is granted by the Decision-maker for additional questioning or the Decision-maker determines additional questioning is necessary.
8. Investigator will compile the Final Investigative Report which will:
- a. Incorporate any new, relevant evidence and information obtained in the Parties and Decision-maker's review of the Draft Investigation Report/follow-up meetings.

- b. Respond in writing, to the relevant elements of the Parties response to the Draft Investigation report and incorporate relevant elements of the written responses and any necessary revisions into the Final Investigation Report.
 - c. Include all supporting documentation
 - d. The Final Investigative Report and the complete investigative file is then provided to the Title IX Coordinator.
9. Before or on the same day as transmitting the Final Investigative Report, the Title IX Coordinator will provide the Parties the ability to submit a Written impact and / or mitigation statement. The Title IX Coordinator will review the statements upon receipt to determine whether there are any immediate needs, issues, or concerns, but will otherwise hold them until after a decision maker has made determinations on the allegations. If there are any findings of a policy violation the Decision-maker will request these impact statements from the Title IX Coordinator and review them prior to determining sanctions. In the event that the Impact Statements are requested by the Decision-maker, the Title IX Coordinator will transmit a copy to each Party of the other Parties' impact statements at that time.
10. Transmission of the Final Investigation Report and Complete File. The Title IX Coordinator provides the Decision-maker with the Final Investigation Report and investigation file, including the evidence and information obtained in the Investigator-led Questioning meetings. This will not include the Impact Statements if they are received before the file is transmitted.
11. Decision-maker Determination. The Decision-maker will review the Final Investigation Report, all appendices, and investigation file. This includes the information obtained during the Draft Investigation Report Review, Draft Investigative Report Follow-up Meetings, and Final Round of Meeting Questions.
- a. If the record is incomplete, the Decision-maker may direct the investigation be re-opened. Or the Decision-maker may direct or conduct any additional inquiry they believe is necessary, including informally meeting with the Parties or any witnesses, as needed.
 - b. Upon reviewing the relevant evidence, the Decision-maker may also choose to pose additional questions:
 - i. To the extent credibility is in dispute and relevant to one or more of the allegations, the Decision-maker may meet individually with the Parties and witnesses to question them in order to assess their credibility. These meetings will be recorded and shared with the Parties.
 - ii. At their discretion, the Decision-maker may also meet with any Party or witness to ask additional relevant questions that will aid the Decision-maker in making their findings. These meetings will be recorded and shared with the Parties.
 - iii. The Decision-maker will then apply the preponderance of the evidence standard to make a determination on each of the allegations.
 - iv. If the Decision-maker determines that there are findings of a Policy Violation, they will request the Impact Statements, and review them prior to determining sanctions.
 - v. For more information on possible sanctions, please see below.
 - c. Timeline for Decision-maker's Determination: This step generally takes approximately ten (10) business days, but this timeframe can change due to the number of variables. The Parties will be notified of any delays.

12. Later discovered false or misleading information: If it is later discovered that a Party or witness intentionally provided false or misleading information, that action may be grounds for re-opening a Resolution Process at any time, and/or referring that information to another policy and/or procedure for resolution.
13. Conclusion of Administrative Resolution Process: The Decision-maker will provide to the Title IX Coordinator a Written Determination.
 - a. The written determination must include:
 - i. A description of the alleged Policy violation;
 - ii. Information about the Policies and Procedures used to evaluate the allegations;
 - iii. The Decision-maker's evaluation of relevant and not otherwise impermissible evidence;
 - iv. A determination if a Policy violation occurred; and
 - v. When the Decision-maker finds that policy violations occurred:
 - a. Disciplinary Sanctions imposed on the Respondent
 - b. Whether remedies other than the imposition of Disciplinary Sanctions will be provided by the School to the Complainant(s); and
 - c. To the extent appropriate, in cases of sex-based harassment involving students, other students identified by the School to be experiencing the effects of the sex-based harassment.
 - vi. Procedures for the Parties to Appeal the Written Determination.
14. Notice of Outcome: within ten (10) business days of the conclusion of the ARP, the Title IX Coordinator provides the Parties with a written outcome notification. The Written Determination by the Decision-maker to the extent that the School is permitted to share pursuant to state or federal law. This Written Determination and Notice of Outcome will also detail the Parties' equal rights to appeal, the grounds for appeal, the steps to request an appeal, and when the determination is considered final if neither Party appeals.
 - a. The Notice of Outcome will be provided to the Parties simultaneously or without significant time delay between notifications.
 - b. The Notice of Outcome may be delivered by one or more of the following methods: in person, mailed to the local and/or permanent address of the Parties as indicated in official School records, or emailed to the Parties' email on file. Once mailed, emailed, and/or received in person, the Notification of Outcome is presumptively delivered.

3. *Notice of Investigation and Allegations ("NOIA")*

a. When is a NOIA issued?

Before beginning the ARP, including the investigation portion of that process, the Title IX Coordinator will provide the Parties with a detailed written NOIA. Amendments and updates to the NOIA may be made as the investigation progresses and more information becomes available regarding the addition or dismissal of various allegations. For climate/culture investigations that do not have an identifiable Respondent, the NOIA will be sent to the department/office/program head for the area/program being investigated.

In the event that an investigation has started, but the School determines that additional allegations of prohibited behavior under this Policy by the Respondent toward the Complainant

will be investigated that are not included in the initial NOIA, the School will provide a supplemental NOIA that notifies the Parties of the additional allegations.

b. Investigator Appointment

Upon determination that an ARP will take place, the Title IX Coordinator appoints an Investigator to conduct the Investigation portion of the ARP. Notice of the selected individual is provided in the NOIA as outlined below. The Investigator may be part of the Resolution Process Pool, or any other properly trained individual, at the discretion of the School.

c. What will a NOIA typically include?

1. A meaningful summary of all allegations
2. The identity of the involved Parties (if known)
3. The precise misconduct being alleged
4. The date and location of the alleged incident(s) (if known)
5. The specific policies/offenses implicated
6. A description of, link to, or copy of the applicable policy and procedures
7. A statement that the Parties are entitled to an equal opportunity to access the relevant and not otherwise impermissible evidence
8. The name(s) of the Investigator(s), along with a process to identify to the Title IX Coordinator, in advance of the interview process, any conflict of interest that the Investigator(s) may have
9. A statement that:
 1. the School presumes the Respondent is not responsible for the reported misconduct unless and until the evidence supports a different determination
 2. determinations of responsibility are made at the conclusion of the process and that the Parties will be given an opportunity during the review and comment period to inspect and review all relevant evidence
 3. retaliation is prohibited
10. Information about the confidentiality of the process, including that the Parties and their Advisors (if applicable) may not share information or materials obtained through the ARP
11. A statement that the Parties may have an Advisor of their choice who may accompany them through all steps of the ARP
12. A statement informing the Parties that the School's Policy prohibits knowingly making false statements, including knowingly submitting false information during the ARP
13. Information on how a Party may request disability accommodations during the ARP
14. A link to the School's VAWA Brochure (if Sexual Violence, Dating Violence, Domestic Violence and/or Sex-based Stalking are indicated)
15. An instruction to preserve any evidence that is directly related to the allegations[38]

d. How will the NOIA be delivered?

Notification will be made in writing and may be delivered by one or more of the following methods: in person, mailed to the local or permanent address(es) of the Parties as indicated in official School records, or emailed to the Parties' email account on file. Once mailed, emailed, and/or received in person, the notification will be presumptively delivered.

e. Consolidation

The School may consolidate Complaints against more than one Respondent, or by more than one Complainant against one or more Respondents, when the allegations arise from the same facts or circumstances or implicate a pattern, collusion, and/or other shared or similar actions

4. *Investigation*

a. General Investigation Information

1. How Are Investigations Conducted?

All investigations are adequate, thorough, reliable, impartial, prompt, and fair. They involve interviews with all relevant Parties and witnesses, obtaining relevant evidence, and identifying sources of expert information, as necessary.

2. Verification of Materials and Testimony

After an interview, Parties and witnesses will be asked to verify the accuracy of the recording, transcript, or summary of their interview. They may submit changes, edits, or clarifications. If the Parties or witnesses do not respond within the time period designated for verification, objections to the accuracy of the recording, transcript, or summary will be deemed to have been waived, and no changes will be permitted.

3. General Description of Investigation Steps

The Investigator(s) may include, but are not limited to the following steps, if not already completed, and not necessarily in this order:

- a. Determine the identity and contact information of the Complainant.
- b. Identify all policies implicated by the alleged misconduct and notify the Complainant and Respondent of all specific policies implicated.
- c. Assist the Title IX Coordinator, if needed, with conducting a prompt initial evaluation to determine if the allegations indicate a potential Policy violation.
- d. Work with the Title IX Coordinator, as necessary, to prepare the initial NOIA. The NOIA may be amended with any additional or dismissed allegations.
- e. Commence a thorough, reliable, and impartial investigation by identifying issues and developing a strategic investigation plan, including a witness list, evidence list, intended investigation timeframe, and order of interviews for the Parties and witnesses.
- f. When participation of a Party is expected, provide that Party with written notification of the date, time, and location of the meeting, as well as the expected participants and purpose.
- g. Make good faith efforts to notify each Party of any meeting or interview involving another party, in advance when possible.
- h. Interview the Complainant and the Respondent and conduct follow-up interviews with each, as necessary.
- i. Interview all available, relevant witnesses and conduct follow-up interviews as necessary.
- j. Provide each interviewed party and witness an opportunity to review and verify the Investigator's summary notes (or transcript or recording) of the relevant evidence/ testimony from their respective interviews and meetings.
- k. Allow each party the opportunity to suggest witnesses and questions they wish the Investigator(s) to ask of another party and/or witnesses. Document in the investigation report which questions were asked, with a rationale for any changes or omissions.

- l. Where possible, complete the investigation promptly and without unreasonable deviation from the intended timeline.
- m. Provide the Parties with regular status updates throughout the investigation.
- n. Prior to the conclusion of the investigation, provide the Parties and their respective Advisors with a list of witnesses whose information will be used to render a finding.
- o. Ask the Parties to provide a list of questions they would like asked of the other party or any witnesses. The Investigator will ask those questions deemed relevant, and for any question deemed not relevant, will provide a rationale for not asking the question.
- p. Write a draft investigation report that gathers, assesses, and synthesizes the evidence, accurately summarizes the investigation, and party and witness interviews, and provides all relevant evidence.
- q. Provide the Parties and their respective Advisors an electronic copy of the draft investigation report as well as an opportunity to inspect and review all relevant evidence obtained as part of the investigation for a review and comment period of five (5) business days so that each party may meaningfully respond to the evidence. The Parties may elect to waive all or part of the review period.
- r. The Investigator may share the investigation report with the Title IX Coordinator and/or legal counsel for their review and feedback.

b. Witness Role and Participation in the Investigation

- 1. Employees: Employees (not including Complainant and Respondent) are required to cooperate with and participate in the School's investigation and Resolution Process.
- 2. Students: Student witnesses and witnesses from outside the School community cannot be required to participate but are encouraged to cooperate with School investigations and to share what they know about a Complaint.
- 3. Interviews and Written Statements: Interviews may be conducted in person, via online video platforms (e.g., Zoom, Microsoft Teams, FaceTime, WebEx, etc.), or, in limited circumstances, by telephone. The School will take appropriate steps to ensure the security/privacy of remote interviews.

Parties and witnesses may also provide written statements in lieu of interviews or choose to respond to written questions, if deemed appropriate by the Investigator(s), though not preferred.

c. Interview Recording

It is standard practice for Investigators to create record of all interviews pertaining to the Resolution Process (other than Informal Resolution meetings). Please note that intake interviews conducted before the Notice is issued may not be recorded. The Parties may review copies of their own interviews, upon request. No unauthorized audio or video recording of any kind is permitted during investigation meetings. If an Investigator(s) elects to audio and/or video record interviews, all involved individuals should be made aware of audio and/or video recording.

All interviews are recorded. The recording and/or transcript of those meetings will be provided to the Parties for their review, after which the Parties may pose additional questions to each other. Those subsequent meetings or interviews are also recorded and/or transcribed and shared with the Parties.

5. Respondent Admits Responsibility

At any point in the proceedings, if a Respondent elects to admit to the charged violations and waive further process, the Decision-maker is authorized to accept that admission, adopt it as their finding/

final determination, and administer sanctions. This would also waive all rights to appeal for the Respondent. If the Respondent rejects the finding/final determination/sanctions, or does not admit to all conduct charged, the Resolution Process continues to its conclusion.

6. Sanctioning

In the event that the Decision-maker's Final Determination is that the Respondent violated Policy, factors considered by the Decision-maker when determining a sanction or remedies action may include, but are not limited to:

- The nature, severity of, and circumstances surrounding the violation(s)
- The need for sanctions/responsive actions to bring an end to the discrimination, harassment, and/or retaliation
- The need for sanctions/responsive actions to prevent the future recurrence of discrimination, harassment, and/or retaliation
- The need to remedy the effects of the discrimination, harassment, and/or retaliation on the Complainant and the community
- The impact on the Parties
- Any other information deemed relevant by the Decision-maker(s)

The sanctions will be implemented as soon as it is feasible once a determination is final, either upon the outcome of any appeal or the expiration of the window to appeal, without an appeal being requested.

The sanctions described in this Policy are not exclusive of, and may be in addition to, other actions taken, or sanctions imposed, by external authorities.

a. Student Sanctions

The following are the common sanctions that may be imposed on Students singly or in combination when the Final Determination finds the Student(s) engaged in policy violations:

- *Coaching*: A formal statement, documented on the Future Professional Advisory that the conduct was unacceptable, and a warning that further violation of any School policy, procedure, or directive will result in additional coaching sessions (sanctions) or responsive actions.
- *Restrictions*: A Student may be restricted in their activities, including, but not limited to, being restricted for certain locations, programs, participation in certain activities or extracurricular activities, eligibility for honors, or from holding leadership in student clubs.
- *Probation*: A warning that further violation of any School policy, procedure or directive will result in more severe sanctions/responsive actions, including termination.
- *Suspension*: Termination of the Student status for a definite period of time, typically not to exceed two years, after which a student is eligible to return. Includes the revocation of the right to be on campus for any reason or to attend School-sponsored events. Eligibility may be contingent upon satisfaction of specific conditions noted at the time of suspension, on successfully applying for readmission, or upon a general condition that the student is eligible to return if the School determines it is appropriate to re-enroll/re-admit the student. The student may or may not be eligible to transfer in previously earned hours, based on state requirements.

- *Termination*: Permanent removal (termination) of the Student from their enrolled program and ineligibility to enroll in any other program on campus. Includes the revocation of rights to be on campus for any reason or to attend School-sponsored events.
 - *Other actions*: In addition to or in place of the above sanctions, the school may assign any other sanctions deemed appropriate.
- b. Student Club or Student Organization Sanctions
- The following are the common sanctions that may be imposed on Student Clubs singly or in combination when the Final Determination finds the Student Club(s) engaged in policy violations:
- *Warning*: A formal statement that the conduct was unacceptable and a warning that further violation of any School Policy, procedure, or directive will result in more severe sanctions/ responsive actions.
 - *Removal of Club Members or Leadership*: restriction from participation for individuals found to have participated in the behavior.
 - *Other Actions*: In addition to or in place of the above sanctions, the School may assign any other sanction deemed appropriate.
- c. Employee Sanctions, Responsive/Corrective Action Plans
- The following are common sanctions and responsive/corrective actions that may be imposed on Employees singly or in combination when the Final Determination finds the Employee(s) engaged in policy violations:
- Verbal or Written Warning
 - Performance Improvement Plan or Management Process
 - Enhanced Supervision, Observation, or Review
 - Required Counseling

 - Denial of Pay Increase/Pay Grade
 - Loss of Oversight or Supervisory Responsibility
 - Demotion

 - Restriction of Bonus Pay
 - Suspension (Administrative Leave with Pay)
 - Suspension (Administrative Leave without Pay)
 - Termination
 - *Other Actions*: In addition to or in place of the above sanctions/responsive actions, the School may assign any other action it deems appropriate.

7. *Non-Participation in the ARP and/or Withdrawal or Resignation Before Completion of Resolution Process*

a. Students

1. Non-Participation of Respondent

Should a student Respondent decide not to participate in the Resolution Process, the process proceeds absent their participation to a reasonable resolution.

2. Withdrawal or Resignation

If a student Respondent withdraws from the School, the Resolution Process may continue, or Title IX Coordinator may exercise their discretion to dismiss the Complaint. If the Complaint is dismissed, School will still provide reasonable supportive or remedial measures as deemed necessary to address safety and/or remedy any ongoing effects of the alleged harassment, discrimination, and/or retaliation.

Regardless of whether the Complaint is dismissed or pursued to completion of the Resolution Process, School will continue to address and remedy any systemic issues or concerns that may have contributed to the alleged violation(s), and any ongoing effects of the alleged discrimination, harassment, and/or retaliation.

When a student withdraws or leaves while the process is pending, the student may not return to the School in any capacity until the Complaint is resolved and any sanctions imposed are satisfied. If the student indicates they will not return, the Title IX Coordinator has discretion to dismiss the Complaint. Admissions and the Director will be notified accordingly.

If the student Respondent takes a leave for a specified period of time (e.g., one semester or term), the Resolution Process may continue remotely. If found in violation, that student is not permitted to return to School unless and until all sanctions, if any, have been satisfied.

- b. Employees

1. Effect of Nonparticipation of Respondent

Should an employee Respondent decide not to participate in the Resolution Process, the process proceeds absent their participation to a reasonable resolution.

2. Resignation or Termination of Employment

If an employee Respondent withdraws from the School with unresolved allegations pending, the Resolution Process may continue, or Title IX Coordinator may exercise their discretion to dismiss the Complaint. If the Complaint is dismissed, the School may still provide reasonable supportive or remedial measures as deemed necessary to address safety and/or remedy any ongoing effects of the alleged discrimination, harassment, and/or retaliation.

When an employee resigns and the Complaint is dismissed, the employee may not return to the School in any capacity. Necessary personnel within the School, including the Director and/or Owners will be notified, accordingly, and a note will be placed in the employee's file that they resigned with allegations pending and are not eligible for academic admission or rehire with the School. The records retained by the Title IX Coordinator will reflect that status.

8. *Appeal of Determination*

a. Appeal Grounds

Appeals are limited to the following grounds:

1. A procedural irregularity that would change the outcome.
2. New evidence that would change the outcome and that was not reasonably available at the time the determination regarding responsibility or dismissal was made.
3. The Title IX Coordinator, Investigator(s), or Decision-maker(s) had a conflict of interest or bias for or against Complainants or Respondents generally or the specific Complainant or Respondent that would change the outcome.

b. Request for Appeal

Any Party may submit a written request for appeal (“Request for Appeal”) to the Title IX Coordinator within five (5) business days of the delivery of the Notice of Outcome. The form for appeal will be provided with the Notice of Outcome.

Upon receipt of a timely submitted appeal, the Title IX Coordinator will Designate a trained Appellate Decision-maker and transmit the Request for Appeal to them. No Appellate Decision-maker will have been previously involved in the resolution process for the complete, including any supportive measure or dismissal appeal that may have been heard earlier in the process.

The Appellate Decision-maker will first determine if the Request for Appeal provides the necessary information to meet the grounds in this Policy. If the grounds are not met, the request will be denied by the Appellate Decision-maker, and the Parties and their Advisors will be simultaneously notified in writing of the denial and the rationale.

If any of the grounds in the Request for Appeal meet the grounds in this Policy, then the Appellate Decision-maker will notify all Parties and their Advisors, the Title IX Coordinator, and, when appropriate, the Investigator(s) and/or the original Decision-maker by transmitting a copy of the Request for Appeal with the approved grounds and then will be provided with five (5) business days to submit a response to the portion of the Appeal that has been approved to proceed and involves that person(s) (these are called Appeal Responses).

Upon receipt of the Request for Appeal by the non-appealing party (if any), the non-appealing party may also choose to appeal at this time. If so, that Request for Appeal will be reviewed by the Appellate Decision-maker to determine if it meets the grounds in this Policy and will either be approved or denied. If approved, it will be forwarded to the party who initially requested an appeal, the Title IX Coordinator, and the Investigator(s) and/or original Decision-maker, as necessary, who will submit their responses, if any, within five (5) business days. Any such responses will be circulated for review and comment by all Parties. If denied, the Parties will be notified accordingly, in writing.

Upon receipt of the Appeal Responses, the Appellate Decision-maker will forward all responses, if any, to all Parties for review and comment. These are the Appeal Replies. No additional responses or replies will be permitted after this time.

No party may submit any new Requests for Appeal after this time period. The Appellate Decision-maker will collect any additional information needed and all documentation regarding the approved appeal grounds, and the subsequent responses Appellate Decision-maker who will promptly render a decision following the below steps.

c. Appeal Determination Process

In most cases, appeals are confined to a review of the written documentation or record of the original determination and pertinent documentation regarding the specific appeal grounds. The Appellate Decision-maker will deliberate as soon as is practicable and discuss the merits of the appeal.

Appeal decisions are to be deferential to the original determination, making changes to the finding only when there is clear error and to the sanction(s)/responsive action(s) only if there is a compelling justification to do so. All decisions apply the preponderance of the evidence standard.

An appeal is not an opportunity for the Appeal Panel or Decision-makers to substitute their judgment for that of the original Decision-maker merely because they disagree with the finding and/or sanction(s).

The Appeal Panel or Decision-maker may consult with the Title IX Coordinator and/or legal counsel on questions of procedure or rationale, for clarification, if needed. The Title IX Coordinator will maintain documentation of all such consultation.

d. Appeal Outcome

An appeal may be granted or denied. Appeals that are granted should normally be remanded (or partially remanded) to the original Investigator(s) and/or Decision-maker with corrective instructions for reconsideration. In rare circumstances where an error cannot be cured by the original Investigator(s) and/or Decision-maker or the Title IX Coordinator (as in cases of bias), the Appellate Decision-maker may order a new investigation and/or a new determination with new Pool members serving in the Investigator and Decision-maker roles.

A Notice of Appeal Outcome letter will be sent to all Parties simultaneously, or without significant time delay between notifications. The Appeal Outcome will specify the finding on each ground for appeal, any specific instructions for remand or reconsideration, any sanction(s) that may result (which the School is permitted to share according to federal or state law), and the rationale supporting the essential findings to the extent the School is permitted to share under federal or state law.

Written notification may be delivered by one or more of the following methods: in person, mailed to the local or permanent address of the Parties as indicated in official institutional records, or emailed to the account on file with the School. Once mailed, emailed, and/or received in person, the Appeal Outcome will be presumptively delivered.

Once an appeal is decided, the outcome is final and constitutes the Final Determination; further appeals are not permitted, even if a decision or sanction is changed on remand (except in the case of a new determination). When appeals result in no change to the finding or sanction, that decision is final. When an appeal results in a new finding or sanction, that finding or sanction can be appealed one final time on the grounds listed above and in accordance with these procedures.

If a remand results in a new determination that is different from the appealed determination, that new determination can be appealed, once, on any of the five available appeal grounds.

e. Sanction Status During Appeal

Any sanctions imposed as a result of the determination are not implemented during the appeal process, and supportive measures may be maintained or reinstated until the appeal determination is made.

For Student Respondents, if any of the sanctions are to be implemented immediately post-determination, but pre-appeal, then the emergency removal procedures (detailed above) for a “show cause” meeting on the justification for doing so must be permitted within two (2) business days of implementation.

For Employee Respondents, the School may determine that they will follow applicable leave policies pending appeal.

9. *Sanctions, Long Term Remedies, and Other Actions*

a. Implementation

Following the conclusion of the Resolution Process, and in addition to any sanctions implemented or Informal Resolution terms, the Title IX Coordinator may implement additional long-term remedies or actions with respect to the Parties and/or the School community that are intended to stop the discrimination, harassment, and/or retaliation, remedy the effects, and prevent recurrence.

These remedies/actions may include, but are not limited to:

- Referral to external counseling and health services
- Referral to the Employee Assistance Program
- Program and registration adjustments, such as retroactive withdrawals
- Education to the individual and/or the School community
- Permanent alteration of work arrangements for employees
- Provision of campus safety escorts
- Climate surveys
- Policy modification and/or training
- Implementation of long-term contact limitations between the Parties
- Implementation of adjustments to academic deadlines, program enrollment, etc.

At the discretion of the Title IX Coordinator, certain long-term supportive measures may also be provided to the Parties even if no Policy violation is found.

When no Policy violation is found, the Title IX Coordinator will address any remedies for the Respondent, on behalf of the School, to ensure there is not an effective denial of educational access.

The School will maintain the confidentiality of any long-term remedies/actions/measures, provided confidentiality does not impair the School’s ability to provide the necessary remedies/actions/measures.

b. Failure to Comply with Sanctions, Responsive Actions and/or Informal Resolution Terms

All Respondents are expected to comply with the assigned sanctions, responsive actions, corrective actions, and/or Informal Resolution terms within the timeframe specified by the final Decision-maker(s), including the Appellate Decision-maker or the Informal Resolution Agreement. Failure to abide by the sanction(s)/action(s) imposed by the date specified, whether by refusal, neglect, or any other reason, may result in additional sanction(s)/action(s), including suspension, expulsion, and/or termination from the School.

Supervisors are expected to enforce the completion of sanctions/responsive actions for their employees.

A suspension imposed for non-compliance with sanctions will only be lifted when compliance is achieved to the Title IX Coordinator's satisfaction.

J. Recordkeeping and Involved Parties

1. *Institutional Recordkeeping*

For a period of at least seven (7) years following the conclusion of the Resolution Process, the School will maintain records of:

- a. Each discrimination, harassment, and retaliation resolution process, including any Final Determination regarding responsibility or appeal, and any audio or audiovisual recording or transcript required under federal regulation
- b. Any disciplinary sanctions imposed on the Respondent
- c. Any supportive measures provided to the Parties and any remedies provided to the Complainant or the community designed to restore or preserve equal access to the School's education program or activity
- d. Any appeal and the result therefrom
- e. Any Informal Resolution and the result therefrom
- f. All materials used to provide training to individuals involved in the Title IX Process and Procedures, including: Title IX Coordinator and designees, Investigators, Decision-makers, Appeal Decision-makers, Informal Resolution Facilitator, and any person who is responsible for implementing the School's Resolution Process, or who has the authority to modify or terminate supportive measures. The School will make these training materials available for review upon request.
- g. All materials used to train all employees consistent with the requirements in the Title IX Regulations.

School will also maintain any and all records in accordance with state and federal laws. Please see Appendix A for the Protected Class Nondiscrimination Policy and Procedure Record Maintenance and Access Policy.

K. Evidentiary Considerations

1. *Relevance*

Relevant evidence is that which may aid in determining whether the allegation occurred, or whether the behavior constitutes a violation of Policy.

The Investigator(s) and the Decision-maker(s) will only consider evidence that is deemed relevant and not otherwise impermissible.

2. *Impermissible Evidence*

Impermissible evidence is defined as evidence that relates to both Party's sexual interests and their prior or subsequent sexual conduct, unless 1) evidence about the party's prior sexual conduct is offered to prove that someone other than the Respondent committed the alleged conduct, or 2) is evidence about specific incidents of the Complainant's prior sexual conduct with the Respondent that is offered to prove consent. Pursuant to California CA Educ. Code, § 66281.8, impermissible evidence also includes sexual conduct by the Complainant with the Respondent that occurs subsequent to the allegations.

The fact of prior consensual sexual conduct occurred between the Complainant and Respondent does not by itself demonstrate or imply the Complainant's consent or preclude a determination that sex-

based harassment occurred. Likewise, a previous or subsequent dating relationship between the Complainant and the Respondent will not be considered, unless the evidence is relevant to how the parties communicated consent in prior or subsequent consensual sexual relations. Prior to allowing the consideration of any evidence provided under this section, the investigator(s) or decision-maker(s) will provide a written explanation to the parties as to why the evidence is consistent with this clause.

3. *Previous Disciplinary Action of the Respondent*

Previous disciplinary action of any kind involving the Respondent may not be considered unless there is an allegation of a pattern of misconduct. Such information may also be considered in determining an appropriate sanction upon a determination of responsibility. Barring a pattern allegation, this information is only considered at the sanction stage of the process and is not shared until then.

4. *Character Evidence*

Within the limitations stated above, the investigation and determination can consider character evidence, if offered, but that evidence is unlikely to be relevant unless it is fact evidence or relates to a pattern of conduct.

L. Accommodations and Support During the Resolution Process

1. *Disability Accommodations*

The School is committed to providing reasonable accommodations and support to qualified students, employees, or others with disabilities to ensure equal access to the School's Policy and Resolution Process options. Anyone needing such accommodations or support should contact the Title IX Coordinator who provide the ADA Coordinator with the information they have. The ADA Coordinator may require additional documentation for an ADA Accommodation and will follow the published policy that is available here: will, in consultation with the Title IX Coordinator and with the person requesting the accommodation, determine

2. *Other Supportive Mechanisms*

The School will also address reasonable requests for support for the Parties and witnesses, including:

- Language services/Interpreters
- Access and training regarding use of technology throughout the Resolution Process
- Other support as deemed reasonable and necessary to facilitate participation in the Resolution Process

M. Administrative Process Resolution Team and Impartiality

The Administrative Resolution Process ("Process") relies on a group of trained individuals to carry out the Process "Resolution Process Pool". This group may include external, trained third-party neutral professionals that may be designated on an as needed basis and also be used to serve in this role.

1. *Resolution Process Pool Training*

The Resolution Process Pool, including external individuals hired to act in this capacity, will receive annual training as required by the relevant regulations related to their respective roles, including additional training elements specific to Title IX. For additional information about Resolution Process Pool Training received, please contact the Title IX Coordinator.

2. *Ensuring Impartiality*

Any individual materially involved in the administration of the Resolution Process, including the Title IX Coordinator, Investigator(s), and Decision-maker(s), may neither have nor demonstrate a conflict of interest or bias for a party generally, or for a specific Complainant or Respondent.

The Title IX Coordinator will vet the assigned Investigator(s), Decision-maker(s), and Appeals officers for impartiality by ensuring there are no actual or apparent conflicts of interest or disqualifying biases. At any time during the Resolution Process, the Parties may raise a concern regarding bias or conflict of interest, in writing to the Title IX Coordinator, and the Title IX Coordinator will determine whether the concern is reasonable and supportable. If so, another person will be assigned, and the impact of the bias or conflict, if any, will be remedied. If the source of the conflict of interest or bias is the Title IX Coordinator, concerns should be raised with the Director.

The Administrative Resolution Process involves an objective evaluation of all available relevant and not otherwise impermissible evidence, including evidence that supports that the Respondent engaged in a Policy violation and evidence that supports that the Respondent did not engage in a Policy violation. Credibility determinations may not be based solely on an individual's status or participation as a Complainant, Respondent, or witness. All Parties have a full and fair opportunity, through the investigation process, to suggest witnesses and questions, to provide evidence, and to receive a written investigation report that accurately summarizes this evidence.

N. Statement of the Parties Rights under the Protected Class Nondiscrimination Policy and Procedures

Under this Protected Class Nondiscrimination Policy and Procedures, the Parties have the right to:

- An equitable investigation and resolution of all credible allegations of prohibited protected class discrimination, harassment, retaliation, and other prohibited behaviors, when reported in good faith to School officials.

- Be informed of available assistance in changing academic and/or employment situations after an alleged incident of protected class discrimination, harassment, and/or retaliation, if such changes are reasonably available.  - Changing an employee's work environment (e.g., reporting structure, office/workspace relocation)
 - Changing academic environment (e.g. changing schedules without penalty)
 - Transportation assistance
 - Referral to Visa/immigration assistance
 - Rescheduling or adjusting internal deadline
 - Receiving a withdrawal from a program

 - Temporary leave of absence (may be retroactive)
 - Campus safety escorts

- Identify and have the Investigator(s) and/or Decision-maker question relevant available witnesses, including expert witnesses.

- Be present, including presence via remote technology, during all testimony given and evidence presented during any hearing (if relevant).
- Have an impact and/or mitigation statement considered by the Decision-maker following a determination of responsibility for any allegation, but prior to sanctioning.
- Be promptly informed of the Resolution Process finding(s) and sanction(s) (if any) and be given a detailed rationale of the decision (including an explanation of how credibility was assessed) in a written outcome letter delivered to the Parties simultaneously (without undue delay).
- Be informed in writing of when a School decision is considered final and any changes to the Final Determination or sanction(s) that occur post outcome letter delivery.
- Be informed of the opportunity to appeal the Resolution Process finding(s) and sanction(s), and the procedures for doing so in accordance with the School's grounds for appeal. A fundamentally fair resolution as defined in these procedures. Notice to the School of Allegations or Complaint

O. Revision of these Procedures

These procedures succeed any previous procedures addressing protected class discrimination, harassment, and retaliation for incidents occurring on or after August 1, 2024. The Title IX Coordinator will regularly review and update these procedures. The School reserves the right to make changes to this document as necessary, and once those changes are posted online, they are in effect.

If governing laws or regulations change, or court decisions alter, the requirements in a way that impacts this document, this document will be construed to comply with the most recent governing laws or regulations or court holdings.

This document does not create legally enforceable protections beyond the protections of the background state and federal laws that frame such policies and codes, generally.

[28]

If circumstances require, the Director or Title IX Coordinator will designate another person to oversee the Resolution Process, at their discretion, or if an allegation is made about the Title IX Coordinator or the Title IX Coordinator is otherwise unavailable, unable to fulfill their duties, or have a conflict of interest.

[29] CA Educ. Code, § 66281.8

[30] In the event that the Title IX Coordinator is able to honor Complainant's request, the Title IX Coordinator will still take reasonable steps to limit the effects of any alleged discrimination and ensure the Complainant's safety. These steps may include increased monitoring, supervision, or security at locations or activities where the alleged misconduct occurred; providing additional training and education materials for students and employees; or conducting climate surveys regarding sexual violence. CA Educ. Code, § 66281.8.

[31] A Complaint is “an oral or written request to the School that can objectively be understood as a request for the School to investigate through the Administrative Resolution Process and make a determination about the alleged Policy violation(s).” If the Complainant makes a report, but requests no action, that does not constitute a Complaint for the purposes of dismissal.

[32] “Available” means the party cannot insist on an Advisor who simply doesn’t have inclination, time, or availability. Also, the Advisor cannot have institutionally conflicting roles, such as being an administrator who has an active role in the matter, or a supervisor who must monitor and implement sanctions. Additionally, choosing an Advisor who is also a witness in the process creates potential for bias and conflicts of interest. A party who chooses an Advisor who is also a witness can anticipate that issues of potential bias will be explored by the Decision-maker(s).

[33] The Resolution Process, including investigation and adjudication through an Administrative Resolution, is not an adversarial process between a Complainant, a Respondent, and any witnesses. The University, not any party, has the burden to gather evidence and determine whether a policy violation occurred. The Complainant does not have a burden to prove, nor does the Respondent have the burden to disprove, any underlying allegations.

[34] Mediation will not be used in the case of complaints alleging sexual assault, dating violence, domestic violence, and stalking. Likewise, mandated mediation is prohibited under this Policy and CA Educ. Code, § 66281.8.

[35] Below, there is a process to waive the decision-making step of the Administrative Resolution Process if a Respondent decides to admit to charged Policy Violations. While these sections are similar, there are meaningful differences. In this section the Parties must agree to the resolution and the Respondent agrees to comply with the terms to which the Parties agree as sanctions. In contrast, the Administrative Resolution Process Waiver is unilateral. Neither the Complainant nor the Title IX Coordinator determine eligibility. It is the Respondent waiving their right to the process steps and admitting the Policy Violation and accepting the sanctions as assigned by the Decisionmaker if they choose to. No Complainant approval is required in this circumstance.

[36] The School will not unreasonably deny a student party’s request for an extension of a deadline related to a complaint during periods of examinations or school closures. CA Educ. Code, § 66281.8.

[37] In California, repetitive, irrelevant, or harassing questions of any party or witness are prohibited.

[38] Please note that a statement that any evidence available but not disclosed during the investigation might not be considered at a subsequent hearing if intentionally withheld.

XXII. **Policy Effective Date**

This Policy and these Procedures are effective on August 1, 2024. If circumstances change and this policy is no longer compliant, we can make changes and/or revert to the previous policy.

Protected Class Nondiscrimination Policy and Procedures

APPENDIX A:

Protected Class Nondiscrimination Policy and Procedures Record Maintenance and Access Policy

Policy Scope

This Policy covers records maintained in any medium that are created pursuant to the School’s Protected Class Nondiscrimination Policy and Procedures and/or the regular business of the School’s Title IX/Nondiscrimination Office. All such records are considered private or confidential by the Title IX/Nondiscrimination in accordance with FERPA and the directive from the Department of Education to maintain the confidentiality of records related to discrimination,

harassment, and retaliation. These records may be shared internally with those who have a legitimate educational interest and will be shared with the Parties to a Complaint under applicable federal and/or state law. The Title IX Coordinator controls the dissemination and sharing of any records under its control.

Types of Records Covered Under this Policy

Records pertaining to the Protected Class Nondiscrimination Policy and Procedures include, but are not limited to:

- The Complaint
- NOIAs
- Documentation of notice to the institution, including incident reports
- Anonymous reports later linked to a specific incident involving known Parties
- Any documentation supporting the initial evaluation
- Investigation-related evidence (e.g., physical and documentary evidence collected and interview transcripts)
- Dismissal-related documentation and appeals
- Documentation related to Emergency Removals, leaves, and interim actions and challenges
- Documentation related to the Resolution Process
- The Final Investigation Report and file
- Remedy-related documentation
- Supportive measures-related documentation
- Appeal-related documentation
- Informal Resolution records
- Outcome Notices
- Any other records typically maintained by the School as part of the Complaint file

Drafts and Working Files: Preliminary drafts and “working files” are not considered records that the School must maintain, and these are typically destroyed during the course of an investigation or at the conclusion of any Resolution Process. They are preliminary versions of records and other documents that do not state a final position on the subject matter reviewed or are not considered to be in final form by their author and/or the Title IX Coordinator or designee. An example of a “working file” would be the Investigator’s notes made during an interview on topics that they want to revisit in subsequent interviews. Sole possession records maintained as such in accordance with FERPA are also included in this category. All drafts of investigation reports shared with the Parties are maintained.

Attorney Work-Product: Communications from the Title IX/Nondiscrimination Office or its designees with the School’s legal counsel may be work product protected by attorney-client privilege. These privileged communications are not considered records to be maintained by the School or accessible under this Policy unless the Title IX Coordinator or designee, in consultation with legal counsel as necessary, determines that these communications should be included as accessible records.

Record Storage

Records may be created and maintained in different media formats; this Policy applies to all records, irrespective of format. All records created pursuant to the Policy, as defined above, must be stored in digital format and maintained by the Title IX Coordinator or designee. The complete file must be transferred to the Title IX Coordinator or designee, typically within fourteen (14) business days of the complaint resolution (including any appeal), if the file is not already maintained within the Title IX/Nondiscrimination Office. Security protocols must be in place to preserve the integrity and privacy of any parts of any record that are maintained during the pendency of an investigation.

The School will store all records created pursuant to the Policy, regardless of the identities of the Parties. Any extra (non-essential) copies of the records (both digital and paper) must be destroyed.

A copy of records showing compliance with any applicable Clery Act/Violence Against Women Act (VAWA) requirements will be maintained along with the Complaint file by the School

Title IX Training Materials

The School will also maintain copies of the slides or other materials from all Title IX training for the Resolution Process Pool members, or any external designees who are utilized during a Resolution Process, and employees. Trainings occurring prior to August 1, 2024, are posted online, and trainings occurring after August 1, 2024, are available for review upon request to the Title IX Coordinator.

Record Retention

All records created and maintained pursuant to the Policy will be retained by the School for a minimum of seven (7) years in database, digital, and/or paper form. Except for records pertaining to Title IX and the Clery Act/VAWA, the School may authorize destruction or expungement acting under their own discretion, or in accordance with a duly executed and binding claim settlement and/or by court or government order.

Record Access

Access to records created pursuant to the Policy or housed in the School is strictly limited to the Title IX Coordinator, Director, and any person they authorize in writing, at their discretion, or via permission levels within the database. Those who are granted broad access to the Title IX/Nondiscrimination records are expected to access only those pertinent to their scope, work, or specific assignment. Anyone who accesses such records without proper authorization may be subject to an investigation and possible discipline/sanction. The discipline/sanction for unauthorized access of records covered by this Policy will be at the discretion of the appropriate disciplinary authority, consistent with other relevant School policies and procedures.

Student Parties may request access to their complaint file. The School will provide access or a copy within 45 days of the request. Appropriate redactions of personally identifiable information may be made before inspection, or any copy is shared.

During the investigation, materials may be shared with the Parties using secure file transmission software. The School will watermark any such file with the watermark identifying the role of the person in the process (e.g., Complainant, Respondent, Decision-maker; Complainant's Advisor) before sharing.

The School will maintain an access log of each case file, showing when and by whom it was accessed and for what purpose.

Record Security

The Title IX Coordinator is expected to maintain appropriate security practices for all records, including password protection, lock and key, and other barriers to access as appropriate. Record security should include protection from floods, fire, and other potential emergencies. Clothing, forensic, and other physical evidence should be securely stored in the Title IX Coordinator's or another appropriate secure location. All physical evidence will be maintained in a facility that is reasonably protected from flood and fire. A catalog of all physical evidence will be retained with the Complaint file.

ALCOHOL AND DRUG-FREE EDUCATIONAL FACILITY POLICY

The School is concerned about the use of alcohol and drugs in the educational facility. This concern is based upon the effect that those substances have on a person's judgment, performance, safety, and health.

The School prohibits the possession, use, or being under the influence of alcohol or an illegal substance on School premises or at a School activity.

This prohibition includes drugs which (a) are not legally obtainable or (b) are legally obtainable but have not been legally obtained. The prohibition also includes prescribed drugs not legally obtained and prescribed drugs not being used for the prescribed purposes.

In order to enforce this policy, the School reserves the right to search all School premises, including classrooms, administrative offices, corridors, storage rooms, and parking lots. The School also reserves the right to search all

employee and student property on School premises or at School activities, including but not limited to backpacks, purses, handbags, lockers, and vehicles parked on School property. The School also reserves the right to implement other measures necessary to deter abuse of this policy. Failure or refusal to cooperate may be grounds for disciplinary action, including expulsion from the School or termination for employees.

The School also will not object to law enforcement seeking to search School premises or employees and students, and employee and student property on School property or at School activities.

POLICY FOR PREGNANCY AND CHILDBIRTH

1. Purpose

Paul Mitchell The School Costa Mesa (here after “School”) is committed to providing a workplace and educational environment, as well as other benefits, programs, and activities, that allow for equal access for Future Professionals and employees navigating pregnancy and related conditions. To ensure compliance with federal, state, and local civil rights laws and regulations, and to affirm its commitment to promoting access, the School has developed policies and procedures for Future Professionals and employees navigating pregnancy and related conditions.

2. Notice of Nondiscrimination

The School does not discriminate in its education program or activity against any applicant for admission, student (Future Professional), applicant for employment, or employee on the basis of current, potential, or past pregnancy or related conditions as mandated by Title IX of the Education Amendments of 1972 (Title IX). The School prohibits members of the School community from adopting or implementing any policy, practice, or procedure which treats an applicant for admission, student (Future Professional), applicant for employment, or employee differently on the basis of current, potential, or past parental, family, or marital status. This policy and its pregnancy-related protections apply to all pregnant persons, regardless of gender identity or expression.

3. Definitions:

1. **Familial Status.** The configuration of one’s family or one’s role in a family.
2. **Marital Status.** The state of being married or unmarried.
3. **Parental Status.** The status of a person who, with respect to another person who is under the age of 18,^[1] is a biological, adoptive, foster, or stepparent; a legal custodian or guardian; in loco parentis with respect to such a person; or actively seeking legal custody, guardianship, visitation, or adoption of such a person.
4. **Pregnancy and Related Conditions.** The full spectrum of processes and events connected with pregnancy, including pregnancy, childbirth, termination of pregnancy, or lactation; related medical conditions; and recovery therefrom.[2]
5. **Reasonable Modifications.** Individualized modifications to the School’s policies, practices, or procedures that do not fundamentally alter the School’s education program or activity.

^[1] Or a person who is 18 or older but who is incapable of self-care because of a mental or physical disability.

^[2] “[T]he Department interprets ‘termination of pregnancy’ to mean the end of pregnancy in any manner, including, miscarriage, stillbirth, or abortion.” Nondiscrimination on the Basis of Sex in Education Programs or Activities Receiving Federal Financial Assistance, 89 F.R. 33474, April 29, 2024, codified at 34 C.F.R. 106.

4. Employee Information Sharing Requirements

Any School employee who becomes aware of a student’s pregnancy or related condition is required to provide the Future Professional with the Title IX Coordinator’s contact information and communicate that the Title IX Coordinator can help take specific actions to prevent discrimination and ensure equal access to the School’s education program and activity or provide the information to the Title IX Coordinator who will provide the necessary information to the

Future Professional. If the employee has a reasonable belief that the Title IX Coordinator is already aware of the pregnancy or related condition, the employee is not required to provide the Future Professional with the Title IX Coordinator's contact information.

Upon notification of a Future Professional's pregnancy or related condition, the Title IX Coordinator will contact the Future Professional and inform the Future Professional of the School's obligations to:

- Prohibit sex discrimination.
- Provide reasonable modifications.
- Allow access, on a voluntary basis, to any separate and comparable portion of the institution's education program or activity.
- Allow a voluntary leave of absence.
- Ensure lactation space availability.
- Maintain a Resolution Process for alleged discrimination.
- Treat pregnancy as comparable to other temporary medical conditions for medical benefit, service, plan, or policy purposes.

The Title IX Coordinator will also notify the Future Professional of the process to make a complaint for alleged discrimination, harassment, or retaliation, as applicable.

5. Reasonable Modifications for Future Professionals

Future Professionals who are pregnant or are experiencing related conditions are entitled to Reasonable Modifications to prevent sex discrimination and ensure equal access to the School's education program and activity. Any Future Professional seeking Reasonable Modifications must contact the Title IX Coordinator to discuss appropriate and available Reasonable Modifications based on their individual needs. Future Professionals are encouraged to request Reasonable Modifications as promptly as possible, although retroactive modifications may be available in some circumstances. Reasonable Modifications are voluntary, and a Future Professional can accept or decline the offered Reasonable Modifications. Not all Reasonable Modifications are appropriate for all contexts.

Reasonable Modifications may include:

- Breaks during class to express breast milk, breastfeed, or attend to health needs associated with pregnancy or related conditions, including eating, drinking, or using the restroom (please note that due to the clock-hour education requirements if a break is longer than ten-minutes, the Future Professional will be required to clock out for the time missed and may make that time up).
- Intermittent absences to attend medical appointments (provision of a doctor's note or other documentation of a medical visit will allow for the school to note that the absence was related to the reasonable modification and allow the Future Professional to be able to immediately be eligible to make up the time missed via the makeup hours policy).
- Access to online or homebound education, if available (to the extent permitted by the state board/accreditor for clock-hour programs)
- Changes in schedule (however, due to clock-hour education requirements, the Future Professional must attend a published schedule)
- Time extensions for coursework and rescheduling of tests and examinations
- Allowing a Future Professional to sit or stand, or carry or keep water nearby
- Provision of referrals to counseling
- Changes in physical space or supplies (for example, access to a larger desk or stylist stool)
- Elevator access
- A larger uniform or other required clothing or equipment (if provided by the School)
- Other changes to policies, practices, or procedures determined by the Title IX Coordinator

In the School's progressive curricular model programs, medically necessary leaves are sufficient cause to permit the Future Professional to join a subsequent cohort when returning from leave. Future Professionals are encouraged to work with their Title IX Coordinator and the School to devise a plan for how to best address the conditions as pregnancy progresses, anticipate the need for leaves, minimize the academic impact of their absence, and get back on track as efficiently and comfortably as possible. The Title IX Coordinator will assist with plan development and implementation as needed.

Supporting documentation for Reasonable Modifications will only be required when it is necessary and reasonable under the circumstances to determine which Reasonable Modifications to offer to determine other specific actions to take to ensure equal access. A Reasonable Modification does not excuse participation in the educational program or from completing all requirements of the program.

Information about pregnant Future Professionals' requests for modifications will be shared with faculty and staff only to the extent necessary to provide the Reasonable Modification.

Future Professionals experiencing pregnancy-related conditions that manifest as a temporary disability under the Americans with Disabilities Act (ADA) or Section 504 of the Rehabilitation Act are eligible for reasonable accommodations just like any other Future Professional with a temporary disability. The Title IX Coordinator will consult with the ADA Coordinator to ensure the Future Professional receives reasonable accommodations for their disability as required by law.

6. Certification to Participate

All Future Professionals should be informed of health and safety risks related to participation in academic and co-curricular activities, regardless of pregnancy status. A Future Professional may not be required to provide health care provider or other certification that the Future Professional is physically able to participate in the program or activity, unless:

1. The certified level of physical ability or health is necessary for participation;
2. The institution requires such certification of all Future Professionals participating; and
3. The information obtained is not used as a basis for pregnancy-related discrimination.

7. Lactation Space Access

The School provides Future Professionals and employees with access to lactation spaces that are functional, appropriate, and safe. Such spaces are regularly cleaned, shielded from view, and free from the intrusion of others. For more information about lactation spaces and access, please contact the Title IX Coordinator.

8. Leaves of Absence

A. Future Professionals

Future Professionals are permitted to take a voluntary Pregnancy Leave of Absence for a reasonable time as deemed medically necessary by their healthcare provider because of pregnancy and/or the birth, adoption, or placement of a child. The leave term may be extended in the case of extenuating circumstances or medical necessity. Future Professionals who elect to take a voluntary pregnancy leave of absence are eligible to elect to take leave under this policy or under the Leave of Absence Policy that is outlined in the catalog.

To the extent possible, School will take reasonable steps to ensure that Future Professionals who take a leave of absence or pregnancy leave of absence return to the same position of academic progress that they were in when they took leave, including access to the same or an equivalent program that was in place when the leave began.

Continuation of Future Professionals' scholarships, or similar School-sponsored funding during the leave term will depend on Future Professional registration status and the policies of the funding program regarding registration status. Future Professionals will not be negatively impacted by or forfeit their future eligibility for their School provided scholarship, or similar School provided funding by exercising their rights under this policy.

The Title IX Coordinator can and will advocate for Future Professionals with respect to financial aid agencies and external scholarship providers in the event that a leave of absence places eligibility into question. However, there is not a guarantee of outcome. There are certain pieces like change of award year and eligible family size that may change based on the range of time where the Future Professional is on the leave of absence or pregnancy leave of absence.

In order to initiate a Pregnancy Leave of Absence, the Future Professional must contact the Title IX Coordinator at least 30 calendar days prior to the initiation of leave, or as soon as practicable. The Title IX Coordinator will assist the Future Professional in completing any necessary paperwork.

B. Employees

Information on employment leave can be found in your employment documentation.

If an employee, including an individual who is both a Future Professional and an employee, is not eligible for leave under the aforementioned leave policy because they either (1) do not have enough leave time available under that policy, or (2) have not been employed long enough to qualify for leave under that policy, they are eligible to qualify for pregnancy or related condition leave under Title IX. Pregnancy and related conditions will be regarded as a justification for a leave of absence without pay for a reasonable period of time.

Employees who take leave under Title IX must be reinstated to the status held when leave began or a comparable position without a negative effect on any employment privilege or right.

9. Future Professional Parents

Future Professionals with child caretaking/parenting responsibilities who wish to remain engaged in their coursework while adjusting their academic responsibilities because of the birth or adoption of a child or placement of a foster child may request a leave of absence under the Leave of Absence policy.

10. Policy Dissemination and Training

A copy of this policy will be made available to employees upon hire and provided annually. The School will alert all new Future Professionals about this policy and the location of this policy during the enrollment process and/or during CORE. The Title IX Coordinator is available to provide educational conversations and/or materials to promote compliance with this policy and familiarity with its procedures.

This policy and procedure was implemented on August 1, 2024.

ADDENDUMS

VETERAN STUDENT ADDENDUM

Paul Mitchell The School Costa Mesa will permit any covered individual to attend or participate in the course of education during the period beginning on the date on which the individual provides to the educational institution a certificate of eligibility for entitlement to educational assistance under chapter U.S. Department of Veterans Affairs (VA) Post 9/11, G.I. Bill® (Ch. 33) or Vocational Rehabilitation & Employment (Ch. 31) benefits ending on the earlier of the following dates:

1. The date on which the Department of Veterans Affairs provides payment for such course of education to such institution.
2. 90 days after the date the institution certified tuition and fees following the receipt of the certificate of eligibility.

In accordance with Title 38 US Code 3679 subsection (e) Paul Mitchell The School Costa Mesa will not impose any penalty, including the assessment of late fees, the denial of access to classes, libraries, or their institutional facilities, or the requirement that a covered individual borrow additional funds, on any covered individual because of the individual's inability to meet his or her financial obligations to the institution due to the delayed disbursement of funding from the Department of Veterans Affairs.

Attendance Policy: VA students are expected to attend all classes as designated in the enrollment agreement. If circumstances prevent attendance, prior notification is expected.

Attendance is charted daily and evaluated monthly. Attendance must not fall below 80% of scheduled class/floor time. If monthly attendance falls below 80%, the student will be placed on probation for the next month and be counseled. If, at the end of the probationary period, satisfactory attendance has not been regained, veteran education benefits will be terminated and face possible dismissal from the school. Students whose absences are excused (family emergency, medical, etc.), or result from authorized mitigating circumstances, as determined by the school administration, will continue to be certified for veteran education benefits.

Students whose veteran education benefits have been stopped for unsatisfactory attendance may be recertified only after regaining satisfactory attendance. Additionally, for VA students, any absence greater than 5 consecutive class days for any reason (illness, military orders, leave of absence, etc.) requires termination of veteran education benefits. Benefits will be restarted on re-enrollment. Read-admittance after termination for unsatisfactory attendance requires reapplication for admission and scheduling an interview with the school administration.

Academic Progress Policy: VA students must maintain a 70% grade point average on written tests and practical work in order to maintain satisfactory academic progress. All work is evaluated monthly. Failure to maintain a 70% GPA on a monthly evaluation will result in being placed on academic probation for the next month. If the minimum standard of 70% is not regained by the end of the probationary month the student will be allowed a second month of probation. If at the end of this second month of probation, satisfactory progress has not been regained, VA education benefits will be terminated, and the student will be dismissed from the school. Students who have been terminated for academic reasons must reapply for admission and schedule an interview with the school administration.

GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government Web site at <https://www.benefits.va.gov/gibill>.

VETERAN'S CREDIT FOR PREVIOUS EDUCATION OR TRAINING

Students must report all education and training. The school must evaluate and grant credit, in accordance with state cosmetology board policies, and if appropriate, with the training time shortened, the tuition reduced proportionately,

and the VA and student notified. All VA students must provide Paul Mitchell The School Costa Mesa a copy of all previous postsecondary school transcripts, and a copy of their DD214 discharge certificate (if applicable). Additionally, VA students eligible under Chapter 1606 must provide a copy of their Notice of Basic Eligibility (NOBE).

VETERANS GRADUATION REQUIREMENTS IN COURSES

1. Complete the required number of program clock hours.
2. Complete and submit all assigned skill practical assessments through Coursekey, to demonstrate completion of State requirements.
3. Pass the school's final written and practical exams.
4. Complete the required theory hours and pass all written theory exams.

Upon meeting all requirements listed above for graduation, the student will receive a graduation certificate. Students may also request an official current transcript from the school, at any time during or after graduation.

Paul Mitchell The School Costa Mesa reserves the right to hold on graduating a student if the student fails to complete all listed requirements, or fails to pass the written and practical exams, as determined by the school.

VETERANS BENEFITS APPROVAL STATEMENT

The programs at Paul Mitchell The School Costa Mesa are approved by the California State Approving Agency for Veterans Education (CSAAVE) for eligible students to receive veterans' education benefits. Students who enroll to receive these benefits are not only required to abide by the policies and rules of this school, but also by the rules and regulations of the Department of Veterans Affairs and the SAA.

Students are also required to maintain all standards of conduct and satisfactory progress as stated in the official school listing.

Paul Mitchell The School Costa Mesa does not and will not provide any commission, bonus, or other incentive payment based directly or indirectly on success in securing enrollment or financial aid to any persons or entities engaged in any student recruiting or admissions activities or in making decisions regarding the award of student financial aid.

COMPLIANCE WITH VA'S 85/15 RULE

Schools should limit student enrollment to 85% veteran enrollment per cohort. In the event that a veteran wishes to enroll in a program that has already reached the 85% cap, he or she may do that but will not be eligible for VA funding. Chapter 35 and 31 students may still enroll even if the 85% has been realized.
